Fade in: Made-up Production Logo

Theme song plays over images of a mysterious figure punching out individuals. Colourful backgrounds and words in a foreign language appear onscreen.

Scene 1: Dark Background

NARRATOR

There are few who have seen his face. And even fewer know his true name. But the one thing, the one thing that everyone will tell you about him. You don't mess... with KUNG! FU! KNIGHT!

While the NARRATOR talks, KUNG FU KNIGHT appears from out of the shadows. Once the Narrator mentions his name, he raises a fist, and punches the screen. The title: "KUNG FU KNIGHT: THE JOURNEY OF THE ONE WHO PUNCHES" appears onscreen.

FADE OUT

SCENE 2: INT. HALLWAY

Kung Fu Knight is walking down a corridor.

NARRATOR

In a world of supernatural mysteries, the Kung Fu Knight is on the prowl. His sense of justice has led him to an abandoned warehouse, where he intends to find his next target. In the belly of this forgotten building hide a notorious gang known as the BEATER BOYS, led by the equally notorious BEN BEATER, known more commonly by his nickname: GOBLIN BEN! Here, they plan their next evil scheme...

SCENE 3: INT. WAREHOUSE ROOM

Cut to the BEATER BOYS: Six evil-looking guys in a dark room. Five of the six men (The Henchmen: RILEY, DECLAN, MARCUS, NATHAN, and TUAN) wear suits and sunglasses. Their leader, the GOBLIN BEN, is wearing a leather jacket and has a cartoonishly-large thin handlebar moustache on his face, and he does not wear any sunglasses. In the corner of the room, there is an object that emits a satanic red glow.

DECLAN

Hey boss, ya sure this is a good idea? It seems like somethin' we don't wanna dip our toes into.

GOBLIN BEN

Do not worry, my underlings. Once the ritual is complete, and the FIREBIRD is in our control, we will have this city in the PALM OF OUR HANDS. Every cop, politician, gang banger, you name it, will be begging for us to spare them our wrath. And besides, once we're through, we'll have no competition for selling our 'secret powder'...

Goblin Ben holds out a strange yellow powder to show his henchmen. They all stare in awe.

MARCUS

But master, what if the police find us? We lost our guns in that drug bust last week, and, sure we can fight with our fists but, we're no match for the professionals.

GOBLIN BEN

...How much time is left on the ritual?

RILEY

About three minutes, sir.

GOBLIN BRN

(evil chuckle)

Do not worry. If they somehow show up here and manage to find us, I'll make sure they regret it...

Goblin Ben stares down at his hand and smiles. A green aura glows around his hand. The others look frightened.

GOBLIN BEN

Besides! This old place has been abandoned for nearly thirty years! And in this neighbourhood?! No one will ever think to look here! Hahaha! NO ONNNEEE!!!!

Kung Fu Knight breaks down the door to the room. Everyone looks startled by his appearance. He strikes a pose.

NATHAN
I don't believe it!

RILEY
(pointing)
It is The One Who Punches!

GOBLIN BEN
Ah, yes, I've heard about you.
You're Kung Fu Knight! You wander
the Earth looking for any poor
saps who you think need to be
taught a lesson, despite being
completely alone in your efforts.
I admire that, I really do.

The Henchmen raise their fists in unison and stand in their
battle poses. Tuan pulls out a knife.

GOBLIN BEN
And let me guess, you think you
can just waltz in here, ruin our
little operation, and teach us one
of those lessons, do you not?

Kung Fu Knight grunts and nods his head.

GOBLIN BEN
I thought so. Boys, get him!

All of the "Boys" except for Tuan run at Kung Fu Knight. Kung Fu
Knight prepares for impact.

Epic Fight Time!

The Henchmen make it to Kung Fu Knight. He knocks out Riley
immediately, then grabs Declan and smacks him away too. Kung Fu
Knight then swipes at the others until Declan comes back with a
vengeance. The Knight grabs him and throws him up to the wall.
He clocks him repeatedly in the head until he falls.

Cut to Goblin Ben, who is worrying about how much is left for
the ritual.

Cut back to the brawl. Nathan is knocked unconscious by Kung Fu
Knight. Then, Kung Fu Knight reaches down and RIPS OFF HIS
ARM!!!

With his new battle weapon, Kung Fu Knight looks at the last guy
standing, Marcus.

MARCUS
(utterly horrified,
quietly)
Holy shit!

Marcus tries to run away, but Kung Fu Knight's new "arm" grabs him on the shoulder, and pulls him out of the frame. Violence can be heard offscreen.

GOBLIN BEN
(annoyed)
Damn it! I knew I should have
bought more henchmen!

Kung Fu Knight stands surrounded by bodies, holding his new "arm".

GOBLIN BEN
(to Tuan)
Well Tuan, it looks like you're
all that's left. You're our last
hope! Give him hell.

Goblin Ben pulls out some of the yellow powder from earlier and puts it in Tuan's hand.

Tuan snorts it up his nose, and his body tenses up. He lets out a growl, and then looks directly into Kung Fu Knight's soul.

Kung Fu Knight looks surprised, but prepares for the fight. Tuan pulls out his knife and lunges at Kung Fu Knight, yelling.

A fierce battle commences. Tuan keeps swinging at Kung Fu Knight, but our hero manages to block the attacks with his "arm". Eventually, he holds out the "arm" with both his hands, and Tuan's knife gets stuck in it. They both glare at each other.

Kung Fu Knight then tosses his "arm" aside, while Tuan is still holding onto his knife. This causes him to move with the "arm". Sensing an opportunity, Kung Fu Knight kicks out at Tuan, sending him stumbling. Once he regains his senses, Tuan continues to fight with Kung Fu Knight.

Away from the battle, Goblin Ben watches the fight. It seems that Kung Fu Knight and Tuan are matched equally in skill. Still worried about the ritual being interrupted, he watches as Tuan is knocked back slightly by the Knight.

GOBLIN BEN
(annoyed)
Alright! That does it! Guess it's
time for me to take my true form!

Pulling off his moustache, Goblin Ben looks to the sky and lets out a powerful scream, holding his arms out. Suddenly, the screen flashes white. Goblin Ben's clothes are now gone; his body is entirely green, and his eyes have been replaced with a visor.

GOBLIN BEN

Nyahahaha! Bet you didn't think I was a real Goblin!

Kung Fu Knight looks surprised. Goblin Ben then jumps into the fray and starts fighting him as well. After punching with him a few times, Kung Fu Knight suddenly gets clonked on the head with his own "arm". Tuan stole it from him while he was fighting with his boss and used it against him! Kung Fu Knight falls to the ground.

GOBLIN BEN

Your final hours are near, Kung Fu Knight! Save some for me, Tuan, my boy!

Goblin Ben jumps back into the fight to join Tuan, who is currently hitting Kung Fu Knight on the ground aggressively with his "arm". Goblin Ben kicks him, while Tuan keeps hitting. Kung Fu Knight starts glowing.

NARRATOR

His darkest hour is upon him. With his enemies surrounding him, the Legendary Kung Fu Knight has no other choice. Within his heart, he calls upon a powerful force. An ancient art that requires the strength of a thousand Kung Fu Knights. He goes...FULL CRUSADER!!!

Kung Fu Knight leaps up off the ground and lets out a powerful cry. Goblin Ben and Tuan are sent flying, and tumble to the ground. The empowered knight turns to Tuan, and grabs his "arm" back from him. He then takes it and rips out Tuan's beating heart. A shocked and bloody Tuan falls to the ground, dead.

Kung Fu Knight then turns his attention to the Goblin.

GOBLIN BEN

(clearly shocked)

Oh Boy...

Before he can react any further, Kung Fu Knight rushes Goblin Ben and tackles him to the ground. Now having the upper hand, he punches down on his adversary over and over again, until the green fiend has gone limp. Kung Fu Knight raises his fist one more time, and then...

DING!

Before he can get the final punch in, Kung Fu Knight is distracted by that noise and looks up. The weird, glowing satanic object is now glowing even more, and making strange noises.

GOBLIN BEN

(weak)

The ritual...is complete...

Suddenly, the room begins to shake. Kung Fu Knight looks up at the ceiling, which begins to crack and fall apart.

GOBLIN BEN

The Firebird...is here...

An array of red glowing lights begin to flash in the sky. As they continue to flash, a gigantic red bird fades into existence. Flapping its colossal wings, the FIREBIRD lets out a mighty roar.

Kung Fu Knight looks back down at Goblin Ben, who has started laughing, weakly.

GOBLIN BEN

I'll...see you...in...HELL...Legendary Knight...

Goblin Ben continues to laugh. Kung Fu Knight gets up, and stares up at the Firebird.

The Firebird starts spitting out balls of fire, and Kung Fu Knight barely manages to dodge them all. He then stops and thinks for a second, then regains his composure, and clenches his fist.

He lets out a chuckle, and jumps into the air.

Raising his fist in the air, he leaps up to the Firebird, and punches it right in the face.

FIREBIRD

SCREEEEEEEECH!!!!!!

The Firebird tumbles through the air, before regaining its senses and flying away.

Meanwhile, Kung Fu Knight falls back to Earth. Once he hits the ground, he gets back up, and looks at the sky to see the

Firebird flying away. Then, he looks back to the spot where Goblin Ben was. He is nowhere to be seen!

Our hero silently turns around and walks out of the room.

NARRATOR

And so, thanks to the efforts of Kung Fu Knight, the Beater Boys' plan of world domination and selling their nefarious drug to schoolchildren has been thwarted. But with the Firebird on the loose, and the Goblin Leader having mysteriously vanished, it looks like our hero has a lot more work to do. However, thanks to his last-minute burst of strength, Kung Fu Knight lives to fight another day. The One Who Punches...will punch again.
