6 October 2008

Dear Dr. Pierce,

I am writing with respect to your memo of September 30, 2008 regarding recommended modifications to BA and BAH diplomas.

The Senate Committee on Academic Procedures (SCAP) met on September 30 and reviewed the motions proposed to SCAP by the Arts and Science Faculty Board:

1. that BA and BAH diplomas be made available in English or Latin, and
2. that the concentration or concentrations be included on all diplomas printed in English.

Committee members agreed with the motions and both were passed. Changes will be implemented for Spring 2009 Convocation.

Yours sincerely,

*M. Copland*

Chair, SCAP
