

ENROLMENT REPORT

2019-20

As of November 1, 2019

THIS **ANNUAL REPORT**

provides details about Queen's enrolment as of November 1, 2019.

The report includes information about total enrolment and detailed information on the incoming first-year undergraduate class and incoming graduate students. The report also includes enrolment information for international, self-identified Indigenous, and first-generation students. Students are able to self-identify through the Ontario University Application system (OUAC), Queen's graduate and second degree applications, and through SOLUS. Additional information on the diversity of the Queen's student population is available on the Inclusive Queen's website.

The enrolment report also includes retention rates and graduation and completion rates. Most content is reflected in the preliminary Student Fall Headcount and Intake chart on p.14 and the preliminary Enrolment Summary chart on p.15 prepared by the Office of Planning and Budgeting. Additional data sources are noted.

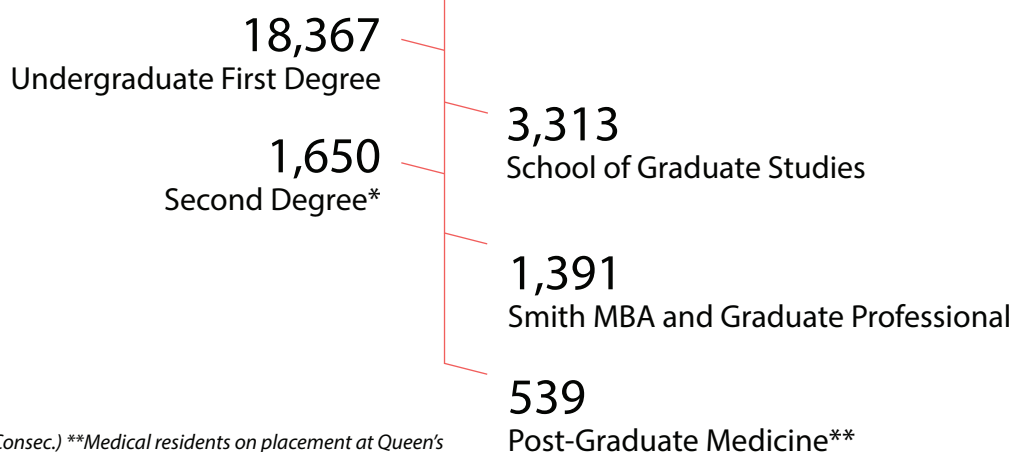

A sincere thank you to all contributors.

Queen's is situated on traditional Anishinaabe and Haudenosaunee territory.
We are grateful to be able to live, learn, and play on these lands.

*OUAC

Queen's approved a First-Generation Admission Policy for the 2018-19 year. It provides an additional and alternative pathway for those who are participating in identified community-based programs that help youth in low-income communities complete secondary school, and prepare for a successful transition to post-secondary study. The policy is modelled on the university's long-standing Indigenous Admission Policy.

INDIGENOUS STUDENTS

Queen's continues to build on longstanding outreach and recruitment activities to increase Indigenous enrolment with dedicated staff in Undergraduate Admission and the Four Directions Indigenous Student Centre who provide support throughout the admissions process.
