

Application form

Nora Isthmos Project / CLST 408/CLAS 808 Archaeology Practicum I

Name	
-------------	--

Student number		e-mail	
-----------------------	--	---------------	--

GPA		University		Citizenship	
------------	--	-------------------	--	--------------------	--

I am applying as a:

- Regular student (Credit option)
- Volunteer (non-Credit option)

Please note: participants taking the credit option through Queen's will pay the same tuition as Queen's students. There is a substantial difference in tuition amount between domestic and international students. Non-Canadian students attending Canadian universities are considered international students; Canadian students studying abroad are considered domestic students.

Study Plan – are you a Classics concentrator (Major, Joint Honors, Minor, General)? If not, what is your concentration?

(Non-Queen's students: use the terms which are current at your home university)

--

Academic background: list all courses of archaeology, ancient history, and any other relevant courses you have taken so far

(Non-Queen's students: please list other relevant courses you have taken at your home university)

--

Do you have any previous experience of field archaeology? If yes, please explain

Explain how this course would be important to your present and future student career:

Do you have any background, skill or experience that would be useful on an archaeological excavation?

Do you have any health conditions, allergies, special needs, dietary restrictions etc.? If yes, please explain.

What is your COVID-19 vaccine status? This is important information for international travel. Please also add if you are vaccinated against Tetanus.

Non-Queen's students: please provide the name and email address of an academic reference, typically a professor at your home institution
