

MEMORANDUM

Vice-Principal (Academic)

**To:** Georgina Moore  
Secretary of the Senate

**From:** Patrick Deane  
Vice-Principal (Academic)

**Date:** October 7, 2009

**Subject:** Vice-Principal (Academic)'s Report on Diversity

Dear Georgina:

On January 29, 2009, the Senate approved a motion put forward by the Senate Operations Review Committee (SORC) requesting that a report to Senate on progress made towards recommendations contained in the *Henry Report* and the Senate Educational Equity Committee's (SEEC's) response to the *Henry Report* be tabled at future October Senate meetings. As this topic is of great importance to the University, I write to inform Senate that, to accommodate a meeting between myself and SEEC scheduled for early November, the progress report on diversity issues will be delayed until the November 26, 2009 Senate meeting. I trust that this one month delay is acceptable to the Senate.

Respectfully submitted,

  
Patrick Deane  
Vice-Principal (Academic)
