March Break
OPEN HOUSE
March 10, 2018
Welcome to our campus. We are pleased that you have decided to visit our campus today and hope you'll take the opportunity to discover and explore your options at Queen's.

**Start here**

**Grant Hall**
Pick up your program for the day and join a campus tour.
Speak to representatives from Student Awards, campus services, and your AMS (clubs and societies).

**General tours**

<td>Apply to Queen's</td>
<td>noon</td>
<td>Ellis Hall Auditorium</td>
</tr>
</tbody>
</table>

Attend this session if you are an Ontario resident and want to learn more about the OSAP program and the government's messaging about "Free Tuition" for eligible OSAP students. Find out about other financial options available in addition to OSAP to help you finance your Queen's education.

Imagine studying in a 15th century castle. Now, let us help you do more than just imagine! Join us for a virtual tour of the BISC and see what it's like to study at our International Campus in the U.K. We will have current students, faculty and staff on hand to answer questions and give you more information about the First Year Program at the BISC.

Are you in grade 11? Come and learn more about our academic programs, student life on campus, how to apply to university and what you need to know as you prepare for your journey to Queen's.
Grant Hall
Pick up your program for the day and join a campus tour. Speak to representatives from Student Awards, campus services, and your AMS (clubs and societies).

Visit residence

Residence Tours
11am - 3pm
Chernoff Hall Auditorium

Tour a residence room and get an idea of what your home could be like for your first year at Queen’s. Residence Tours run continuously from 11am-3pm. Please join a tour group in the lobby of Chernoff Hall Auditorium.

What is Residence life like at Queen’s
10am - 3pm
Chernoff Hall Auditorium

Learn more about the types of rooms at Queen’s, how our application process works, and what it’s like to live in Residence at Queen’s. This presentation is jointly presented by our Residence Life, Residence Admissions, and Hospitality Services Departments.

Student services fair

Student Services Fair
8:30am - 4pm
Grant Hall

Whether you’re looking for academic, emotional, social, cultural, spiritual, physical or career-related support, we encourage you to take advantage of all that Queen’s has to offer. We are all about helping you succeed! Connect with us to learn more about:

- Alma Mater Society
- Athletics and Recreation
- Student Experience Office
- Student Awards
- Four Directions Aboriginal Student Centre
- Career Services
- Student Academic Success Services
- Student Wellness Services
- Undergraduate Admission and Recruitment

Four Directions Aboriginal Student Centre

Four Directions Student Centre Tours
Ask for a tour at our booth in Grant Hall

Take a tour with one of our current students of the Four Directions Aboriginal Student Centre and meet with the staff to learn how the Four Directions Aboriginal Student Centre strives to be a home away from home for Indigenous students and a site of information and support for the broader Queen’s community.

Student Services Fair
9am - 3pm
Grant Hall

The Four Directions Aboriginal Student Centre will be part of the Student Services Fair in Grant Hall. Come out to speak to one of the representatives from FDASC and learn more about how you can get involved and make the FDASC your home away from home.
Academics

## Arts and Science

**Event**                  | **Time**     | **Location**          
---                        | ---          | ---                    
Arts and Science           |             |                        
Academic Fair and          | 9am - 2pm   | Biosciences Complex    
Departmental Showcase      |             | Atrium                 
Meet students and professors from the following departments: Fine Art, Film and Media, School of Drama and Music, Art History, Classics, English, Philosophy, Religious Studies, French Studies, Languages Literatures and Cultures, Gender Studies, History, Linguistics, Sociology, Psychology, Geography and Planning, Geology, Environmental Studies, Global Development Studies, Health Studies, Music Theatre, Kinesiology, Mathematics and Statistics, Physics, Political Studies, School of Computing, Life Sciences, Biochemistry, Chemistry, Biology, and Economics.

<tr>
<td>Department Tours Available</td>
<td>1:30 - 3:10pm</td>
<td>Tours will leave from their respective buildings</td>
</tr>
</tbody>
</table>

Please grab a complimentary coffee and treat in our student run Tea Room. Learn about our 10 different Engineering departments by speaking with current Engineering faculty and students. Don’t forget to pop into the Engineering Society and learn all about the different student run programs and services they provide.

The Integrated Learning Centre is ‘home-base’ for first year engineering students. Built to support first year problem-based learning initiatives, we are a ‘live’ building, where the structure itself is monitored and used as a lab. Building tours will start at 10am. If you would like to go on a tour, please visit the Tour Desk, in the Atrium of the Beamish Munro Hall. Tours are approximately 40 minutes in length. The final building tour will begin at 3:15pm.

Interested in seeing the beautiful city that surrounds our Queen’s campus? Hop on our free 30-minute trolley tour! Experience some of Kingston’s most historic locations including Fort Henry and City Hall. The trolley will pick-up and drop-off passengers at Beamish-Munro Hall. The trolley drops off close to many of our Engineering buildings for tours after the trolley ride. Please visit the Trolley Tours desk in Beamish-Munro Atrium to receive a wristband. Limited seats available.

See what engineering is all about. Find out more about the common first year classes, schedules and design courses and what first year may have in store for you. Please note – there is an overflow room at Dupuis 215.

Ever wonder what it’s really like to be a student in Queen’s Engineering? Come and experience “A Day in the Life of a Queen’s Engineer” presentation. Ask an engineering student you questions after the presentation.

Plan to visit the engineering departments. Each department will host 3 tours in the afternoon in each of their respective buildings. Tour guides will be situated at the main entrance of each building.
Leonard Cafeteria
Leonard Cafeteria in Leonard Hall will be open. An all-you-can-eat lunch for visitors will be available at a minimal cost. Come see what dining hall food is really like. Open until 2:30 pm

Common Ground
Upper level, Queen’s Centre. A coffeehouse where you can get great sandwiches, salads and baked goods. (Operated by the Alma Mater Society)
