

Contact List of Support Services for Distance Students at Queen's University

Academic Advising

David Youssef
613-533-3322 | cds@queensu.ca

- David is an academic advisor for distance students and is your first point-of-contact for help with course planning, questions about your online programs, and any issues/concerns you may have during your studies at Queen's. Contact the CDS office to book an advising appointment with David.

Disability Services & Accommodations

www.queensu.ca/hcnds/ds
613-533-6467 | dso@queensu.ca

- Queen's is committed to providing full accessibility for persons with disabilities. This includes arranging academic accommodations for students with disabilities. If you are a student with a disability and think you may need accommodations, please contact the Disability Services Office and register as early as possible.

Centre for Teaching and Learning

www.queensu.ca/ctl/index.html
613-533-6428 | ctl@queensu.ca

- CTL offers a wide array of programs and services that are designed to meet the teaching and learning needs of students, post-doctoral fellows, staff, and faculty members.

Student Academic Success Services

<http://sass.queensu.ca>
613-533-6315 | academic.success@queensu.ca

- SASS offers academic support to students who wish to develop their skills in critical thinking, reading, learning, studying, writing, and self-management. One-on-one phone appointments available for distance students with dedicated professionals and trained peers.

Writing Centre

<http://sass.queensu.ca/writingcentre>
613-533-6315 | writing@queensu.ca

- The Writing Centre works with writers at all levels of proficiency, at any stage of the writing process, on any type of academic writing – essays, reports, labs and more. They offer free one-on-one phone appointments for distance students to help you improve your writing skills.

Learning Strategies

<http://sass.queensu.ca/learningstrategies>
613-533-6315 | learning.strategies@queensu.ca

- Online resources and free one-on-one phone consultations for distance students available to help you with: managing your time, increasing motivation, limiting procrastination, reading from texts efficiently and effectively, coping with academic stress, and presentation skills.
