

CONFERENCE TRAVEL AWARDS 2011-2012 APPLICATION

Students must be presenting research to secure funding under this program.

SURP's first priority is to fund conference registration fees for the maximum number of graduate students presenting research.

If additional funds are still available in April, after all conference registration fees have been reimbursed, then limited travel and accommodation expenses may be reimbursed. Please keep your receipts and tickets for possible future reimbursement.

Deadline for application to SURP Main Office: OCTOBER 28TH (1st Term); FEBRUARY 24th (2nd Term)
