

PROGRAMS

First Year Programs

Bader College's First Year Program (<https://www.queensu.ca/badercollege/academics/first-year-program/>) is a package specifically designed to build on the Castle's strengths.

Available programs are:

- First Year Arts (<https://www.queensu.ca/badercollege/academics/first-year-program/arts/>) (OUAC code: QIA)
- First Year Science (<https://www.queensu.ca/badercollege/academics/first-year-program/science/>) (OUAC code: QIS)
- First Year Health Sciences (<https://www.queensu.ca/badercollege/academics/first-year-program/health-sciences/>) (OUAC code: QIH)
- First Year Concurrent Education (<https://www.queensu.ca/badercollege/academics/first-year-program/con-ed/>) (Arts) (OUAC code: QIB)
- First Year Concurrent Education (<https://www.queensu.ca/badercollege/academics/first-year-program/con-ed/>) (Science) (OUAC code: QIF)

Upper Year Programs

Students who have completed at least one year of university are eligible to study an Upper Year program at Bader College for a term. Bader College offers general Fall, Winter or Summer programs, as well as multiple specialised programs. Full details can be found on our Upper Year Program (<https://www.queensu.ca/badercollege/academics/upper-year-program/>) page.
