Overview
The School of Kinesiology and Health Studies offers a range of Program and Plan options to students in Arts and Science:

The Kinesiology Specialization Plan is a multi-disciplinary, science-based program that focuses on human movement in the applied exercise-science fields of study such as biomechanics, ergonomics, exercise physiology, and physical activity epidemiology. While the Plan is primarily science-based, students also learn about human movement in the context of exercise and sport psychology, health promotion, and the socio-cultural aspects of physical activity. The B.Sc. (Hons.) Kinesiology Plan has been designed to meet the minimum accreditation standards for Kinesiology programs accredited by the Canadian Council of University Physical Education and Kinesiology Administrators (CCUPEKA). Admission to the Kinesiology Specialization Plan, leading to a Bachelor of Science (Honours) degree, is by direct-entry from high school.

The Health Studies Plan is a social science concentration that addresses subject areas bearing on human health. For the public health care system in Canada to function effectively both the social and physical determinants of health at the individual and societal level need to be understood in the context of health education, health policy, community health, and epidemiology. The core competencies of the Plan include health processes (e.g., implementation of programs and policies), health content (e.g., nutrition, sexuality), and supporting knowledge and concepts fundamental to the evaluation of health (e.g., behaviour, lifestyle choices). Major (https://queensu-ca-public.courseleaf.com/arts-science/schools-departments-programs/kinesiology-health-studies/health-studies-major-arts-ba-honours/), Joint Honours (https://queensu-ca-public.courseleaf.com/arts-science/schools-departments-programs/kinesiology-health-studies/health-studies-medial-arts-ba-honours/) and Minor (https://queensu-ca-public.courseleaf.com/arts-science/schools-departments-programs/kinesiology-health-studies/health-studies-general-arts-ba/) Plans in Health Studies are all available, leading to a Bachelor of Arts (Honours) degree, with admission based on first-year standing and grade in the foundational social determinants of health course (HLTH 101).

School Policies
Special Fee for the Outdoor Education Course
In addition to tuition, students registering in KNPE 338 will pay a fee (subject to change) of $400 in order to defray the extraordinary costs involved in offering this outdoor education course. The School will be responsible for providing transportation, accommodation, food, and general equipment for the outdoor education camp school; personal equipment will be provided by the students. Financial penalties apply when these courses are dropped within 30 days of the start date. Consult the School of Kinesiology and Health Studies for details.

Advice to Students
Students in a Health Studies Plan may access KNPE 125, KNPE 225, KNPE 251, KNPE 265, KNPE 335, KNPE 336, KNPE 337, KNPE 338, KNPE 365, KNPE 366 KNPE 400, KNPE 433, KNPE 436 and KNPE 450.

A limited number of seats are available to students in Arts & Science in KNPE 367 with specific Sociology prerequisites. All other KNPE courses are only open to students registered in a Kinesiology Specialization Plan (https://queensu-ca-public.courseleaf.com/arts-science/schools-departments-programs/kinesiology-health-studies/kinesiology-specialization-science-bs-honours/).

Admission
Plans follow the standard Arts and Science admission regulations, normally applying to these Plans at the end of first year.

Admission to the Kinesiology Specialization Plan within the Bachelor of Science (Honours) Program is by direct-entry; students apply from high school directly to the Ontario Universities’ Application Centre for access to this program. Once admitted, the student will be automatically enrolled in the Kinesiology Specialization Plan (https://queensu.ca-public.courseleaf.com/arts-science/schools-departments-programs/kinesiology-health-studies/kinesiology-specialization-science-bs-honours/). Admission to the Physical and Health Education Plan, leading to a Bachelor of Physical and Health Education (Honours) (https://queensu.ca-public.courseleaf.com/arts-science/schools-departments-programs/kinesiology-health-studies/physical-education-specialization-physical-education-bph-honours/) degree is closed, effective September 2017. The program closure will not impact students currently enrolled in the BPHEH program, as they will continue to be able to fulfill all of the degree requirements of the program.

The Bachelor of Science – Kinesiology General Plan (https://queensu.ca-public.courseleaf.com/arts-science/schools-departments-programs/kinesiology-health-studies/kinesiology-general-science-bs/) is a graduation credentials only available to students who are otherwise unable to complete the corresponding Honours Specialization Program/Plan.
