Suzanne Lambert  
Management Planning Coordinator, Georgian Bay & Ontario East Field Unit, Parks Canada  

“An overview of Park Management Planning at Thousand Islands National Park of Canada”  

Parks Canada has a well-developed and evolving park management planning process. Please join Leslie and Suzanne as they provide an overview of the planning process at Parks Canada and its application in a local National Park. A new Park Management Plan has recently been drafted for Thousand Islands National Park and is open for public comment. The seminar will cover items such as; the overall goal of a management plan, the steps to its creation, and efforts of staff to engage the Canadian public in the Park’s care for current and future generations.
