

**Queen's University, School of Medicine, Hotel Dieu Hospital
Department of Ophthalmology
Kingston, Ontario, Canada**

Cornea and Anterior Segment Disease Specialist

Applications are invited for the position of Cornea and Anterior Segment Disease Specialist. Candidates must be eligible for licensure with the College of Physicians and Surgeons of Ontario.

Preference will be given to those candidates who hold Royal College of Physicians and Surgeons of Canada certification in Ophthalmology and have completed subspecialty training in corneal surgery and management of anterior segment disease.

The incumbent will be involved in a teaching program in Ophthalmology and must have a proven record of excellence in teaching within an academic environment and a proven aptitude for innovative teaching. Evidence of a demonstrated aptitude for teaching courses at the Postgraduate level is preferred.

Preference will be given to individuals having an emerging research focus. Evidence of an ability to work in an interdisciplinary, collaborative environment is essential. The successful candidate will have Fellowship training in a reputable University-based program focused on the medical and surgical management of corneal disease.

To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens/permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: I am a Canadian citizen/permanent resident of Canada; OR, I am not a Canadian citizen/permanent resident of Canada. Applications that do not include this information will be deemed incomplete.

A complete application, which consists of: a cover letter, (including one of the two statements regarding Canadian citizenship/permanent resident status specified in the previous paragraph), curriculum vitae and names and contact information of three referees, should be directed to: Dr. Martin ten Hove, Head, Department of Ophthalmology, Queen's University, Hotel Dieu Hospital, 166 Brock Street, Kingston, Ontario, Canada K7L 5G2. Review of applications will commence October 1, 2016, and continue until the position is filled.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact Maggie Black (blackm@queensu.ca).

The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.
