

NEW FOR 2012

NOTICE OF GRANT AWARD

The Silverhill Institute of Environmental Research and Conservation will provide an award of \$2,500 to a Masters graduate student in Canada.

The award is for a Masters Thesis / Research project that:

- Has an applied environmental or conservation focus
- Contributes in a direct way to society and/or provides specific community benefit

The project must have a Canadian or North American focus.

In addition to the main award, two or more smaller research assistance awards of \$500 will also be made. For application details, go to the website:

<http://www.silverhillinstitute.com> or

<http://www.silverhillinstitute.ca>

Applications will be accepted between **January 15, 2012** and **February 29, 2012**.

The Award(s) will be announced **Early May 2012**.
