

Senate Research Report February 12, 2009

Awards and Honours

Dr. James Cordy (School of Computing) has been recognized by the Association for Computing Machinery (ACM) as a 2008 Distinguished Scientist in recognition of his contributions to both the practical and theoretical aspects of computing and information technology.

Publicly announced February 5, 2009

Dr. John Casselman (Biology) was recently presented with the 2009 Robert J. Graham Partnership Award by the Ontario Commercial Fisheries' Association.

Publicly announced February 9, 2009

Research Funding Awarded

Canadian Institutes of Health Research Operating Grants

39 applications were submitted and 11 were successful – the total funding was \$5,675,015.

- Dr. Bruce Banfield (Microbiology and Immunology), *Molecular cell biology of herpes virus egress*, \$115,203 per year for 5 years
- Dr. Michael Brundage (Division of Cancer Care and Epidemiology), *A national "Patterns of Care" study in prostate cancer radiation therapy: Development and use of quality indicators*, \$124,687 per year for 2 years
- Dr. Catherine Cahill (Pharmacology and Toxicology), *Targeting of delta opioid receptors in neuropathic pain: Implication for novel therapy*, \$166,691 per year for 3 years
- Dr. Michael Dorris (Physiology), *Neural processes underlying action valuation*, \$109,097 per year for 5 years
- Dr. Colin Funk (Physiology, Biochemistry), *COX-2 pathway and cardiovascular disease*, \$169,000 per year for 5 years
- Dr. Colin Funk (Physiology, Biochemistry), *Biochemistry and biology of cyclooxygenases*, \$167,132 per year for 5 years
- Dr. Sudeep Gill (Medicine), *The concurrent use of medications with opposing actions: the prevalence and impact of prescribing both anticholinergics and cholinesterase inhibitors to people with dementia*, \$41,518 per year for 3 years
- Dr. Charles Graham (Anatomy and Cell Biology), *Nitric oxide-mediated inhibition of hypoxia-induced immune escape in cancer*, \$176,556 per year for 3 years

- Dr. Daren Heyland (Medicine), *Realities, expectations and attitudes to life support technologies in intensive care for octogenarians: The REALISTIC 80 study*, \$266,815 per year for 3 years
- Dr. Frederick Kan (Anatomy and Cell Biology), *Effect of oviductal secretion on sperm function*, \$121,706 per year for 4 years
- Dr. Caroline Pukall (Psychology), *Investigating vestibulodynia subtypes from a multidimensional pain perspective*, \$60,639 per year for 3 years

Meetings, Planning and Dissemination Grant:

- H el ene Ouellette-Kuntz (Psychiatry), *International Collaboration to Improve the Health of Individuals with Intellectual Disabilities*, \$20,000

Social Sciences and Humanities Research Council of Canada Aid to Research Workshops and Conferences in Canada Program

- Dr. Allison Harell (School of Policy Studies), \$24,600 towards a workshop, *Diversity and Democratic Politics: Canada in Comparative Perspective* being held at Queen's in May 2009.
- Dr. Emily Hill (History), \$14,703 towards a workshop, *Re-assessing Chiang Kai-shek: An International Dialogue* being held at Queen's in August 2009.
- Dr. Lynda Jessup (Art), \$23,298 towards a workshop, *Negotiations in a Vacant Lot: Studying the Visual in Canada* being held at Queen's in August 2009.
- Dr. Catherine Krull (Sociology), \$35,000 towards a conference, *The Measure of a Revolution: Cuba, 1959-2009* being held at Queen's in May 2009.
