## The Alexander and Ian Vorres Hellenic Travel Bursary – Application

The families of the late Alexander and Ian Vorres, and the donors to the Fund, have given generously of their time and/or money to establish and maintain this Fund. As such, it is critical that these relationships are respected, valued and nurtured; one way to do so is for recipients to show their appreciation through contacting museum spokesperson Helen Korakianiti and **going to visit the [Vorres Museum in Athens, while in Greece](#)**. The Museum has strong ties to Canada, and Mr. Vorres also wished to maintain the strong ties between Queen's and the Vorres Museum; as such, members of the Queen's family are very welcome there.

**\*\* If you receive any of these funds, you will be required to present your paper and/or do a presentation about your experience afterwards.**
