Upgrading your 3 Minute Thesis (3MT) presentation workshop (for participants only)

Host: Learning Strategies/ SGS/ past participants

Using a series of practical exercises including critiquing videos of previous 3MT participants, this workshop will help those who may participate in the 3 Minute Thesis competition at Queen’s. Ideas for an initial draft will be crafted during the workshop.

Learning Outcomes

- Participating in this workshop will enable the student to
- Critically evaluate previous 3MT presentations
- Learn one method of planning the presentation and slide
- Learn strategies for how to manage common experiences such as going blank, ESL issues, speaking too quickly
- Receive feedback from another student on the initial draft, especially focussed on general “understandability” of the research
