Student Affairs

We are here for your success

While a career in medicine is exciting, challenging and rewarding, there are times of exhaustion, disillusionment and stress. Our Student Affairs team is there to support

the personal and professional growth of medical students throughout the four years of medical school at Queen's University by providing advocacy and advice in the areas of Academics, Careers and Wellness.

We want to get to know you and support you. We will have many opportunities to meet through our wellness curriculum but know you can contact us at anytime. If you find yourself wondering about whether to contact us – please do!

For appointments, please contact learnerwellness@queensu.ca, stop by our office in the Undergraduate Medical Office or call our Learner Wellness Assistant, Hayley Morgenstern at 613-533-6000 x78451. We look forward to meeting with you! Our confidential fax # is (613) 533-6389.

Wellness Advising

The Wellness Advisors are available at any time to meet with students in a confidential environment. They provide assistance with any physical, personal or emotional struggles and facilitate access to resources needed. They also advocate for students who are having difficulty, and they promote wellness and resilience throughout the medical school curriculum.
