WELCOME FROM THE PRINCIPAL

On behalf of Queen's University, a warm welcome home to all alumni celebrating a reunion. We are delighted to have alumni returning from all over the world, and are especially pleased to have over 450 members of Queen's Tricolour Guard joining us, including the classes of 1968 celebrating their 50th reunion. Congratulations!

As a fellow alumnus, I hope to see you at many of the exciting events, which have been planned by the tireless efforts of volunteers, staff, faculty, and students. I urge you to plan your weekend's activities around these official events, as our Homecoming tradition has been overshadowed in recent years by unsanctioned street parties and alcohol misuse. These distasteful activities have

led to serious concern, with risks to student and public safety, to overburdening of essential services such as hospitals and the police force, and to the straining of Queen's relationship with the city and community.

I encourage you to learn more about steps being taken to help address ongoing safety concerns, including the University District Safety Initiative, a pilot program targeting high-risk and disruptive behaviours. People who are charged in the University District for certain offences during move-in week, Homecoming weekend, and St. Patrick's Day for any offences under the Nuisance Party Bylaw will be issued a summons to appear in court. Individuals charged will be required to appear before a Justice of the Peace in Kingston, regardless of where they live, and will not have the option to pay their tickets online or by phone.

Since 1926, Homecoming at Queen's has been an opportunity for alumni to reconnect on campus, to engage with students, staff, faculty, and friends, and to celebrate what it means to be a part of an incredible community. I hope that your weekend is full of friends, family, and fun, and that you are active participants in a better Homecoming for everyone.

Sincerely

WELCOME HOME!

On behalf of the Queen's University Alumni Association (QUAA) Board of Directors, I am pleased to extend a congratulations to all alumni celebrating a milestone reunion in 2018. The renowned Queen's spirit is on exciting display this weekend as alumni connect with current students, reminisce with our faculties, schools, and past professors, engage with the Kingston community, and of course, connect with fellow alumni

More than 100 classes and groups are reuniting and taking part in

events planned by staff, faculty, students, and volunteers. I hope you will take advantage of programming like this year's ReUnion Street Festival, parade to the stadium, Homecoming Meet and Greet in Grant Hall Friday and Saturday, faculty receptions, building tours, and more. Read on in the following pages for a full list of activities.

This year, my wife Andrea (Hay) Mosher, Artsci'o8, and our son, Joshua, hope to see you on campus, as Andrea and I celebrate our own 10-year reunion. We are looking forward to contributing to the tireless work that will ensure Homecoming is a safe, inclusive, and respectful tradition. In my view, Homecoming is a tradition that belongs to alumni, and in addition to the partnerships being created to preserve it, we, as alumni, need to do our part so that Homecoming will always stand as a reminder of what it means to be a part of the tricolour family.

Cha Gheill!

OUEEN'S UNIVERSITY ALUMNI ASSOCIATION

DEAR QUEEN'S ALUMNI,

On behalf of Queen's current students, Fàilte Dhachaigh! This Gaelic motto meaning "welcome home" has been adopted by Queen's student volunteers to indicate their respect and sincere words of welcome to alumni returning for Homecoming weekend.

My name is Claire Duffy. I am the current President of the Queen's Student Alumni Association. I am a fifth year Arts and Science student and am proud to call Queen's home. I've been involved with the Queen's Student Alumni

Association (QSAA) for three years now, and am excited for the term ahead. The QSAA team will be hosting professional development workshops and promoting student-alumni interactions through our alumni speaker events. Thanks to a team of 35 dedicated student volunteers, the QSAA is able to deliver programming for all of Queen's students, regardless of academic background or year of study.

The Queen's Student Alumni Association, whose mission is to connect students to their futures as engaged alumni, is thrilled to be a part of Homecoming 2018. I hope you will join us at Grant Hall on Saturday morning from 9 to 11 am to connect with alumni, enjoy some free "Q" donuts and face paint, and get warmed up for the big game!

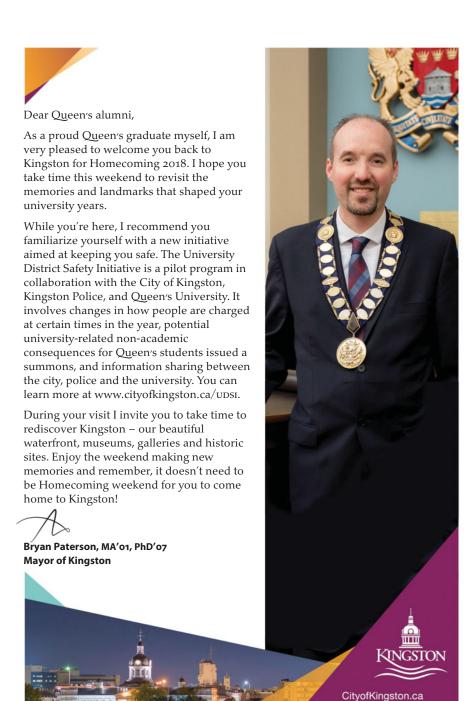

I hope that you will attend some of the other amazing Queen's Homecoming events, such as the football game at Richardson Stadium and the ReUnion Street Festival. As a student, I really value the spirit behind Homecoming and hope that we can protect this event for years to come by being respectful of our campus and our alumni who travel from all around the globe to be a part of this incredible weekend.

Welcome home and enjoy the weekend!

Cha Gheill,

Claire Duffy, Artsci'18 QSAA President

The World Remembers: A century of memories

8 pm – sunrise

Grant Hall Outer Wall Facing Ontario Hall

Remembrance Day 2018, marks the 100th anniversary of the end of WWII, yet, a century on, the memories linger. Leading up to the centenary, Queen's University is participating in The World Remembers, a powerful and timely expression of remembrance and reconciliation

Led by award-winning Canadian actor R.H. Thomson and lighting designer Martin Conboy, the international event features the names of all war dead who were killed in 1918, regardless of which nation they were fighting for. Through the project, all 1,003,167 names of soldiers, nurses, and other military personnel who were killed in 1918 will be projected onto the outer wall of Grant Hall (which was a military hospital in 1918), facing Ontario Hall. Of those names 23,731 are Canadian and 78 were members of the Queen's community. To learn more about Queen's and the First World War, visit the Queen's University Archives website:

https://archives.gueensu.ca/exhibits/gueens-remembers/world-wari#memorials or https://www.theworldremembers.org/

It was nice to see so many current students out and about, and so many of them sporting Queen's gear. It was an overwhelming display of school spirit and community."

85th Anniversary of Student Medical House

8 am - 2 pm

Student Medical House (49 King St. E.)

Student Medical House (Meds House) will be hosting an open house to celebrate its 85th anniversary. Established in 1933, it continues to be a part of Queen's medical students' social lives. You are invited to join one of the tours (held every hour on the hour), learn about the history, and meet some of the current and past members of Meds House.

I was impressed with the respect and honour so many students showed to us alumni as we walked the campus during the weekend. We were welcomed, politely questioned and easily engaged in conversation on numerous occasions. Students volunteered to take photos of us at various times and made us feel quite at home."

SATURDAY, OCTOBER 20

Visiting Queen's and Kingston bring back so many wonderful memories. My years at Queen's were like no other time in my life and for a brief period over Homecoming weekend, I'm made to feel like I really belong to an amazing club."

The World Remembers: A century of memories

8 pm – sunrise

Grant Hall Outer Wall Facing Ontario Hall

Remembrance Day 2018, marks the 100th anniversary of the end of WWII, yet, a century on, the memories linger. Leading up to the centenary, Queen's University is participating in The World Remembers, a powerful and timely expression of remembrance and reconciliation.

Led by award-winning Canadian actor R.H. Thomson and lighting designer Martin Conboy, the international event features the names of all war dead who were killed in 1918, regardless of which nation they were fighting for. Through the project, all 1,003,167 names of soldiers, nurses, and other military personnel who were killed in 1918 will be projected onto the outer wall of Grant Hall (which was a military hospital in 1918), facing Ontario Hall. Of those names 23,731 are Canadian and 78 were members of the Queen's community. To learn more about Queen's and the First World War, visit the Queen's University Archives website:

https://archives.queensu.ca/exhibits/queens-remembers/world-wari#memorials or https://www.theworldremembers.org/

The pleasure of connecting with classmates, some of whom I had not seen for 40 years, exchanging stories about our lives and a heartfelt realization of how our experience at Queen's changed our lives both from the academic point of view, but also from the social point of view. I never tired of walking around the campus, even with the considerable changes in the last 40 years - it is still unmistakably Queen's. I felt young again."

LOST AND FOUND

Found items can be brought to Grant Hall (43 University Ave) during the Homecoming Meet and Greet events (Friday 1 – 6 pm, Saturday 8:30 am – 1 pm). Outside these hours, please contact Campus Security's non-emergency line at 613-533-6733.

The school looks great. The students and alumni all appeared to be having a great time. I met up with people I had not seen in many years, which was surprising and interesting. I was also there with my wife (Queen's grad) and both of my children, one of whom goes to Queen's and having fun with them and all our friends was excellent!"
