Policy for Travel and Related Expenses

THE QUEEN'S POLICY FOR TRAVEL AND RELATED EXPENSES WAS UPDATED EFFECTIVE APRIL 1, 2012

The updated Queen’s Policy for Travel and Related Expenses is available at:

Please note - Original itemized receipts must support all expense reimbursement claim items. Credit card receipts, debit card slips, and cancelled cheques are not acceptable original receipts as they do not provide sufficient details on amounts expended.

EXCEPTIONS to above

- **Use of Employee Owned Vehicle**
  Under normal circumstances, individuals will be reimbursed at the rate of 55 cents per kilometer (no receipt required) for the use of a car within a radius of 500km of Kingston. If a private automobile is used out of personal preference beyond this radius, reimbursement will be limited to the cost of the most economical alternative mode of travel

- **Accommodation with Friends and Relatives (Gratuitous Accommodation)**
  Persons staying with relatives or friends may claim $30 per night in lieu of accommodation cost. No receipt is required.

Individuals are responsible for making travel arrangements that provide adequate standards of comfort, convenience, safety and efficiency, and is the most economical option under the circumstances. The University has made special arrangements with certain suppliers to help travelers obtain the best price for services needed. A current list of preferred suppliers is available at:
http://www.queensu.ca/procurement/preferred/travel.html

Actual costs may be claimed for meals up to a maximum as noted below. **Original itemized receipts are a mandatory requirement.** If travelling for more than one meal period, the maximum daily reimbursement will be calculated based on the total for all applicable meals. If travelling for one meal period, reimbursement will be reimbursed up to the amount stipulated for that particular meal. **Alcohol is not a reimbursable expense** unless incurred under the University’s Hospitality Policy

**Meals – maximums**
