**2020-2021 Second Degree**

The Faculty of Arts and Science welcomes external applicants to the Second Degree for a summer and fall term start (Queen’s student may be considered for a winter term start in addition to summer and fall term).

Students may apply for a 3-year degree (BA, BCMP, BSc) or a 4-year Honours Degree (BAH, BCMPH, BScH). As noted in the chart below in blue, six 3-year degrees are offered solely online through Arts and Science Online.

For some degree plans, Queen’s student may apply with lower Cumulative GPA requirements. Please contact Arts and Science if you are a Queen’s student and wish to inquire about requirements (asc.transfer@queensu.ca).
