CONCURRENT EDUCATION DEGREE REQUIREMENTS

The Concurrent Education program prepares secondary school graduates to become educators (BEd). Candidates complete Education courses concurrently with courses in the Faculty of Arts and Science, leading towards one of the following undergraduate honours degrees:

1. Bachelor of Arts Honours and Bachelor of Education (BA(Hons)/BEd)
2. Bachelor of Fine Art (Honours) and Bachelor of Education (B.F.H./BEd)
3. Bachelor of Music and Bachelor of Education (BMus/BEd)
4. Bachelor of Science Honours and Bachelor of Education (BSc(Hons)/BEd)
5. Bachelor of Science Honours (Kinesiology) and Bachelor of Education (BSc(Hons)KIN/BEd)

The Director of Education Student Services (Faculty Registrar) will inform the Registrar of the Ontario College of Teachers (https://www.oct.ca/) when a teacher candidate has successfully completed the program. Graduating teacher candidates who plan to teach in Ontario must formally register to become members of the College and be awarded the Certificate of Qualification and Registration as a teacher.

Program Components and Format
Candidates will select either the Primary-Junior (JK-Grade 6) or the Intermediate-Senior (Grades 7-12) program option at the end of the first year of the program. Candidates normally devote the entire fourth year to the completion of the Honours BA, BFH, BMus, BSc (including Kinesiology) degree. The Experiences in Education placements in the first two years (5 weeks) will be in a non-traditional education setting. The Introduction to Schools placement in the third year (3 weeks) and 15 weeks in final year will be in an approved Ontario School. Candidates will also complete a 3-week Alternative Practicum.

Program Tracks
Concurrent Education teacher candidates completing the final year of their Arts, Fine Art, Music or Science program may apply to be in one of four program tracks in their fourth year: Indigenous Teacher Education (https://educ.queensu.ca/teacher-education/tracks/itep/), Artist in Community Education (https://educ.queensu.ca/teacher-education/tracks/ace/), Outdoor and Experiential Education (https://educ.queensu.ca/teacher-education/tracks/oe/), and Primary-Junior French as a Second Language (https://educ.queensu.ca/teacher-education/tracks/pjfs/). If a student does not choose to apply to a Program Track, they will choose a concentration (https://www.queensu.ca/academic-calendar/education/course-descriptions/) instead. For information about how to apply to a program track, see the program track pages indicated above.

Teacher candidates who seek advice on course recommendations should obtain a confirmation of that discussion in writing.

Note: Many upper year courses require the prior successful completion of first year or lower level courses. Check the Arts and Science university calendar for details.

3. Have a minimum of a B- average on their best 10 full-year courses or equivalent in half-year courses (60 units at Queen’s).

4. Complete a half-year course in Developmental Psychology; OR a full-year course in Introductory Psychology.

5. Teaching subject requirements as outlined below

Teaching Subject Requirements

Entrance into final year is contingent upon completion of each of the following items. Candidates must complete the requirements for the year in which they entered the program.

2. Teacher candidates must successfully complete 5 full-year courses (30 units) in the first teaching subject (a subject taught in Ontario secondary schools).

3. Teacher candidates must successfully complete 4 full-year courses (24 units) in the second teaching subject (a subject taught in Ontario secondary schools).

4. No more than 1 full-year first-year course will be counted toward either the first or second teaching subject requirement (there are some exceptions, refer to the Teaching Subject Requirement charts below).

5. Teacher candidates must have a B- average in the courses that are being used to meet the teaching subject requirements. That is, teacher candidates must have a B- average in at least 5 full-year courses for their first teaching subject, and must also have a B- average in at least 4 full-year courses for their second teaching subject.

6. Each course taken in preparation of a teaching subject may be used only once towards either teaching subject. “Double counting” is not acceptable.

7. Requirements for Courses Related to Teaching Subjects: Often teacher candidates would like to take courses from a department other than the one that reflects their teaching subject. These types of courses may be “related” to the teaching subject. For example, teacher candidates who select History as a teaching subject may want to take a course from the Classics Department – CLST (that is not listed in the following chart) rather than the Department of History – HIST to count toward their teaching subject. No more than one full-year course will be accepted from an outside department that reflects the teaching subject (this is called a “related” course for the teaching subject); and if a teacher candidate wishes to request that a course be counted as related to the teaching subject and the course is not listed in the following chart, the teacher candidate must request approval PRIOR to taking the course (see section 8).

8. Approval of Any Course for Teaching Subject Requirements:

   a. the teacher candidate must send a written request to their Academic and Career Advisor in Education Student Services (https://educ.queensu.ca/student-services-office/) with the course title, course code, and course description of that ‘related’ course for approval; AND
   b. this request must be approved by Student Services PRIOR to taking the course in order to ensure that the course will count toward the required courses for that teaching subject; AND
   c. the Queen’s Faculty of Education Student Services makes the final decision whether or not a course meets the requirement for that teaching subject. Teacher candidates must have written confirmation PRIOR to taking the course.

You do not need to send an official transcript from Queen’s. We will verify that you graduated from your Arts and Science undergraduate degree.

Some secondary school subjects are not offered through Queen’s Faculty of Education (for example, business, family studies, Spanish, general science, guidance). For more information on curriculum and curriculum subjects, refer to the Ontario Ministry of Education curriculum documents.

- Secondary documents for grades 9-12 (http://www.edu.gov.on.ca/eng/curriculum/secondary/subjects.html)
- Grades 7-8 are found in the elementary curriculum documents (http://www.edu.gov.on.ca/eng/curriculum/elementary/grades.html)

Concurrent Intermediate-Senior Teaching Subject Requirements

The following menus show the required courses that must be taken to meet the final year Education requirements of a teaching subject. Candidates must complete the requirements for the year in which they entered the program.
