DEPARTMENT OF PHYSICAL MEDICINE & REHABILITATION

The Department of Physical Medicine & Rehabilitation is seeking a family or internal medicine physician for a part-time position, as a hospitalist on the inpatient rehabilitation ward at Providence Care Hospital. Funding for this appointment is provided through Southeastern Ontario Academic Medical Association (SEAMO).

The position offers an opportunity to become a member of the interdisciplinary teams which provide medical care and rehabilitation services to patients recovering from acquired brain injury, spinal cord injury and a variety of musculoskeletal conditions, in association with attending GFT physiatrists, house staff, nursing and rehabilitation team members. The successful candidate must be eligible for licensure with the College of Physicians and Surgeons of Ontario and have current valid certification from the College of Family Physicians of Canada. Candidates must demonstrate evidence of an ability to work in an interdisciplinary, collaborative work environment.

The Queen’s University Department of Physical Medicine & Rehabilitation provides local and regional clinical rehabilitation programs (outpatient and inpatient), undergraduate Health Sciences training, Royal College of Physicians and Surgeons accredited postgraduate training and relevant clinically based research.

The University invites applications from all qualified individuals. Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority.

To comply with federal laws, the University is obliged to gather statistical information as to how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: “I am a Canadian citizen / permanent resident of Canada”; OR, “I am not a Canadian citizen / permanent resident of Canada”. Applications that do not include this information will be deemed incomplete.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant’s accessibility needs. If you require accommodation during the interview process, please contact Ms. Heather-Ann Thompson in the Department of Physical Medicine and Rehabilitation at Providence Care Hospital (613)-544-4900 Ext. 53293.

Review of applications is currently ongoing and will continue until the position is filled. Letters of application accompanied by a curriculum vitae and the names and contact information of three referees should be directed to:
