

IN THE INTERESTS of facilitating research by others at this institution and elsewhere, and in consideration of my being accepted for enrolment as a graduate student at this institution, I hereby grant a royalty-free non-exclusive license to:

QUEEN'S UNIVERSITY

to reproduce in microform, paper or electronic formats my thesis or dissertation or parts thereof, the copyright of which vests in me, provided that this licence is subject to the following conditions.

1. This license shall continue for the full term of the copyright, or for so long as may be legally permitted.
2. The Universal Copyright Notice shall appear on all copies made under the authority of this licence.
3. This license does not permit the sale of authorized reproductions at a profit, but does permit the collection by the institution or institutions concerned of charges covering actual costs.
4. All copies made under the authority of this license shall bear a statement to the effect that the copy in question "is being made available in this form by the authority of the copyright owner solely for the purpose of private study and research and may not be copied or reproduced except as permitted by the copyright laws without written authority from the copyright owner".
5. The foregoing shall in no way preclude the granting by the author of a license to the Library and Archives Canada to reproduce the thesis or dissertation and to lend or sell copies of the same. For this purpose it shall also be permissible for Queen's University to submit the abovementioned thesis or dissertation to the Library and Archives Canada.
