

DEPARTMENT OF PSYCHOLOGY

SPACE FORM

In order to assist in orderly Departmental planning and resource allocation, individuals applying for grant or contract funds are asked to complete this form. If the successful application has any resource implications beyond the ordinary, applicants are urged to draw these to the attention of the Department Head or Manager in time to be considered before the application deadline.

Please also submit a memo stating the status of ethics review.

Title of Project:

Agency:

Do the activities associated with this application require any space in addition to what is currently assigned to you?

No:

Yes: (Please submit separate request)

Is any special equipment required?

No:

Yes: (Please submit separate request)

Is there any unusual need for support services?

No:

Yes: (Please submit separate request)

Do the activities following a successful application interfere with the regular teaching and administrative duties assigned to you?

No:

Yes: (Please submit separate request)

NOTE: Before research can be conducted, appropriate review (Ethics, Biohazards, Animal Care) must be completed. If these are incomplete at the time of submission of the proposal, *approval* of the application by the Head is *conditional* upon proper completion of these reviews. **Please submit an accompanying memo regarding Ethics Review status.**
