# Faculty of Arts and Science Strategic Plan Student Consultation

---

Centered around 4 questions:

1. Imagine it is 2024 and the Faculty of Arts and Science has been successful. What does success look like?
2. What do you see as the top five priorities for the Faculty of Arts and Science to ensure the Faculty achieves success and why?
3. What are the most significant challenges and risks at present in our environment?
4. What do you most value about the current learning experience? What is working and what should we enhance?

# Faculty of Arts and Science Strategic Plan Opportunities for input

---

We want to hear from you:

1. Attend an in-person consultation session this Friday, November 16th
2. Respond online
3. Provide input to the ASUS written submission
4. Prepare and submit a written submission on behalf of your department

To learn more, register for in-person consultation sessions, or access our online submission form:
