Job Requirements

These teaching assistantships are for the support of online courses. Some training and preparation is needed before the start of the course. Candidates must be prepared to work outside the regular 9-5 work week, and have access to the internet and a computer that meets minimum requirements. Experience with learning management systems (eg OnQ) and videoconferencing software (eg Blackboard Elluminate) would be an asset.

Contract hours
The hours in the TA contract will be determined on the basis of the actual course enrolment.
