

TEACHING POSITION AVAILABLE – 25/26
ENSC 103 – Environment and Sustainability
School of Environmental Studies
Queen's University, Kingston, ON CAN K7L 3N6

The School of Environmental Studies at Queen's University invites applications from suitably qualified candidates interested in teaching Environment and Sustainability (ENSC 103). This is an in-person teaching, introductory course with an expected enrolment of 240 students. Candidates should have a MA., MSc. or PhD, and teaching experience at the university level in environmental studies or science, sustainability studies or science, or a closely related field. This is a fall term appointment for the period September 1, 2025, to **December 31, 2025**, with classes in session from September 2, 2025, to December 2, 2025.

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous people, women, persons with disabilities, and 2SLGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. Please indicate in your application if you have a valid legal work status in Canada. Applications from all qualified candidates will be considered in the applicant pool. In order to support your employment at Queen's, we require you to indicate whether or not you will need a work permit.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during this process, please contact Dr. Ryan Danby, Director, School of Environmental Studies, at envst@queensu.ca

The academic staff at Queen's University are governed by the *Collective Agreement* between the Queen's University Faculty Association (QUFA) and the University, which is posted at [Collective Agreements/LoU's/MoA's](#).

Applications should include a cover letter (which includes a statement on valid legal work status in Canada as described above) a complete and current curriculum vitae, letters of reference from two (2) referees, and any other relevant materials the candidate wishes to submit for consideration such as a teaching dossier, etc. Applicants are encouraged to send all documents in their application packages electronically as PDFs to **Dr. Ryan Danby, Director, School of Environmental Studies**, at envst@queensu.ca.

Applications will be received until June 15, 2025. Applications will be considered after this date if the position remains unfilled. The final appointment is subject to budgetary approval. Additional information about the School of Environmental Studies can be found at <http://www.queensu.ca/ensc>

Course Description:

ENSC 103 [Environment and Sustainability](#) Units: 3.00

An interdisciplinary approach to complex environmental issues, and diverse perspectives on environmental management and sustainability. The course considers the social and scientific aspects of environmental problems and the production of environmental knowledge alongside global linkages, human health implications and barriers to sustainability.
