

## **Kilian Nasung Atuoye (PhD)**

### **EDUCATION**

---

2019	PhD	Health Geography with Global Health, University of Western Ontario, Canada
2015	MA	Health Geography, University of Western Ontario, Canada
2013	MPhil.	Development Studies, University for Development Studies, Ghana
2005	BA	Geography, University of Ghana, Ghana

### **ACADEMIC APPOINTMENTS**

---

2022 –	Assistant Professor, Department of Global Development Studies, Queen’s University, Canada
2019 – 2021	Postdoctoral Fellow and Instructor, Department of Geography, Geomatics and Environment, University of Toronto-Mississauga, Canada
2018	Instructor, Department of Geography and Environment, University of Western Ontario
2016 – 2017	Research Associate, Department of Geography, University of Dar es Salaam, Tanzania
2014 – 2019	Research Assistant, Department of Geography and Environment, University of Western Ontario, Canada

### **PROFESSIONAL APPOINTMENTS**

---

2012	Lead consultant: community mobilisation for women’s dry season gardening. Project implemented by OXFAM GB, Ghana
2012	Lead consultant: strengthening the participation of retired education managers in ‘volunteerism for education management’ initiatives. Project implemented by Voluntary Services Overseas, Ghana
2011	Lead consultant: capacity building of community health insurance agents to improve community participation in Ghana’s National Health Insurance. Implemented by Ghana National Health Insurance and SNV-Netherlands Development Organization, Ghana
2011	Consultant: mobilizing NGOs in education in northern Ghana for collaboration and collective action in advocating for quality basic education. Implemented by SNV-Netherlands Development Organization, Ghana

- 2010 – 2011 Project Officer: Tackling Education Needs Inclusively. Implemented by Voluntary Services Overseas and Pronet North, Ghana
- 2009 – 2010 Programs Manager, Centre for Community Participation and Development, Ghana
- 2009 Consultant: capacity building of community health nurses and officers on participatory community engagement for effective CHPS implementation. Implemented by the Japanese International Cooperation Agency (JICA), Ghana
- 2007 – 2009 Project Coordination: Community mobilisation in the pilot phase of Ghana's Community based Health Planning and Services (CHPS). Implemented by Ghana Health Services and JICA, Ghana
- 2005 – 2007 Community Facilitator, Government Accountability Improves Trust II Program, Ghana (*Health and health project*), Ghana

## TEACHING EXPERIENCE

---

### I. Course Instructor

- 2022 HLTC27H3 – *Community Health and Epidemiology*, Department of Health and Society, University of Toronto – Scarborough, Canada
- AFR459H1S – *Advanced Topics in African Studies: Climate Change, Food Security and Sustainability in Africa*, African Studies, New College, University of Toronto – St. George, Canada
- 2020 GGR 333H5 – *Energy and Society*, Department of Geography, Geomatics and Environment, University of Toronto – Mississauga, Canada
- 2018 GEOG 2060B – *World Cities*, Department of Geography and Environment, University of Western Ontario, Canada

### II. Teaching Assistant (Department of Geography and Environment, UWO)

- Fall 2019 GEOG 2014A: Geography of China.
- Winter 2019 GEOG 3432B: Environmental Hazards and Human Health.
- Fall 2018 GEOG 2030A: Geography South of the Sahara.
- Fall 2017 GEOG 3465F: Urban Economic Development.
- Winter 2017 GEOG 2144: Geography of Tourism
- Fall 2016 GEOG 2144: Geography of Tourism
- Winter 2016 GEOG 2030B: Geography South of the Sahara

Fall 2015      GEOG 2144: Geography of Tourism  
 Winter 2015    GEOG 1100: Fundamentals of Geography  
 Fall 2014      GEOG 1100: Fundamentals of Geography

### III. Invited Lectures and Seminars

February 2022      Health impacts of large-scale land acquisitions in coastal Tanzania  
  
**Year 3 Undergraduate Course** – *HLTH 397: Globalization and Black Health*, School of Kinesiology and Health Studies, Queen’s University, Kingston, Canada.

March 2021      Examining conjunctural vulnerabilities in the impact of large-scale land acquisitions on food security in coastal Tanzania.  
  
**Year 3 Undergraduate Course** – *WS 2165B: Gender, climate change, and migration*, Department of Gender, Sexuality, and Women’s Studies, UWO.

September 2019    Vanishing therapeutic spaces in times of large-scale land acquisitions: implications for individual and community health in sub-Saharan Africa  
  
**Year 3 Undergraduate Course** – *GEOG 3432B: Environmental Hazards and Human Health*, Department of Geography and Environment, UWO.

October 2018      Advancing universal health converge through community health programs in sub-Saharan Africa.  
  
**Graduate Course** – *9010A: Foundations-Case Studies, Global Health Systems in Africa*, Collaborative Program, School of Graduate and Post-Doctoral Studies, UWO.

November 2017    Messy capitation policymaking in Ghana’s Universal Health Insurance.  
  
**Graduate Course** – *GEOG 9107: Environment and Health*, Department of Geography and Environment, UWO.

October 2017      The impact of large-scale land acquisition on wellbeing in local communities.  
  
**Year 2 Undergraduate Course** – *GEOG 2030B: Geography south of the Sahara*, Department of Geography and Environment, UWO.

March 2015      How do you know you reached the right number in health research in sub-Saharan Africa?

**Graduate Course – 9021B: *Qualitative Research Methods*, Sociology and Geography Departments, UWO.**

February 2015      The complicated relationship between livelihood diversification and food security in a challenged ecology: Evidence from northern Ghana.

**Year 2 Undergraduate Course – GEOG 2030B: *Geography south of the Sahara*, Department of Geography and Environment, UWO.**

### **STUDENT MENTORING AND SUPERVISION**

---

- 2022 –              Supervising an undergraduate student working on immigrants’ access to chronic health services in Canada, Sweden, Germany and US. Department of Health Studies, University of Toronto – Scarborough
- 2020 – 2021      Mentored a Masters Thesis on perception and utilisation of traditional medicine in managing chronic conditions in Ghana. Department of Geography, Geomatics and Environment, University of Toronto – Mississauga
- 2019                Mentored research assistants in Western University’s Global Health Systems in Africa program to undertake research on food security and maternal healthcare services in the African contexts

### **GRANTS, AWARDS AND HONORS**

---

- 2019 – 2021      Provost’s Postdoctoral Fellowship (for black and people of colour), University of Toronto (CAD 140,000)
- 2018 – 2019      Ontario Graduate Scholarship, Western University (CAD 15,000)
- 2017                Michael J. Troughton Award for research in environmental sustainability - Geography Department, Western University (CAD 1,500)
- 2016                Queen Elizabeth II-Diamond Jubilee Award (CAD 5,000)
- 2016 – 2019      Western Graduate Research Scholarship (CAD 128,000)
- 2015 – 2018      Society of Graduate Students Conference Travel Grant (CAD 1,500)
- 2014 – 2015      Western Graduate Research Scholarship (CAD 54,000)
- 2011 – 2013      Partnering for Inclusive education in northern Ghana Project, funded by STAR-Ghana (US\$ 200,000)
- 2012                Canadian Bureau for International Education/Department of Foreign Affairs and International Trade (CBIE/DFAIT) Scholarship at Western University (CAD 7,500)

2008 – 2009 Community mobilisation and peer education for HIV prevention in the Upper West Region of Ghana, funded by the Global Fund through Ghana AIDS Commission (US\$ 20,000)

### **INTERDISCIPLINARY RESEARCH PROJECT EXPERIENCE**

---

- 2020 – 2021 Co-PI. Climate change and maternal health services in Ghana and Tanzania. Supported by University Toronto Provost's Postdoctoral Program. Co-PI: Dr. Vincent Kuuire
- 2020 – 2021 Co-PI. Interaction of residential history and neighborhood environmental factors in NCD risk in Tanzania. Supported by University Toronto Provost's Postdoctoral Program. Co-PI: Dr. Vincent Kuuire
- 2020 – 2021 Research Associate. Changing neighborhoods and disease multi-morbidity in urban Ghana. Supported by University Toronto Provost's Postdoctoral Program. PI: Dr. Vincent Kuuire
- 2016 – 2019 Co-I: Large scale land acquisitions, food security and health in coastal Tanzania. Funded by the MCRI/SSHRC and supported by Queen Elizabeth II Diamond Jubilee Scholarship
- 2016 – 2017 Research Assistant: Perceptions and risks of Hepatitis B in the Upper West Region of Ghana: implication for health policy. PI: Dr. Isaac Luginaah, Co-I: Florence Wullo. Funded by Dr. Luginaah's Canada Research Chair grants
- 2015 – 2016 Research Assistant: The impact of Ghana's Community based Health Planning and Services on maternal and community health in rural Ghana. PI: Dr. Isaac Luginaah. Co-I: Joseph Braimah. Funded by Dr. Luginaah's Canada Research Chair grants
- 2014 – 2015 Research Assistant: Food security, migration and health in the Upper West Region of Ghana. Co-PI: Dr. Isaac Luginaah. Funded by Dr. Luginaah's Canada Research Chair grants
- 2014 Research Associate: Leveraging community volunteer teacher initiatives for inclusive education in Ghana. Implemented by Associates for Change with funding from Comic Relief – UK
- 2012 – 2013 PI: Policy and practice of inclusive education in Ghana: lessons from of local level interventions in the Upper West Region of Ghana. Supported by CBIE/DFAIT
- 2011 – 2013 Co-I: Partnering for inclusive education in Northern Ghana. PI: Martin Dery. Funding by STAR-Ghana
- 2009 – 2011 Research Associate: Tackling Education Needs Inclusively. Implemented by Voluntary Services Overseer – UK. Funded by COMIC Relief (UK)

2007 – 2009 Research Associate: Community mobilisation in Ghana’s Community based Health Planning and Services implemented by Ghana Health Services and the Japanese International Cooperation Agency (JICA). Funded by JICA
