

The Department of Classics
invites you to attend an illustrated lecture by

Yvonne Gerber

(University of Basel, Switzerland)

***Life and Death
in Petra and Hegra***

Tuesday, November 3

205 Walter Light Hall

9:30 AM - 10:30 AM

Yvonne Gerber is an archaeologist and ceramicist specializing in the Nabataean and Roman cultures of the Near East. She is involved with many different research projects including the Humayma Excavation Project (run by B. Reeves in the Queen's Classics Department), the Swiss-Liechtenstein Excavations at ez-Zantur in Petra, Jordan, the Finnish Jabal Harun Project in Petra, and the French excavations at Hegra (Madâ'in Sâlih) in Saudi Arabia.

All Welcome
