

**Locum General Pediatrician  
Queen's University, Department of Pediatrics**

The Department of Pediatrics in the Faculty of Health Sciences at Queen's University invites applications for a general pediatrician for a period up to a 12-month period. Preference will be given to applicants who are Royal College or American Board certified in general pediatrics, however, applicants with equivalent training may be considered. Eligibility for licensure with the College of Physicians and Surgeons of Ontario is required.

Clinical duties will include shared on-call coverage of the inpatient pediatric ward and the Pediatric Urgent Care Centre. Additional duties may include support of various outpatient consulting clinics.

Letters of application accompanied by a curriculum vitae and the names and contact information (including email contact) for three referees should be directed to:

Dr. Robert Connelly, Head
