- (1) In cases where the committee wishes to pass the proposal but requires a few clearly-defined changes, the changes should be summarized by the Chair of the meeting, attached to this form, and submitted to graduatefilm@queensu.ca. The office will ensure the student and supervisor receive a copy. The changes will effectively become part of the proposal and no re-examination will be required.
- (2) In cases where the committee wishes to evaluate a new version of the proposal, the basic components of the expected revision should be summarized by the supervisor and emailed to the student and graduatefilm@queensu.ca within three working days. The student will have one opportunity to re-write the proposal and defend the revision within two months of the first proposal examination meeting.
- (3) A first proposal may not be failed; only a revised proposal may be failed.
