Subject: **Revised Consolidated Schedule of Internal Academic Reviews**

Please find attached an updated Consolidated Schedule of Internal Academic Reviews, which was endorsed by the Internal Academic Review Committee at its meeting of November 11, 2008.

Each year, the Consolidated Schedule is circulated to the Deans for review and the attached Consolidated Schedule reflects changes to the cycle of reviews as approved by the IARC:

- the Department of Art, scheduled to be reviewed in 2008-2009, to be changed to the year 2009-2010 to accommodate some internal challenges in the unit;
- the Department of Religious Studies, scheduled to be reviewed in 2010-2011, to be changed to the year 2012-2013 to coincide with: the appointment of a new Head of Religious Studies in the 2011-2012 academic year; a possible new reconfiguration of the Department; and an Ontario Council of Graduate Studies Review in 2010-2011;
- the Faculty of Education, scheduled to be reviewed in 2010-2011, to be changed to the year 2009-2010 to coincide with the Dean's final year.

Please include this updated Consolidated Schedule on the agenda for the next Senate meeting, to be reported for the information of the Senate.
