

Welcome!

We would like to take this opportunity to formally welcome you to the Queen's-McGill Emerging Scholars Workshop on Migration, Integration, and Democratic Participation.

This event is designed to create a space for thoughtful critique and encouragement during the early stages of our academic careers. Our hope is to continue to expand this network of support and creativity as we advance in our careers.

We hope that you find the next two days intellectually challenging and inspiring.

Jessica Merolli
Sara Pavan
Colin Scott
