The Roman writer Cicero (106–43 B.C.) observed of Athens that “wherever you set your foot, you encounter some memory of the past.” Here, in the cradle of Western civilization, glorious 14th- to 15th-century Orthodox monasteries were built atop the towering sandstone cliffs of Meteora; St. John the Apostle is believed to have penned the Book of Revelation on Pátmos; and the legend of the lost paradise city of Atlantis lives on in Santorini. Experience the islands of Classical mythology, and imagine Odysseus seeking redemption in the Underworld or Orpheus retrieving his lost love. Visit the evocative archaeological sites, the Sacred Way and Akrotiri. Enjoy exclusive, local Cultural Enrichments, including an ISLAND LIFE® Forum with Patmians who will share their candid perspectives about life today, a folklore show and an authentic baklava culinary demonstration.
Athens, Greece
Birthplace of democracy, home to many of history’s greatest philosophers and poets from Socrates to Herodotus, Athens is unmatched in its contributions to early Western civilization.

Meteora
From the attractive port city of Volos, birthplace of legendary Argonaut Jason, travel across the fertile Plain of Thessaly to the seldom-visited natural wonder of Meteora—Greek for “suspended in the air”—an extraordinary enigma of virtually uncharted 14th- and 15th-century Orthodox monasteries. This breathtaking UNESCO World Heritage site is perched dramatically atop soaring natural sandstone pillars, a staggering 396 metres above the valley floor. The early Christian traditions of these monasteries have continued uninterrupted for hundreds of years. Visit two of the six active monasteries, originally accessed by precarious use of long ladders and baskets suspended on ropes; today, a modern road to the top offers impossibly majestic sights overlooking verdant Peneas Valley.

Delos
The mythical birthplace of Apollo and Artemis, Delos today is a UNESCO World Heritage site. It is considered one of the most sacred islands in the Greek world, as central to Grecian spiritual life as Olympia and Delphi. Walk along the Sacred Way to the Sanctuary of Apollo, an incredible spectacularrly rich archaeological site with remains of three separate temples from the fifth and sixth centuries B.C. Delos’ awe-inspiring ruins also showcase an entire district of Hellenistic and Roman-era houses and a 5500-seat theatre (300 B.C.), the site of choral competitions during the Delian panegyris or the ancient quadrennial festival honouring Apollo.

See the legendary Terrace of the Lions, dedicated to Apollo, where the stately hand-carved marble statues guarded the island for nearly 2600 years (the original lions are in the Delos Archaeological Museum).

Mykonos
According to ancient legend, the craggy hills and clefts of Mykonos were formed from the petrified bodies of giants defeated by Hercules. Today, Mykonos’ iconic windmills, bright white, cube-shaped houses and azure bays epitomize the striking beauty of the Greek Isles.

Visit Mykonos’ classic round windmills, once used to mill wheat on the island between the 17th and 19th centuries.
Cultural Enrichment: Enjoy an afternoon at leisure to explore Mykonos’ quaint, narrow streets lined with whitewashed houses and boutiques, or sip ouzo harbourside in Mykonos’ beautiful Little Venice.

Pátmos
The small island of Pátmos and its Greek Orthodox Monastery of St. John, a UNESCO World Heritage site, loom large in the history of Christianity. Tour the monastery, built in 1088 and still occupied by monks who continue to preserve it as a pilgrimage site and place of religious study. See the Cave of the Apocalypse, where St. John the Apostle of Ephesus most likely wrote the Book of Revelation in A.D. 95.

Cultural Enrichments:
Meet and engage with local residents who will discuss contemporary daily life on their ancient islands during the specially arranged Island Life® Forum. Enjoy a delicious culinary demonstration by the ship’s pastry chef.

Rhodes
The island of Rhodes has been one of the most prosperous and strategic strongholds in the eastern Mediterranean since the Neolithic Period. Dock at the fortified wall of Rhodes Town, a UNESCO World Heritage site, and step into this strikingly well-preserved medieval city, built over a great Hellenistic metropolis and a major Christian outpost during the Crusades. Visit the splendid 14th-century Palace of the Grand Masters, built by the Knights of St. John and one of the only examples of Gothic architecture in all of Greece.

Cultural Enrichments:
Join the excursion to the ancient village of Lindos. See the magnificent frescoes adorning the Byzantine-style Church of Panagia and ascend the stone stairs to the clifftop Acropolis for breathtaking views of the medieval Castle of the Knights of St. John. Or, enjoy an afternoon at leisure in Rhodes Town to further explore its rich history and charming streets.

Delight in a traditional folklore performance on board the ship.

Santorini for Akrotiri
Be on deck as the ship cruises into the alluring port of Santorini, a natural caldera, beneath which some believe to be the legendary lost city of Atlantis. By cable car, ascend to the elevated town of Fira, where stunning white-walled buildings stand in stark contrast against the dark volcanic cliffs.

Cultural Enrichments:
Tour the phenomenal Bronze Age ruins of Akrotiri. Held intact by layers of pumice and ash for over 3500 years, Akrotiri’s streets reveal the architectural sophistication and advanced culture of its Minoan inhabitants. Visit the Museum of Prehistoric Thera, which exhibits findings from Akrotiri.

Nafplion for Mycenae and Epidaurus
Cruise to the Peloponnese peninsula, known for its tremendous literary import and treasured antiquities. Mycenae is bountiful in allusions to the age of Agamemnon, from its secret passages to Cyclopean walls.

Cultural Enrichments:
Tour two UNESCO World Heritage highlights—the ancient citadel of Mycenae, the classical stage of Homer’s The Iliad; and Epidaurus, an equally iconic Hellenic site.

In Epidaurus, visit the ancient Sanctuary of Asklepios, where the ruins bear testimony to Greco-Roman natural healing and medicinal knowledge. The theatre is renowned for its nearly perfect acoustics to this day.
Introducing the extraordinary Blue Eye, the world’s first multisensory, underwater Observation Lounge. View the beauty of marine life through the large, subaquatic windows and integrated digital screens providing live images from underwater cameras, and enjoy the sensory experience of listening to the ocean’s unique underwater universe in the comfort of the exclusive Blue Eye Lounge. Marine life viewing varies by location.

Luxury Small Ship, Innovative Design
Le Bougainville, launching in 2019, ushers in a new generation of Five-Star small ships, combining revolutionary design and a new standard of luxury for unparalleled cruising. Dock in smaller ports inaccessible to larger ships and where authentic cultural experiences and majestic scenery await you.

Respect for the Environment
The newest addition to the Ponant “clean ship” fleet, an important environmental certification among ocean-cruising vessels, Le Bougainville is energy efficient and eco-friendly, protecting fragile marine ecosystems while providing a safe and comfortable voyage.

Chic and Casual Dining
Dine indoors or alfresco on international and regional cuisine served in the stylish, spacious indoor-outdoor restaurant, at the casual pool deck grill or from 24-hour room service. Daily meals include continental and buffet breakfasts, buffet lunch, afternoon tea and four-course dinner.

92 Elegant Suites and Staterooms, 100% with Private Balconies
Each Five-Star Stateroom and Suite (up to 45 square metres) features a private balcony. Grand Deluxe Suites have a bay window and spacious private terrace. Accommodations offer two twin beds or one queen bed, private bathroom with shower, individual climate control and luxurious hotel amenities.

Life on Board

Relax in the spa and sauna or the Sun Deck’s infinity-style swimming pool. There is a beauty salon, fitness room and there are three elevators. Complimentary Wi-Fi is available throughout the ship.
