# In-Budget/Off-Cycle Position approval process

Chart 1.1

## POSITION APPROVALS

### Steps for In-Budget and Off-Cycle Position Approval

1. The Department submits a request to recruit to the Faculty Office. The request must show:
  - How the position aligns with the Units research priorities
  - How the position supports the departmental academic program needs
  - How the position will be funded
  - Specify whether the position is to **replace** a faculty member (retirement/resignation) or a **new** position (represents faculty growth within the department)

---

EQUITY BEST PRACTICE TIP: CONSIDER THE POTENTIAL OF DRAWING A DIVERSE POOL OF CANDIDATES WHEN DEFINING THE TARGETED FIELD OF RESEARCH, OUTLINING THAT A BROADER FIELD OF RESEARCH IS MORE LIKELY TO ATTRACT A MORE DIVERSE POOL OF CANDIDATES. IF APPLICABLE, CONSIDER WHETHER THERE ARE FORMS OF UNDERREPRESENTED SCHOLARSHIP IN YOUR DEPARTMENT THAT MIGHT ATTRACT MEMBERS OF UNDERREPRESENTED EQUITY SEEKING GROUPS.

---

2. PeopleSoft (PS) Position Number set up – reference PS position number of previous incumbent (for replacement positions) OR set up as a new, proposed position
3. Dean approves the request (in departmentalized faculties). The Dean must support any requests to hire at above the Assistant Professor rank, and requests must include:
  - Detailed rationale for hiring at above the rank of Assistant Professor
4. Dean submits request to Provost Office
  - In-Budget requests are submitted as part of the annual faculty budget and staffing submission.
  - Off-Cycle requests require a *Permission to Recruit form*. Permission to Recruit forms are completed and sent electronically by email to the [Provost Office](#).
5. The Provost Office will have final approval on all positions. Positions that are approved will be issued a VPA Budget ID number
  - In-Budget position requests will be issued a pre-populated *Permission to Recruit Form: In-Budget*
  - Off-Cycle requests will have their *Permission to Recruit Form: Off-Cycle Request* approved and returned
6. Academic Compensation will make new, approved positions active in PeopleSoft
7. Deans inform Units

### Key Documents

- [Permission to Recruit form: Off-Cycle Requests](#)
- [Permission to Recruit form: In-Budget](#)

## Steps for QNS Position Approval

1. The Unit develops Expression of Interest (EOI) and submits to the Dean (for departmentalized faculties) by the date specified on [Vice-Principal \(Research\) \(VPR\) website](#).

---

EQUITY BEST PRACTICE TIP: CONSIDER THE POTENTIAL OF DRAWING A DIVERSE POOL OF CANDIDATES WHEN DEFINING THE TARGETED FIELD OF RESEARCH, OUTLINING THAT A BROADER FIELD OF RESEARCH IS MORE LIKELY TO ATTRACT A MORE DIVERSE POOL OF CANDIDATES. IF APPLICABLE, CONSIDER WHETHER THERE ARE FORMS OF UNDERREPRESENTED SCHOLARSHIP IN YOUR DEPARTMENT THAT MIGHT ATTRACT MEMBERS OF UNDERREPRESENTED EQUITY SEEKING GROUPS.

---

2. The Dean endorses the EOI and submits to VPR by date specified on [VPR website](#). Note that the dean(s) must commit to fund any additional costs associated with the appointment beyond the annual \$100,000 incurred in the first five years, and all of the costs associated with the appointment afterward.
3. The QNS Advisory Committee reviews the EOIs and selects those to advance to the second stage
4. Deans are notified of which EOIs have been selected to advance to the second stage
5. The Provost Office issues a VPA Budget ID number for each approved QNS position
6. Business Officers set up new, proposed position in PeopleSoft
7. Academic Compensation will make new, approved positions active in PeopleSoft
8. Deans inform Units

## Steps for CRC Position Approval (external competition)

1. University Research Services (URS) manages CRC allocation for the University and manages available Chair(s)

---

EQUITY BEST PRACTICE TIP: CONSIDER THE POTENTIAL OF DRAWING A DIVERSE POOL OF CANDIDATES WHEN DEFINING THE TARGETED FIELD OF RESEARCH, OUTLINING THAT A BROADER FIELD OF RESEARCH IS MORE LIKELY TO ATTRACT A MORE DIVERSE POOL OF CANDIDATES. IF APPLICABLE, CONSIDER WHETHER THERE ARE FORMS OF UNDERREPRESENTED SCHOLARSHIP IN YOUR DEPARTMENT THAT MIGHT ATTRACT MEMBERS OF UNDERREPRESENTED EQUITY SEEKING GROUPS.

---

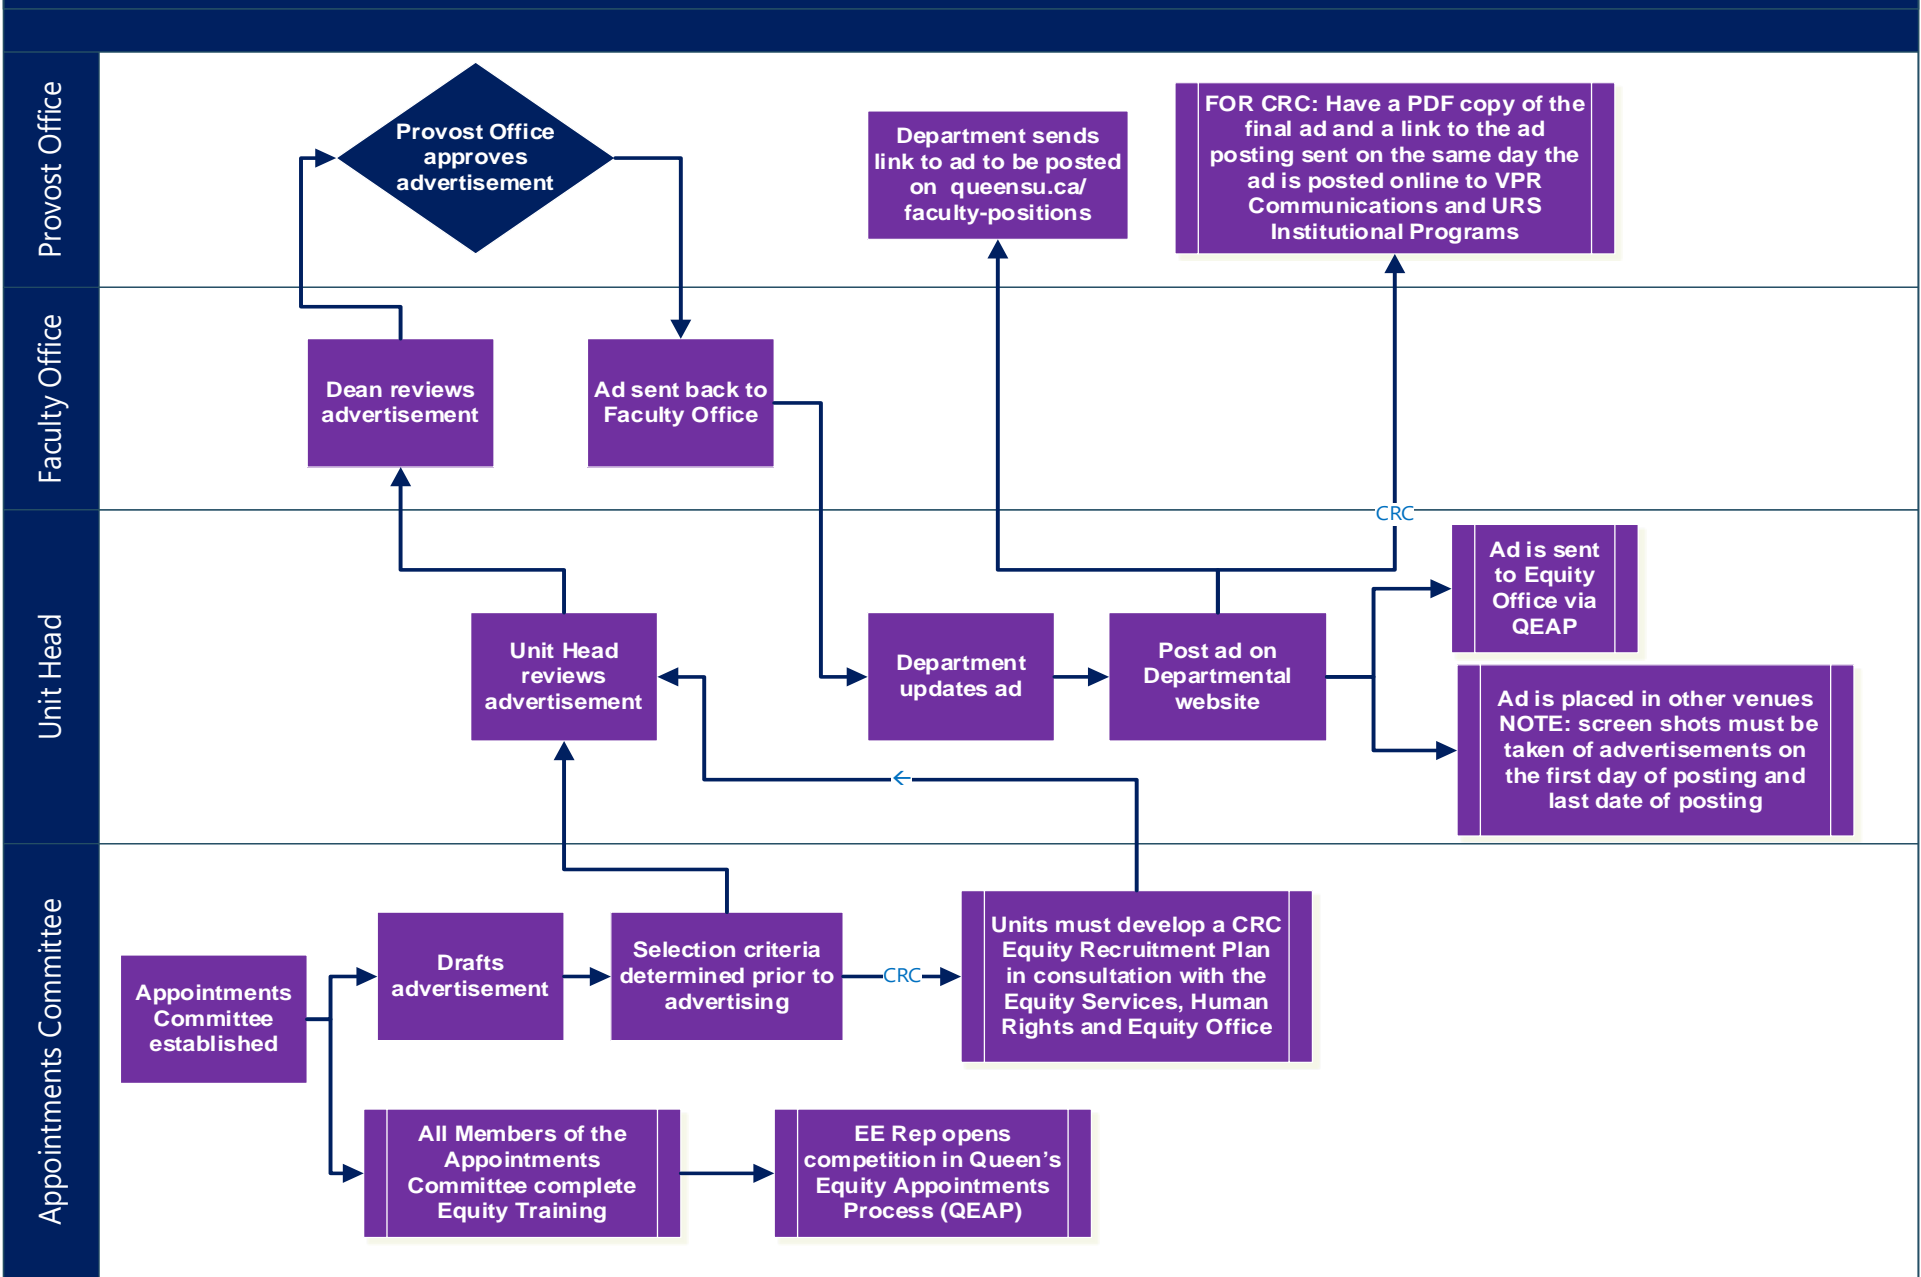

2. Queen's University Canada Research Chair Executive Committee (QU CRC Exec Cttee) announces an **external competition** (for internal competitions, a different process applies), with a primary consideration of Equity, Diversity and Inclusion. The CRC program has specific equity targets and those targets need to be met.

3. The QU CRC Exec Cttee decides on a strategic research area for the Chair and requests proposals (in some cases a Dean may develop a research plan for the Chair)
4. Deans submit proposals (in consultation with Unit(s)) to the QU CRC Exec Cttee, using the specific guidelines for the Chair
5. QU CRC Exec Cttee reviews and selects proposals to go forward
6. URS notifies Provost Office of successful proposals and Provost Office issues VPA Budget numbers
7. Deans are informed of successful/unsuccessful proposals
8. Business Officers set up new, proposed position in PeopleSoft
9. Academic Compensation will make new, approved positions active in PeopleSoft
10. Deans inform Units

More information about CRC's available on the [Vice-Principal \(Research\) website](#)

# Approval of Advertisement – all positions

Chart 2.1

## Steps for Appointments Committee and Advertisement Approval

1. An Appointments Committee is established by May 1 of every year (see Article 25.5.1 of the [Queen's-QUFA Collective Agreement](#)). Exceptions to Appointment Committee structures must be approved by the Joint Committee on the Administration of the Agreement (JCAA) (Article 25.5.1(e)), which may result in a Memorandum of Agreement (MOA) for a Modified Appointments Committee
2. All Members of the Appointments Committee (with the exception of students) must complete the required equity training (see Article 24.2.1). Each Appointments Committee must have a designated Employment Equity Representative (EE rep) who has completed additional training (see Article 24.2.2)

---

EQUITY BEST PRACTICE TIP: ENSURE THAT THE POTENTIAL FOR CONFLICT OF INTEREST AND REASONABLE APPREHENSION OF BIAS WITHIN THE PROCESS IS MANAGED ACCORDINGLY. COMMITTEE MEMBERS SHOULD REFER TO THE DEFINITIONS AND PROCESSES OUTLINED IN ARTICLES 18.1.1 AND 18.3.

---

3. The EE rep is responsible for opening the competition in the [Queen's Equity Appointments Process](#) (QEAP) application, adding the committee members to the QEAP, and completing the advertising section of the QEAP. Those acting as an EE rep delegate must also attend the EE rep training.
4. Consult Equity-Seeking Group Data Report to identify gaps.
5. The Committee determines the academic/professional qualifications and experience (in consultation with other Members of the Unit) required for the position, the selection criteria to be used (see Article 25.6.1(a), 24.1.4 (a&b)) and drafts the advertisement using the Advertising Template.

---

EQUITY BEST PRACTICE TIP: ENSURE THE SELECTION CRITERIA AND ASSESSMENT PROCESS ARE FINALIZED PRIOR TO ADVERTISING

---

---

EQUITY BEST PRACTICE TIP: THE COMMITTEE MUST CONSIDER EQUITY, DIVERSITY AND INCLUSION (EDI) IN THE LANGUAGE USED IN THE ADVERTISEMENT AND CONSIDER EDI COMPETENCIES IN RELATION TO THE REQUIRED ACADEMIC/PROFESSIONAL QUALIFICATIONS.

---

6. Determine where to place advertisement and encourage qualified individuals to apply (see Article 25.6.1 (b), and 24.3.1).

---

EQUITY BEST PRACTICE TIP: CONSULT THE HUMAN RIGHTS AND EQUITY OFFICE ON WHERE TO PLACE AD TO ATTRACT A DIVERSE CANDIDATE POOL AND REACH CANDIDATES FROM EQUITY SEEKING GROUPS. CONSIDER UNDERTAKING PROACTIVE, TARGETED OUTREACH TO ATTRACT MEMBERS OF UNDERREPRESENTED GROUPS.

---

**FOR CRC:** Units **must** develop a CRC Equity Recruitment plan in consultation with Equity Services (Human Rights and Equity Office). The CRC Equity Recruitment plan includes equity, diversity and inclusionary practices.

7. Ensure advertising meets Citizenship and Immigration Canada (CIC) requirements for Labour Market Impact Assessment (LMIA). More information on the [Faculty Recruitment website](#).
8. Advertisement Approval (as per the flow chart 2.1)

- Appointments committee drafts ad. **For CRC:** an EDI checklist is also required [Canada Research Chairs Equity, Diversity And Inclusion Action Plan 2018](#)
  - Department Head approves draft ad
  - Deans Office approves the draft ad and sends to Provost Office with Permission to Recruit form
  - Provost Office reviews and approves ad and sends back to Deans Office
  - Deans Office sends approved ad back to the Department
  - The Department incorporates any changes made by the Provost Office and finalizes the advertisement
  - Ad is posted on the departmental website and other locations
  - The Department sends a copy of the ad to Equity Services (Human Rights and Equity Office) via QEAP
  - The Department sends the Provost Office a link to the advertisement
    - i. **FOR CRC ALSO** Have both a PDF copy of the final ad and a link to the ad posting on the departmental website sent to the following people on **the same day that the ad is posted online**, so that they can ensure that the ad is sent to the CRC Program as required: [Kelly Blair-Matuk](#) and [Mona Rahman](#) (VPR Communications), and [Rebecca Kinsella](#) (URS Institutional Programs)
  - The Provost Office posts the link to the ad on the [Faculty Positions](#) webpage
  - Once the search is complete, the Department will email the Provost Office to remove the link to the ad from the [Faculty Positions](#) webpage
9. Changes to ad after posting:
- Minor Changes: altering application deadline, regular grammar and spelling corrections and changes to contact information **require notification to the Provost Office**
  - Substantive changes: changes to specialization, qualification and requirements, and changes to the rank **require approval by the Provost**
10. Screen shots must be taken of all advertising in Canadian venues (at least 2, better 3), showing the date first posted and the last day of posting. See Faculty Recruitment & Support website for more information on [LMIA requirements](#).

### Key Documents

- [Permission to Recruit form](#)
- Advertisement (see [Advertising Template](#))

## SEARCH PROCESS

### Steps

1. Receive applications by deadline noted in the advertisement
2. Candidates are entered into QEAP by EE Rep or delegate
3. EE Rep sends request to all candidates to self-identify via QEAP
4. Ensure the Appointments Committee has established and ranked selection criteria and finalized the assessment process prior to reviewing applications. Ensure this criteria is applied consistently and fairly to all candidates. Include encompassing, clear, flexible criteria for assessing research excellence, and account for nontraditional areas of research and/or research outputs.

---

EQUITY BEST PRACTICE TIP: PROVIDE EVIDENCE THAT THE COMMITTEE HAS DISCUSSED THIS IN RECOMMENDATION FOR APPOINTMENT THROUGH THE USE OF AN EVALUATION MATRIX

---

5. Review [Unconscious Biases chart](#) and consider taking the [Tri-Agency online unconscious bias training](#), either individually or as a group

---

EQUITY BEST PRACTICE TIP: WHILE IT IS THE ROLE OF THE EE REP TO IDENTIFY POTENTIAL BIASES, STEREOTYPES AND MICRO-AGGRESSIONS REVEALED DURING THE DISCUSSIONS AND SUPPORT THE COMMITTEE MEMBERS AS THEY WORK THROUGH THEM, ALL COMMITTEE MEMBERS SHOULD UPHOLD THE PRINCIPLES OF EMPLOYMENT EQUITY

---

6. Applications are reviewed by the Appointments Committee
  - If the committee determines that not enough qualified applicants have applied, the deadline may be extended (**notify Provost Office**)
  - If the pool of eligible applicants is insufficiently diverse, extend the application deadline, or review the ad more critically for potential barriers and repost it (**Provost approval required**)
  - **Ensure any changed/extended advertising is documented in case of an LMIA**
  - **Ensure CRC (TIPS) is notified of any changed/extended advertising (via VPR/URS contacts)**

---

### EQUITY BEST PRACTICE TIPS: ASSESSMENT

- FAIRLY CONSIDER THE IMPACT OF LEAVES ON A POTENTIAL CANDIDATE'S RECORD WHEN ASSESSING RESEARCH OUTPUTS AND CONSIDER THAT LEAVES CAN CONTRIBUTE TO A CAREER SLOWDOWN DURING THE TRANSITION TO BEING ON LEAVE AND TRANSITION BACK TO WORK.
- ENSURE THAT THE ASSESSMENT PROCESS DOES NOT UNDERVALUE SCHOLARSHIP OR RESEARCH THAT IS NON-TRADITIONAL OR UNCONVENTIONAL, BASED IN INDIGENOUS WAYS OF KNOWING, OUTSIDE THE MAINSTREAM OF THE DISCIPLINE, OR FOCUSED ON ISSUES OF GENDER, RACE OR MINORITY STATUS, FOR EXAMPLE.
- ENSURE THAT THE NEED FOR WORKPLACE ACCOMMODATIONS DOES NOT NEGATIVELY IMPACT A CANDIDATE'S ASSESSMENT.
- REVIEW CANDIDATES THROUGH THE LENS OF EQUITY PRINCIPLES BY: CHALLENGING THE NOTION OF REWARDING OR OVERVALUING THE FAMILIAR, CONSIDERING DIVERSITY OF THOUGHT, METHOD AND EXPERIENCE AND EVALUATING THE CANDIDATES' DEMONSTRATED COMMITMENTS TO EDI (E.G. RE: TEACHING PHILOSOPHY, RESEARCH APPROACHES, MENTORSHIP, ETC.).

- BE MINDFUL THAT THE BEST-QUALIFIED CANDIDATES MAY NOT HAVE THE MOST YEARS OF EXPERIENCE, GREATEST NUMBER OF PUBLICATIONS, OR LARGEST NUMBER OF ACADEMIC ACCOMPLISHMENTS. AVOID AVERAGING PRODUCTIVE PERIODS ACROSS NONPRODUCTIVE PERIODS, SUCH AS THOSE REQUIRED FOR PARENTAL, FAMILY OR MEDICAL LEAVE.
  - AVOID USING CANDIDATE’S “FIT” AS A MEANS TO DISCRIMINATE OR REINFORCE PERSONAL BIASES. THE JUSTIFICATION OF NOT NOMINATING SOMEONE SHOULD BE BASED ON OBJECTIVE AND REASONABLE GROUNDS. AVOID UNDERVALUING SCHOLARSHIP OR RESEARCH THAT IS NONTRADITIONAL OR UNCONVENTIONAL. COMMITTEES CAN ACQUIRE THE HELP OF EXPERTS TO ASSESS FIELDS WITH WHICH THEY ARE NOT FAMILIAR.
- 

7. Determine long list and short list of candidates as appropriate (see Articles 25.6.1(c & d), 24.1.4 (c & d) and 24.3.2.). The EE Rep will hold candidate self-identification information in confidence but will share this information in accordance with Article 24.3.2 as appropriate. The EE rep will record longlisted and shortlisted candidates in QEAP application
  8. Short list candidates are invited to interviews (see Article 25.6.1(e))
    - Request an information package and Provost letter of welcome from the Faculty Recruitment program
    - Arrange a visit with the Faculty Recruitment and Support Co-Ordinator (Monica Stewart) to allow the candidate to ask questions confidentially
    - Ensure candidate meets with the appropriate Senior Faculty Administrator
- 

#### EQUITY BEST PRACTICE TIPS: INTERVIEW

- ENSURE ALL PARTS OF THE PROCESS ARE ACCESSIBLE. INDICATE THAT THE UNIVERSITY WILL RESPECT AND ADHERE TO ANY ACCOMMODATION NEEDS.
  - PREPARE THE CANDIDATE FOR THE INTERVIEW IN ADVANCE WITH INFORMATION, SUCH AS HOW LONG THE INTERVIEW WILL BE, WHO THE COMMITTEE MEMBERS WILL BE AND THE TYPES OF QUESTIONS THAT WILL BE ASKED.
  - USE THE VISIT TO PROMOTE THE UNIVERSITY AND COMMUNITY. PROVIDE CANDIDATES WITH A CHANCE TO HAVE A CONFIDENTIAL DISCUSSION WITH STAFF AND/OR FACULTY MEMBERS NOT DIRECTLY INVOLVED IN THE SEARCH WHO CAN PROVIDE INFORMATION ABOUT SCHOOLS, HOUSING, CHILDCARE, PLACES OF WORSHIP, ETC. (E.G. MONICA STEWART (FACULTY RECRUITMENT AND SUPPORT COORDINATOR)).
- 

9. Second round of interviews conducted as needed
10. Candidates are ranked (EE Rep ranks candidates in QEAP application). See Article 24.3.3
11. If the search for a candidate is unsuccessful:
  - Re-advertise. Review/revise the title or area of specialization/research for the position, the required academic/professional qualifications or the rank being advertised for. This can be done within the same hiring cycle, or delay to the next hiring cycle. **Provost approval is required.**
  - **Ensure any changed/extended advertising is documented in case of an LMIA**
  - Deemed a failed search with no intention to re-advertise and position is relinquished. Any requests to reallocate the position within the Faculty requires a formal approval process (off-cycle request)

## Steps for Appointment of Candidate

1. Appointments Committee selects preferred candidate based on candidate's application, interview, and feedback from the department (faculty & students). See Article 25.6.1 (e & f). Equity decision tree to be used in selecting preferred candidate (See Article 24.3.3).

## FOR HIRING FOREIGN NATIONALS

- [LMIA exemptions](#) – require processing through the IRCC Employer Portal
  - CRC and CERC appointments (Chair must be approved for exemption to apply)
  - Citizens of USA
  - Citizens of Chile
  - Citizens of Mexico
  - Francophone individuals (position does not need to require French language)
- [LMIA required](#)
  - Citizens of all other countries

Note: Individuals with valid “open” work permits (no employer specified) require no further immigration processes.

1. Ensure salary and startup packages, as well as research support, is comparable across the department (Department to confirm salary range with Faculty Office)

---

EQUITY BEST PRACTICE TIP: TAKE INTO ACCOUNT DIFFERENT NEGOTIATING STYLES. IT IS IMPORTANT TO REVIEW THE DIFFERENT NEGOTIATING STYLES EMPLOYED BY MEN, WOMEN, AND PERSONS WITH DIFFERENT CULTURAL BACKGROUNDS TO ENSURE THAT THESE DO NOT LEAD TO INEQUITIES.

---

2. Preferred candidate is appointed in QEAP application

---

EQUITY BEST PRACTICE TIP: REVIEW THE FINAL NOMINATION DECISION (AND CHALLENGE IT IF NECESSARY) TO ENSURE UNCONSCIOUS BIAS DID NOT NEGATIVELY IMPACT THE DECISION-MAKING PROCESS AND THAT IT IS ALIGNED WITH THE UNIVERSITY'S EQUITY, DIVERSITY AND INCLUSION ACTION PLAN.

---

3. Appointments Committee submits written recommendations to the Department Head, along with the appointment package (see Key Documents below).
4. Department Head submits written recommendation to the Dean with the appointments package
5. **QNS Appointments:** The Dean must submit the full proposal to the QNS Advisory Committee for review and approval
6. **CRC Appointments:** nomination package must be submitted to the QU CRC Exec Cttee for approval
  - **If offer of appointment is conditional on a successful external CRC nomination, the Provost Office will not approve the appointment until the positive external CRC award decision has been received**
7. Dean submits a written recommendation, a draft offer of employment letter, and the appointments package (including the faculty appointments checklist) to the Provost Office

- Information in the Appointments Checklist should match the most recent version of the Permission to Recruit form for that position
  - Include salary range based on discipline group and Years of Experience (YOE). Salary ranges must be verified with Academic Compensation during the negotiation process and before the file is submitted to the Provost Office. The salary being offered should fall within the salary range
8. Provost Office reviews the appointments package, approves and finalizes offer letter and sends electronic and paper copy of the offer letter to the Faculty Office for distribution
  9. Faculty Office sends offer letter electronically (so the candidate can access the links) and by paper (optional). Faculty Office sends letter to appropriate copies.
  10. Candidate signs back their offer letter and sends to [provost@queensu.ca](mailto:provost@queensu.ca). The Provost Office will forward to the Faculty Office
  11. **CRC Appointments:** URS will submit a nomination package to TIPS. Decisions are made November 1 or April 30 of each year
  12. The Faculty Office will send the following documents to their Human Resources Advisor (CST)
    - Signed offer letter
    - Academic Appointment Form (data sheet)
    - Biographical data sheet
    - Candidates CV
  13. The Provost Office will ensure that QUFA receives a copy of the signed back letter
  14. The Provost Office will send information about new hires to University Research Services
  15. The Department announces the appointment in For the Record
  16. The competition is closed in QEAP

### Key Documents

Appointments package, including:

- Faculty Appointments Checklist
- Draft offer of employment letter
- Dean's recommendation
