IMPORTANT ENVIRONMENTAL HEALTH & SAFETY INFORMATION & QUESTIONS

Workplace Hazardous Materials Information System (WHMIS)

All Teaching Assistants are required to have a WHMIS certificate. All applicants will be asked to present an up to date (within the last 5 years) WHMIS Certificate. If this training has not been done you will be required to take the course and you can contact the Departmental Safety Office to do this.

First Aid Certificate

Teaching Assistants may also be required to have a First Aid Certificate particularly where field work comprises part or all of weekly labs or where extended field schools are involved.

Please indicate if you have WHMIS training

YES NO

If yes, please provide the Date on your Certificate of Training

Please indicate if you have First Aid training
