Dear Dr. Lyon:

Re: Proposal for provisional centre approval for a *Surveillance Studies Centre*

On the recommendations of Dr. Kerry Rowe, Vice-Principal (Research) and the Senate Advisory Research Committee members, I am pleased to provide "provisional approval" for the establishment of the Surveillance Studies Centre (SSC). In accordance with the Senate *Procedures Governing the Establishment, Reporting and Review of Research Centres, Institutes, and Other Entities at Queen's University*, provisional approval is granted for a period of up to twenty-four months from the date of this letter.

Please complete and submit the necessary documentation for formal approval to Senate at least three months prior to the end of the provisional approval period.

The Surveillance Studies Centre, as described, promises to facilitate important research on a very timely subject and I wish you every success with this exciting research initiative.

Sincerely,

Prof. Daniel R. Woolf
Principal and Vice-Chancellor
