

**Queen's University
Department of Family Medicine
Academic Family Physician**

The Department of Family Medicine (DFM) seeks an academic family physician for the following role:

One (1) Hospitalist

The preferred candidate will have a combination of academic and clinical experience.

The preferred candidate will have their clinical responsibilities based within Providence Care's Complex Medical Program. However, accountability would fall under the DFM's Hospitalist Medicine Division. The preferred candidate will continue to strengthen DFM's existing collaboration with Providence Care.

The preferred candidate will work as a part of a team of hospitalists providing care in the complex continuing care, rehabilitation, and mental health units, and provide call coverage with the goal of achieving one call schedule for all members providing hospitalist medicine at Providence Care Hospital.

Among their academic responsibilities, the preferred candidate will undertake family medicine-based hospital medicine research. The preferred candidate will also assume educational duties that realize DFM's SEAMO deliverables. This duty may include pursuing education and curriculum development opportunities for residents interested in hospitalist medicine, as well as undergraduate medical education opportunities.

Applicants must be eligible for licensure with the College of Physicians and Surgeons of Ontario on or before the appointment start date, and preference will be given to applicants who have current, valid certification (or equivalent) in family medicine from the College of Family Physicians of Canada.

The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, racialized/visible minorities, Indigenous/Aboriginal peoples, persons with disabilities, and LGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: "I am a Canadian citizen / permanent resident of Canada"; OR, "I am not a Canadian citizen / permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact: Laura Kennedy, Department of Family Medicine, 115 Clarence Street, Kingston, Ontario Tel: (613) 533-9300 x. 73007 or by email at laura.kennedy@dfm.queensu.ca.

Review of applications will continue until the position is filled. Applicants are asked to send a curriculum vitae, the names and contact information of three (3) referees, and a letter outlining how current qualifications and experience match our requirements to:
