

Biosciences Complex: Room 1102

Additional Photos:

Image Description: Entryway door to Biosciences complex, room 1102. There are two sets of double doors with handles that pull to open. Both doors can be opened by pressing the automatic door opener beside the entrance.

Image Description: View of the classroom from the instructor's podium. Rows of seating are tiered, and each seat had a tablet arm. The entryway door is located at the rear of the room. This classroom is accessible for instructors.

Image Description: View of the classroom from a student seat at the rear of the room. Instructor's podium is located at the front of the room. A whiteboard is located on the right wall, close to the instructor's podium. There are three video walls at the front of the room. This classroom is accessible for students.

Image Description: Top down view of the podium. This podium is equipped with a set of microphones, a document camera, lecture capture and wireless presentation. The podium is height adjustable.

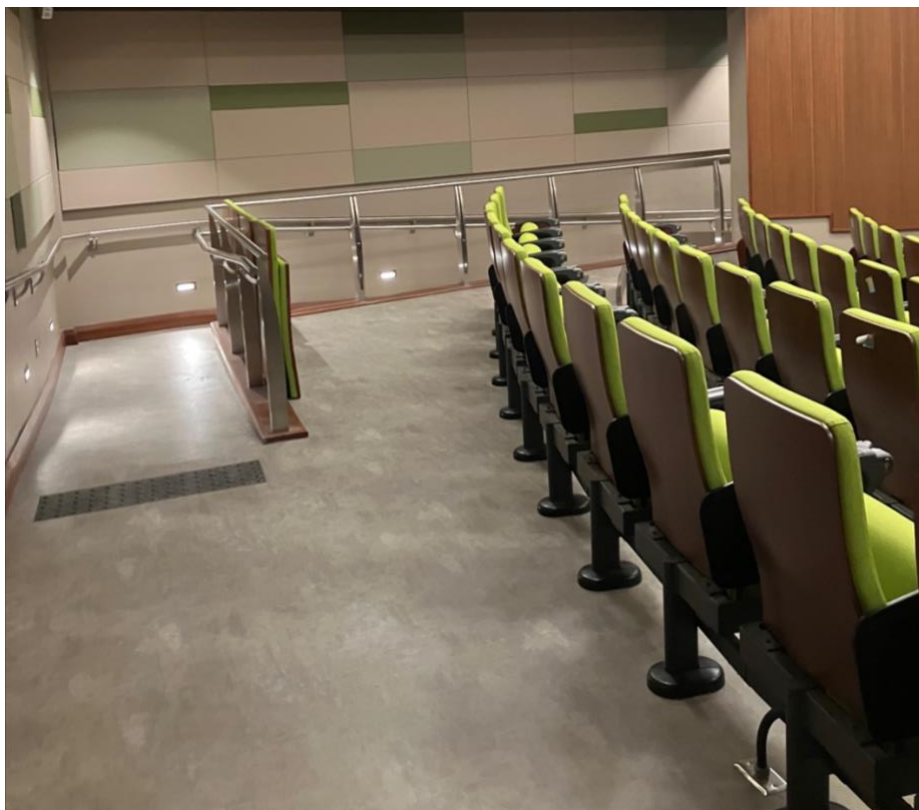

Image Description: At the rear of the room there is an accessible ramp to reach the front of the room.

For more information about accessibility on campus, please refer to the [Accessibility Hub](#) or the [Facilities Building Directory](#).
