UNIVERSITY

2023

Impact That Matters

We believe a better future for people and the planet is not only possible – it's our mission. Together we will solve the world's most significant and urgent challenges with intellectual curiosity, passion to achieve, and commitment to collaborate.

Introducing Bader College

Bader College is Queen's University's UK campus located at Herstmonceux Castle in East Sussex. With first-year and upper-year opportunities, students have an unmatched learning experience that prioritizes experiential learning in an intimate classroom setting while living in an engaging, vibrant community.

Opportunity Awaits

A Queen's education can provide unparalleled access to careers and personal development opportunities around the world. Through your studies, you will develop a solid academic foundation that will open doors to exciting opportunities.

Our graduates are working with:

- ACCIONA Infrastructure Canada
- Department of National Defence
- Ontario Power Generation
- Tesla
- Cisco Meraki
- IBM
- WealthSimple
- Hydro One
- Toronto Hydro
- Statistics Canada
- And more

Test Drive Your Career

Gain relevant experience and develop transferable skills through experiential learning, research opportunities, and internships.

Some past internships:

- IT Project Management Intern
- Communications Intern
- Skeletal Observation Laboratory Research Assistant
- Experiential Learning Coordinator Intern
- Engineering and Applied Science Intern
- Mechanical Engineering National Research Council Assistant
- Business Analyst Intern
- Software Developer
- Events and Communications Coordinator
- Environment Intern

Expand Your Network

Meet employers from hundreds of organizations at career fairs and other campus events to discover the current industry and recruitment trends.

- Over 7,300 job board postings in 2021-22 for the General job board and the Queen's Undergraduate Internship Program (QUIP) job board
- Take part in 4 Career Fairs each year
- Explore career options at Employer Information Sessions and Networking Events

Earn and Learn

The average intern salary ranges from \$45k - \$55k.

International Admission Awards

Awards of up to \$100,000 CAD over 4 years are available for international students. International students may also be eligible for Queen's Principal's Scholarships. Please visit our website for a list of qualifying programs and to learn more about Queen's International Admissions Awards and financial aid:

Competitive Averages for Admission Consideration

View Admission
Requirements

The table below corresponds to the minimum average (based on prerequisite courses) that was required for admission consideration for September 2022. **Please Note:** Applicants are admitted on the basis of grades **as well as** supplementary information. Preference is given to applicants with the strongest overall qualifications. Achieving the minimum average does not guarantee admission. Learn more about Supplementary Information: queensu.ca/admission/admission/about-applying/supplementary-information

Programs	High School Percentage Grade	International Baccalaureate	High School GPA (4.3 Scale)	GCE	French Baccalaureat
Faculty of Arts and Science					
Arts (QA)	80+	30	2.7	1 A; 2 Bs	12.5

The minimum admission average is 75% or equivalent however, the actual requirement may be higher than the minimum levels stated. For information about online program requirements, please visit queensu.ca/onlinelearning

*Average is calculated using 4 prerequisite courses

How to Submit Documents

To learn more about how to submit documents such as preliminary and final transcripts, and tests of facility in English, please visit our website:

queensu.ca/admission/about-applying/documents

View Document
Submission Process

English Language Proficiency

Applicants who meet one of the following criteria do not need to submit a test of facility in English:

- completed an IB diploma (completion of SL English B is not sufficient) or
- lived in a country where English is the acknowledged primary language for the most recent three years prior to beginning their university studies or
- attended an education institution full-time where the medium of instruction is English for the most recent three years prior to beginning their university studies

All other applicants must achieve a satisfactory score on one of the tests of facility in English listed below.

Test	Minimum Score(s)
International English Language Testing System (IELTS)	Score of 6.5 on Academic Module with no band below 6.0
Duolingo English Test	Minimum score 110
Test of English as a Foreign Language (TOEFL)	TOEFL Home Edition Overall score of 88 (24 writing, 22 speaking, 22 reading, 20 listening)
Pearson Test of English (PTE Academic)	Overall score of 60
Cambridge English	175, with no component below 170
Canadian Academic English Language Assessment (CAEL)	Overall band of 70 with no band below 60
Queen's School of English	Successful Completion of the QBridge Pathway

Please visit our website for detailed information on English Language Proficiency:
