CASTLES

The local area boasts lots of castles. Some are just a few battered walls, others have proper interiors. Please note: not all are open year round, so check in advance of your visit.

Here’s a list – look at the websites, visit and then tick them off your bucket list!

These can be seen on scheduled minibus trips:

- Hastings - [http://www.smugglersadventure.co.uk/](http://www.smugglersadventure.co.uk/)

These would need a trip organised by Student Services as they’re a bit further away.

Who do I ask if I want a special trip?
