TO Ms. G. Moore; University Secretary  
FROM Jo-Anne Brady; University Registrar  
DATE July 14, 2011  
SUBJECT Senate referral to SCAP re: AODA training

I am writing to confirm that the Senate Committee on Academic Procedures has received and discussed the March 24, 2011 referral from Senate regarding Accessibility for Ontarians with Disabilities Act (AODA) training and its inclusion on the official transcript as an “academic milestone”.

It was decided that it was not appropriate for the completion of the AODA training to be on the transcript as an academic milestone, but as a non-credit course instead. This Fall, the Dean of the School of Graduate Studies will arrange for the training to be approved as a non-credit course via the School’s standard curriculum approval process.
