PROGRAMS

****Please note, recruitment of students to Bader College for the 2024-25 academic year has temporarily been suspended****

First Year Programs

Bader College's First Year Program (https://www.queensu.ca/badercollege/academics/first-year-program/) is a package specifically designed to build on the Castle's strengths. Available programs are:

- First Year Arts (https://www.queensu.ca/badercollege/academics/first-year-program/arts/) (OUAC code: QIA)
- First Year Science (https://www.queensu.ca/badercollege/academics/first-year-program/science/) (OUAC code: QIS)
- First Year Health Sciences (https://www.queensu.ca/badercollege/academics/first-year-program/health-sciences/) (OUAC code: QIH)
- First Year Concurrent Education (https://www.queensu.ca/badercollege/academics/first-year-program/con-ed/) (Arts) (OUAC code: QIB)
- First Year Concurrent Education (https://www.queensu.ca/badercollege/academics/first-year-program/con-ed/) (Science) (OUAC code: QIF)

Upper Year Programs

Students who have completed at least one year of university are eligible to study an Upper Year program at Bader College for a term. Bader College offers general Fall, Winter or Summer programs, as well as multiple specialised programs. Full details can be found on our Upper Year Program (https://www.queensu.ca/badercollege/academics/upper-year-program/) page.
