

Effective April 1, 2025, unionized Postdoctoral Fellows at Queen's University, are eligible to participate in the HealthCare Online Pilot Project. This Pilot Project was agreed upon by your union, PSAC 901 Unit 2, and Queen's University during negotiations for the renewal of the collective agreement. The Online Pilot Project is being offered exclusively to Postdoctoral Fellows included in the PSAC Unit 2 Bargaining Unit and their family members. It will be in effect for the duration of the current collective agreement, which expires on June 30, 2026.

Healthcare Online provides you and your family members with on-demand, 24/7 access to healthcare services through Manulife. Through this service, you can obtain prescriptions, receive general medical advice, submit laboratory requisitions, and obtain specialist referrals.

Please take the time to activate your account to make use of the Pilot Project:

1. To register, visit

https://virtualcare.telushealth.com/krabappel/new_signup/activate_your_account?flow=manulife&path=

2. Enter your Manulife Certificate and Plan Contract number (120156).

3. Select "Send me my activation link," then look for an email from TELUS Health Virtual Care.

4. Download the app, open it, and sign in to set up your profile.

For more information, visit the [TELUS Health website](#) or contact help@vc.telushealth.com for assistance.
