

PATRICIA A. COLLINS, PhD

Curriculum Vitae

CURRENT POSITIONS

Associate Professor, Department of Geography and Planning, Queen's University (primary appt)
Associate Professor, School of Kinesiology and Health Studies, Queen's University (cross-appt)

ACADEMIC QUALIFICATIONS

- 2010 – 2011 Postdoctoral Fellow, Health Aging & Society, McMaster University
Project title: Examining Community Health Centres' Initiatives to Address Upstream Health Determinants at the Neighbourhood Level in Ontario
Supervisor: Dr. James Dunn
<https://healthagingandsociety.mcmaster.ca/faculty/dunnjam>
- 2005 – 2009 PhD, Health Geography, Simon Fraser University
Dissertation title: Investigating the Roles of Urban Municipal Governments in Addressing Population Health Inequities: Prescriptions, Capacities, and Intentions
Supervisor: Dr. Michael Hayes
<https://www.uvic.ca/socialsciences/geography/people/faculty/hayesmichael.php>
- 2002 – 2004 MSc, Health Research Methodology, McMaster University
Thesis title: Addressing the Social Determinants of Health: Understanding the Role of Values as Facilitators and Barriers to Action
Supervisor: Dr. Julia Abelson
http://fhs.mcmaster.ca/ceb/faculty_member_abelson.htm
- 1997 – 2002 BSc with distinction, Honours Biochemistry (Coop), McMaster University
Undergraduate Report title: Investigating the Impact of Protein-Enriched Formulas on Protein Statuses in Preterm Infants by Measuring Total Protein, Protein Excess and Protein Accretion
Supervisor: Dr. Stephanie Atkinson
http://fhs.mcmaster.ca/biochem/atkinson_stephanie.html

CAREER INTERRUPTIONS

- Feb – July 2013 Parental Leave
June – Dec 2009 Parental Leave

HONOURS, AWARDS & DISTINCTIONS

- 2011, 2012, 2015 Travel Award, Queen's University, Kingston, ON (\$1500, \$1500, \$900)
- 2012 Certificates of Appreciation, Kingston Coalition for Active Transportation, and Kingston Mission, Heart & Stroke Foundation of Ontario
- 2010 Postdoctoral Fellowship Award, Population Health Intervention Research Network (\$36,750/year; 2 years)
- 2008, 2008 Graduate Fellowship, Simon Fraser University, Burnaby, BC (\$6250 each)
- 2008 Summer Institute on Innovation in Knowledge Translation Research, Canadian Institutes of Health Research, Ottawa, ON (accepted participant; invitation declined)
- 2008 Cross Government Research Policy and Practice Branch Travel Award, Simon Fraser University, Burnaby, BC (\$1500)
- 2008 President's Research Stipend, Simon Fraser University, Burnaby, BC (\$6250)
- 2007 Social Sciences and Humanities Research Council Doctoral Award (\$20,000/year; 2 years)
- 2006 Canadian Association for Health Services and Policy Research Conference Third Place Poster Forum Award (\$400)
- 2005 Michael Smith Foundation for Health Research/British Columbia Medical Services Foundation Senior Graduate Studentship (\$22,500/year; 3 years)
- 2005 Special Graduate Entrance Scholarship, Simon Fraser University, Burnaby BC (\$5000)
- 2004 Ontario Graduate Scholarship, Ontario Ministry of Training, Colleges and Universities (\$15,000; award declined)
- 2003 CHEPA Studentship Award, McMaster University, Hamilton ON (\$4000)
- 2002 Graduate with distinction, *Summa cum laude*, Hamilton ON
- 1998-2002 Dean's Honour List, McMaster University, Hamilton ON

PROFESSIONAL EXPERIENCE

2017-present	Associate Professor, Department of Geography and Planning, Queen's University, Kingston, ON
2017-present	Associate Professor (cross-appointed), School of Kinesiology and Health Studies, Queen's University, Kingston, ON
2015-2017	Assistant Professor, Department of Geography and Planning, Queen's University, Kingston, ON
2011-2017	Assistant Professor (cross-appointed), School of Kinesiology and Health Studies, Queen's University, Kingston, ON
2011-2015	Assistant Professor, School of Urban and Regional Planning, Queen's University, Kingston, ON
2010-2011	Postdoctoral Fellow, Department of Health Aging & Society, McMaster University, Hamilton, ON
2006-2008	Research Assistant (media and health policy), Centre for Health Economics and Policy Analysis, McMaster University, Hamilton ON
2005-2007	Research Assistant (urban structures and population health), Institute for Health Research and Education, Simon Fraser University, Burnaby BC
2001-2004	Research Assistant (health policy), Centre for Health Economics and Policy Analysis, McMaster University, Hamilton ON
2000	Research Assistant (biomedical laboratory), Department of Pathology & Molecular Medicine, Hamilton Regional Cancer Centre, Hamilton ON

AREAS OF INTEREST

Research

- Community livability
- Healthy communities
- Healthy built environments
- Health inequities
- Population health intervention research

Teaching

- Healthy community planning
- Health and the built environment
- Health geography
- Qualitative and quantitative methods

RESEARCH & SCHOLARSHIP

(* Denotes graduate student supervisees; ** Denotes undergraduate student supervisees)

REFEREED JOURNAL ARTICLES

- split.” Poster presentation for the 2012 American Public Health Association Annual Meeting. San Francisco, CA, 27-31 October 2012.
32. Mayer D (presenter), **Collins PA**. “Examining the Scope, Facilitators, and Barriers to Active Transportation Patterns in Kingston, Ontario: A Seasonal Analysis.” Oral presentation for the Canadian Public Health Association 2012 Conference. Edmonton, AB, 11-14 June 2012.
 33. **Collins PA** (presenter), Mayer D. “Examining the relationship between active transportation and neighbourhood deprivation in Kingston, Ontario: A spatial analysis”. Oral presentation at Canadian Association of Geographers Annual Meeting, Waterloo, ON, 28 May – 2 June 2012.
 34. **Collins PA** (co-presenter), Resendes S** (co-presenter). “Exploring CHCs’ Initiatives to Address Upstream Health Determinants in Ontario.” Oral presentation at Association of Ontario Health Centres Conference. Toronto, ON, 8-10 June 2011.
 35. **Collins PA**. “Exploring the roles of urban municipal governments in addressing population health inequities: Prescriptions, capacities, and intentions.” Oral presentation at 9th International Conference on Urban Health. New York City, NY, 27-29 October 2010.
 36. **Collins PA** (presenter), Hayes M. “Exploring the roles of urban municipal governments in addressing population health inequalities: A census of opinions of politicians and senior-level staff.” Poster presentation at 7th International Conference on Urban Health, Vancouver, BC, 29-31 October 2008.
 37. **Collins PA** (presenter), Hayes M. “Exploring the roles of urban municipal governments in addressing population health disparities: A census of opinions of politicians and senior-level staff.” Poster presentation at 136th American Public Health Association Annual Meeting & Exposition, San Diego, CA, 25-29 October 2008.
 38. **Collins PA** (presenter), Hayes M. “Exploring the roles of urban municipal governments in addressing population health inequalities: Review of four contrasting bodies of literature.” Oral presentation at Canadian Association of Geographers Annual Meeting, Laval University, Quebec City, QC, 20-24 May 2008.
 39. **Collins PA** (presenter), Hayes M. “The 20th Anniversary of the Ottawa Charter: Challenges and Prospects for Reducing Health Inequities in Canada.” Oral presentation at 19th IUHPE World Conference on Health Promotion and Health Education, Pan-Pacific Hotel, Vancouver, BC, 10-15 June 2007.
 40. **Collins PA** (presenter), Hayes M. “The 20th Anniversary of the Ottawa Charter: Challenges, Gains, and Future Prospects.” Oral presentation at 1st Conference of the journal *Public Health: Social, Cultural and Economic Determinants of Health*, Sana Lisboa Hotel, Lisbon, Portugal, 9-11 May 2007.
 41. **Collins PA** (presenter), Abelson J. “Exploring Media Framing of Herceptin Coverage Decisions for Early-Stage Breast Cancer: A Cross-National Comparison of Newspaper Coverage.” Poster presentation at 2006 Annual CAHSPR Conference, Four Seasons Hotel, Vancouver, BC, 17-19 September 2006.

42. **Collins PA** (presenter), Abelson J, Eyles J. “Exploring Ideological Barriers to Addressing Health Inequalities at the Local Level.” Oral presentation at 4th International Conference on Urban Health, Westin Harbour Castle, Toronto, ON, 26-28 October 2005.
43. **Collins PA** (presenter), Abelson J, Dornan C, Pyman H. “Informing the public or representing stakeholder interests? Print media coverage of Canada’s 2002 health reform debate.” Oral presentation at 1st Conference of the Canadian Association for Health Services and Policy Research, Hyatt Regency Hotel, Montreal, QC, 25-28 May 2004.
44. **Collins PA** (presenter), Abelson J, Eyles J. "Citizens' Rankings of the Social Determinants of Health: A Pilot Study in Brantford, Ontario." Poster presentation at 11th Biennial Social Welfare Policy Conference, Ottawa, ON, 15-17 June 2003.
45. **Collins PA** (co-presenter), Abelson J (co-presenter). “The role of values in governing the community care sector.” Oral presentation at 2nd Annual Clinical Epidemiology and Biostatistics Research Day, McMaster University, Hamilton, ON, 24 September 2003.
46. **Collins PA** (presenter), Abelson J, Eyles J. "Citizens' Rankings of the Social Determinants of Health: A Pilot Study in Brantford, Ontario." Poster presentation at Social Determinants of Health Across the Life-Span Conference, Toronto, ON, 29 November to 1 December 2002.
47. Abelson J, Forest PG, Eyles J, **Collins PA** (co-presenter), Gauvin FP (co-presenter), McMullan C, Perreault C, MacIntyre E. “Using Citizens' Panels to Inform Resource Allocation and Health Priority Decisions: Results from Pilot Experiments in Ontario and Quebec.” Poster presentation at 10th Canadian Conference on Health Economics: Stability and Change in the Canadian Health Care System, Halifax, Nova Scotia, 22-25 May 2002.

INVITED PRESENTATIONS

Panelist

1. **Collins PA**, Rodrigues M, Kent C, Taylor S. “Responding to School Closures: A Discussion on the Shifting Paradigm.” Ontario Professional Planners Institute Annual Meeting (Virtual), 23 September 2020.
2. Rappolt R, **Collins PA**, Rodrigues M. “School Closures: From Crisis to Opportunity.” Ontario Professional Planners Institute Annual Meeting, Toronto, ON, 1-4 October 2019.
3. **Collins PA**. “Pondering the Social and Economic Implications of Road-Tripping in Canada.” Agnes Etherington Philosopher’s Café, Queen’s University, 11 May 2017.
4. **Collins PA**. “Healthy Commuting: Archiving Longitudinal Journey-to-Work and Health Data from a Localized Population.” Data Day, Queen’s University, 11 May 2017.

Invited Conference Presentations

5. **Collins PA**. “The Role of Education in Fostering Health/Planning Partnerships.” Canadian Institute of Planners Annual Meeting, Fredericton, NB, 12 July, 2014.

Departmental Seminar Presentations

2. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2019.
3. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2018.
4. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2016.
5. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2015.
6. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2014.
7. **Collins PA.** “Making Cities Healthy for All: Tales from a Healthy Communities Researcher.” Presentation for the School of Urban and Regional Planning Seminar Series, Queen’s University, January 2014.
8. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2013.
9. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Seminar, Department of Family Medicine, Queen’s University, January 2013.
10. **Collins PA.** “Healthy Communities through Governance, Planning, and Service Delivery.” Presentation for the School of Urban and Regional Planning, Queen’s University, 9 November 2010.
11. **Collins PA.** “Investigating the of urban municipal governments in addressing population health inequities: prescriptions, capacities, and intentions.” Presentation for the Department of Health Aging & Society Seminar Series, McMaster University, 22 September 2010.
12. **Collins PA.** “Patricia Collins: A Population Health Policy & Intervention Researcher.” Presentation for the Propel Centre for Population Health Impact, University of Waterloo, 12 April 2010.
13. **Collins PA.** “Reducing Health Inequities and Creating Healthy Public Policy: Experiences and Interests of a Health Policy and Social Justice Researcher.” Presentation for the Department of Health Studies, Wilfrid Laurier University Brantford, 12 July 2010.

14. **Collins PA.** “Addressing Health Inequities: Experiences and Intentions of a Community Health Researcher.” Presentation for the Department of Community Health and Epidemiology, University of Saskatchewan, 9 April 2009.
15. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequities.” Presentation for the Department of Sociology, University of Manitoba, 12 January 2009.
16. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequities.” Presentation for the Johnson Shoyama Graduate School of Public Policy, University of Regina, 9 January 2009.
17. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequalities.” Presentation for Centre for Health Services & Policy Research, University of British Columbia, 23 June 2008.

Presentations to Non-Academic Audiences

18. **Collins PA** (presenter), Irwin B, Caldwell W. “What happens when schools close? What can planners do?” Oral presentation at the PlanEd meeting hosted by Thames Valley District School Board, London, ON, 23 August, 2019.
19. **Collins PA** (presenter), Agarwal A, Healey R. “A Longitudinal Examination of the Impacts of Public Transit Improvements on Commute Patterns of Queen’s University Employees.” Oral presentation to City of Kingston Transit Department, Kingston, ON, May 2 2016.
20. **Collins PA** (presenter), Agarwal A. “The Public Health Potential of Transit Ridership in a Midsized Canadian City: A Longitudinal Analysis of Commute Pattern Changes among Employees at Queen’s University.” Oral presentation at KFL&A Public Health Red Hot Topics. Kingston ON, 4 November 2015.
21. Wood J* (co-presenter), **Collins PA** (co-presenter). “Shaping Active, Healthy Communities in Loyalist Township.” Co-presented and co-facilitated *SAHC Community Workshop*. Loyalist Township, ON, 4 May 2012.
22. **Collins PA** (presenter), Mayer D, Banaszewska A. “Examining the Scope, Patterns, and Barriers to Active Transportation in Kingston, Ontario.” Oral presentation at *Kingston Coalition for Active Transportation Forum*. Kingston, ON, 7 March 2012.
23. **Collins PA** (presenter), Abelson J, Giacomini M, Brazil K, Eyles J, Ploeg J, Hutchison B. “Analysis of Organizational and Community Values about Community Care in Hamilton.” Poster presentation at *Community Care Research Centre Knowledge Exchange*. Hamilton ON, 7 May 2003.

REPORTS

1. Collins PA, Burse B, Healey R, Kukkonen S. “Implementing Quiet Streets in Response to COVID-19 in Kingston, Ontario: A Report on the Process, Findings, and Lessons

- Learned from Kingston's Quiet Streets Implementation Team." Kingston, ON: Queen's University. November 2020.
2. **Collins PA**, Bowie A. "Shifting Commute Patters of Queen's University Employees: 2013-2017." Kingston, ON: Queen's University. May 2019.
<https://patriciacollinsphd.files.wordpress.com/2019/06/queens-commute-study-final-report.pdf>
 3. **Collins PA**, Agarwal A. "Survey of Commute Patterns of Queen's Employees: Preliminary Summary Report." Kingston, ON: Queen's University. November 2013.
 4. Miller FA, Hurley J, Morgan S, Goeree R, **Collins P**, Blackhouse G, O'Brien B, Giacomini M. "Predictive Genetic Tests and Health Care Costs: A Policy Framework and Illustrative Estimates." CHEPA Working Paper Series. 02-03.
 5. Miller F, Hurley J, Morgan S, Goeree R, **Collins P**, Blackhouse G, Giacomini M, O'Brien B. "Predictive Genetic Tests and Health Care Costs." Report submitted to the Ontario Ministry of Health and Long Term Care, January 2002.
 6. Abelson J, Eyles J, McMullan C, **Collins P**. "Community Views about Health Goals in Brant County: A Citizens Panel Study." Report submitted to the Grand River District Health Council and Brant County Health Unit, September 2001.

MEETING PARTICIPANT

Academic Meetings

1. "The Future of eBike Mobility in Ontario." Waterloo, ON, 23 May 2018.
2. "Strengthening Organizational Capacity for Public Health Equity Action (OC-PHEA): Developing a Research Agenda." Winnipeg, MB, 13-15 July, 2014.
3. "Strengthening a community of practice in PHIR." PHIRNET Summer Institute 2010. Winnipeg, MB, 27-30 June, 2010.
4. International Society for Physical Activity and Health 3rd International Conference. Toronto, ON, 5-8 May, 2010.
5. "Toward a Canadian Agenda for Knowledge Production, Translation, and Capacity-Building." McMaster Institute for Environment and Health Environment, Health, and Social Equity Workshop. Hamilton, ON, 24-25 May, 2007.
6. "Voices and Choices: Public Engagement in Health Care Policy." Centre for Health Services and Policy Research Annual Conference. Vancouver, ON, 22 February, 2007.
7. "What Determines the Public's Health?" Canadian Public Health Association 97th Annual Conference. Vancouver, BC, 28-31 May, 2006.
8. "Finding a Place for Place in Health Research and Policy." Canadian Population Health Initiative Research and Policy Workshop. Val David, QC, 27-29 April, 2005.
9. CHEPA Roundtable on Policy Issues for New and Emerging Genetic Technologies. Toronto, ON, 17 February, 2003.

Non-Academic Meetings & Workshops

10. “Complete Streets Forum.” Hosted by Toronto Centre for Active Transportation, Toronto, ON, 23 April 2012.
11. “Planning for a Healthier Toronto Roundtable.” Hosted by City of Toronto Public Health, Toronto, ON, 30 March 2012.
12. “Sustainable Kingston Community Forum.” Hosted by Kingston Coalition for Active Transportation, Kingston, ON, 28 January 2012.
13. “Health Equity: Pushing the Boundaries.” Association of Ontario Health Centres 2010 Conference. Niagara Falls, ON, 10-11 June, 2010.

FUNDED GRANTS

Total Grants as Principal Investigator (PI) = \$791,632

- | | |
|-----------|--|
| 2022 | Accelerate, MITACS. <i>Implementing and Evaluating School Street Initiatives in Ontario: Pilot Testing Street Reallocation Initiatives in Kingston, Markham, Hamilton, and Mississauga.</i> Role: Principal Investigator. Amount awarded: \$15,000. |
| 2022 | Healthy Cities Implementation Science Team Grants, CIHR. <i>PROACTIVE Optimizing real world interventions for older adults: Community tailored implementation of person valued interventions through continual evaluation.</i> Role: Co-Investigator. Amount awarded: \$24,680. |
| 2022 | Healthy Cities Implementation Science Team Grants, CIHR. <i>INTERventions, Research, and Action in Cities Team for Implementation Science.</i> Role: Co-Investigator. Amount awarded: \$25,000. |
| 2021-2022 | Accelerate, MITACS. <i>Levelling the Playing Fields: An Evaluation of Play Street and School Street Initiatives in Kingston, Ontario.</i> Role: Principal Investigator. Amount awarded: \$15,000. |
| 2021-2023 | Insight Development Grant, SSHRC. <i>“It's too risky to let my child play on the street!” Pilot testing the effects of 'Play Streets' on parental allowances for children's outdoor free play in two Canadian cities.</i> Role: Principal Applicant. Co-Applicant: Katherine Frohlich. Amount requested: \$74,000. |
| 2021-2024 | Project Grant, CIHR. <i>Levelling the Playing Fields: Creating the conditions for free play to emerge in cities.</i> Role: Co-Principal Investigator. Nominated Principal Investigator: Katherine Frohlich. Amount awarded: \$359,549. |

- 2018-2022 Insight Grant, SSHRC. *Communities left behind? A timely examination of school closure controversies for justice-informed decision-making on the fate of public schools in Ontario.* **Role: Principal Investigator.** Other team members: Jeffrey Masuda, Jennifer Dean, Bill Irwin, Mark Seasons, Wayne Caldwell. **Amount awarded: \$236,327.**
- 2018-2019 CIHR-IPPH Planning and Dissemination Grant on Healthy Cities. *Towards healthy mid-sized cities: Assessing the potential for electric-bicycles to facilitate transportation reform using big-data.* **Role: Co-Investigator.** Other team members: Jennifer Dean (Principal Applicant), Sara Edge, Alexander Crizzle, Jeff Casello, Lukasz Golab, Jane Law, Leia Minaker, Tor Oiamo, Keshav Srinivasan. **Amount awarded: \$10,000.**
- 2016-2018 Insight Grant, SSHRC. *How can Canadian municipalities enhance the right to food?* **Role: Co-Investigator.** Other team members: Elaine Power (PI), Margaret Little, Jeffrey Hoch, Wanrudee Isaranuwachai, Sarah Wakefield, Sharon Kirkpatrick. **Amount awarded: \$180,500.**
- 2016 Programmatic Grants in Intersectoral Prevention Research, Grant Development Funds, CIHR. *Building a PROACTIVE Team to assess drivers and impacts of intersectoral action for urban environmental health equity.* **Role: Co-Investigator and Site Lead.** Other team members: Jeffrey Masuda (PI), Louise Potvin, Eric Crighton, Blake Poland, Heather Castleden, et al. **Amount awarded: \$50,000.**
- 2015-2017 Insight Development Grant, SSHRC. *Will Millenials be the Sustainable Generation? Policy Implications of Millenials' Travel Patterns in Metropolitan Canada.* **Role: Co-Investigator.** Other team members: Ajay Agarwal (PI), Markus Moos. **Amount awarded: \$70,000.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Examining Commute Patterns and Health of Queen's Employees.* **Role: Principal Investigator.** Co-Investigator: Ajay Agarwal. **Amount awarded: \$6,500.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Best practices for Canadian municipalities to promote the right to food for all.* **Role: Co-Investigator.** Other team members: Elaine Power (PI), Margaret Little, Jeffrey Hoch, Wanrudee Isaranuwachai, Sharon Kirkpatrick, Sarah Wakefield. **Amount awarded: \$3,500.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Communities Left Behind? A Longitudinal Analysis of the Sustainability Impacts of Permanent Public School Closures in Four Ontario Cities.* **Role: Principal Investigator.** Other team members: Jeffrey Masuda, Jim

Dunn, Jennifer Dean, Bill Irwin, Mark Seasons. **Amount awarded: \$3,500.**

- 2014-2015 Partnerships for Health System Improvement, Institute of Health Services and Policy Research, CIHR. *Strengthening organizational capacity for public health equity action: Developing a research agenda.* **Role: Co-Investigator.** Other team members: Benita Cohen (PI), Andrea Chircop, Elizabeth McGibbon, Annette Schultz, Madine VanderPlaat. **Amount awarded: \$25,000.**
- 2013-2016 Health Services Research Fund, Ontario Ministry of Health and Long-Term Care. *Healthier Built Environments Ontario: An Opportunity for Innovation in Mental Health & Obesity Policy.* **Role: Co-Investigator.** Other team members: Jim Dunn (PI), Darren Scott, Erin Hobin, et al. **Amount awarded: \$1,886,361.**
- 2013-2014 Senate Advisory Research Committee Grant, Queen's University. *Examining media discourses on municipalities' roles in addressing household food insecurity: An analysis of newspaper coverage in Ontario.* **Role: Sole Investigator. Amount awarded: \$7000.**
- 2012-2014 Insight Development Grant, SSHRC. *Examining Integrated Community Sustainability Planning by Municipalities from an Organizational Learning Perspective: A Comparative Case Study of Four Mid-Sized Municipalities in Ontario.* **Role: Principal Investigator.** Co-Investigator: Graham Whitelaw. **Amount awarded: \$71,846.**
- 2012-2013 Grant Development Funds, Programmatic Grants in Food and Health, CIHR. *The buck stops here? A critical and comprehensive pan-Canadian analysis of the prescriptions, scope, impacts, and costs of municipal-level interventions to reduce household food insecurity.* **Role: Nominated Principal Investigator.** Co-Principal Investigators: Elaine Power, Margaret Little. **Amount awarded: \$10,000.**
- 2012-2013 Senate Advisory Research Committee Grant, Queen's University, *Examining Integrated Community Sustainability Planning from an Organizational Learning Perspective: An In-Depth Analysis of the City of Kingston, Ontario.* **Role: Sole Investigator. Amount awarded: \$8,000.**

GRANTS UNDER REVIEW

- 2022-2028 Healthy Cities Implementation Science Team Grant, CIHR. *Building CapaCITY/É for Sustainable Transportation.* **Role: Co-Applicant. Amount requested: \$5 Million.**

UNFUNDED PROJECTS

- 2015-present *Examining the spatial distribution, quality, and utilization of urban
playscapes in Kingston, Ontario. Role: Principal Investigator. Co-
Principal Investigator: Jeffrey Masuda.*
- 2013-2019 *Commute Patterns of Queen's University Employees. Role: Principal
Investigator. Partially funded through Senate Advisory Research Grant
(\$6,500, 2015-2016).*

TEACHING & SUPERVISION

Department of Geography and Planning, Queen's University, Assistant/Associate Professor, 2011-present

- SURP 800 – *Master's Research Report* (methodology module) Methods: weekly group-based meetings or one-on-one meetings. Every year.
- SURP 801 – *Survey Research Methods* (methodology module) Methods: lectures; computer-assisted workshops. F13, F14, F21
- SURP 812 – *Qualitative Research Methods* (core course) Methods: lectures; in-class activities; field work. W21, W22.
- SURP 814 – *Planning for Sustainability* (core course) Methods: lectures; in-class activities; guest lectures; field trip. Every year since 2015.
- SURP 819 – *Quantitative Methods* (core course) Methods: lectures; computer-assisted workshops; tutorials. Every year from Fall 2011-Winter 2020.
- SURP 823 – *Health and Social Planning Project Course* (core course) Methods: studio-based course; weekly coaching in small groups; field trips. Every year.
- SURP 824 – *Land Use Planning Project Course* (core course) Methods: workshop; new project every year; weekly coaching in small groups; field trips. F2012
- SURP 861 – *Healthy Community Planning* (area of concentration elective) Methods: instructor and guest lectures; seminars; small group projects. Every year since 2012.
- GEOG 336 – *Geography, the Environment, and Human Health* (elective) Methods: instructor and guest lectures; small group projects; student-led presentations. Every year since 2015.

School of Kinesiology & Health Studies, Queen's University, Assistant Professor, 2011-2015

- HLTH 497 – *Seminar in Health and the Built Environment* (upper year undergraduate elective) Methods: instructor and guest lectures; seminar discussions; field work; debates; small group projects. W12, W15.

Department of Health Aging & Society, McMaster University, Instructor, 2010-2011

- HLTH AGE 3AA3 – *State, Civil Society & Health* (undergraduate core course) Methods: lectures; small group discussions. F10
- HLTH AGE 3B03 – *Research Methods in Health & Aging II* (undergraduate core course) Methods: lectures; small group projects. W11
- HLTH AGE 704 – *Policies, Systems & Services* (graduate elective) Methods: seminar discussions; student-led discussions; student-led presentations. W10

Faculty of Health Sciences, Simon Fraser University, Sessional Instructor, 2008

- HSCI 403 – *Health and the Built Environment* (undergraduate elective) Methods: instructor and guest lectures; large and small group discussions; debates; small group projects. SS08

Department of Geography, Simon Fraser University, Teaching Assistant, 2005-2009

- GEOG 162 – *Geography of Canada* (undergraduate elective). 2007, 2009
- GEOG 386 – *Geography of Health and Health Care* (undergraduate elective). 2005

Department of Biochemistry, McMaster University, Teaching Assistant, 2003-2004

- BIOCHEM 3N03 – *Nutrition and Human Metabolism* (upper year undergraduate elective course). 2003, 2004

GUEST LECTURES FOR COURSES

- “Approaches to Research in Geography.” Panel discussion for GPHY 801/857, Department of Geography and Planning, November 2019.
- “The Public Health Potential of Transit Ridership in a Midsized Canadian City: A Longitudinal Analysis of Commute Pattern Changes among Employees at Queen’s University.” Guest lecture for GPHY 370, Department of Geography and Planning, Queen’s University, February 2016.
- “Designing and Planning for Healthy and Supportive Environments.” Guest lecture for EPID 825, Department of Public Health Sciences, Queen’s University, February 2015.
- “Conceptualizing and Addressing Health Inequities in Health and Well-Being.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2014.
- “Conceptualizing and Addressing Health Inequities in Health and Well-Being.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2013.
- “Conceptualizing and Addressing Health Inequities: Presentation for SURP 870.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2012.

STUDENT SUPERVISION & ADVISING (*Denotes students who have been co-authors on published work)**Doctoral Dissertations**

1. Jennifer Dare. Title TBD. School of Environmental Studies. 2021-present. (co-supervision with Dr. Kristen Lowitt)

Master of Planning Reports, Department of Geography & Planning, Queen’s University (2 active; 32 completed)Active supervisions

1. Cantlay, Stephanie. TBD. 2022-present
2. Koenig, Nico. TBD. 2022-present.

Completed supervisions

1. Adeola, Damilare. “The Effects of Provincial and Municipal Sustainability Policies on Development Patterns in Ontario: A case study of Markham.” 2013-2014.
2. Aghabozorgafjeh, Saharsadat. “Redesign of Shannon and Headway Parks; Improving Their Accessibility, Amenities, and Facilities.” 2012-2013 (Supervision transferred to Prof. Leela Viswanathan in Feb 2013).

3. *Allman, Lindsay. "Reacting to change: Exploring the potential impacts of school closures on households and neighbourhoods in Kingston, Ontario." 2017-2018.
4. Archibald, Brandon. "Active Mobility Planning in Ontario's Rural Communities: A Case Study of Haliburton and Prince Edward County." 2021-2022.
5. Beaty, Angus. "Evaluating the Walkability of Transit Oriented Development in a Future Transportation Corridor in Metro Vancouver's Northeast Sector." 2013-2014.
6. Chris, Laura. "A Built Environment Analysis for Fostering Active and Safe Routes to School for Four Elementary Public Schools in Kingston, Ontario." 2011-2012.
7. Coates, Victoria. "Planning Age-Friendly Neighbourhoods: An Evaluation of Two Neighbourhoods in Hamilton, ON." 2014-2015.
8. *Cranston, Sarah. "School Closures & Community Hubs: Examining Livability in Ontario through School Closures and the Community Hubs Framework." 2016.
9. Cruceru, Ana. "An Evaluation of the Pedestrian Environment of Princess Street in Kingston, Ontario, From the Perspective of the 'Great Street' Concept." 2012-2013 (Supervision transferred to Prof. Carl Bray in Feb 2013).
10. Culley, Christina. "Anaerobic Digestion as a Residential Food Waste Management Method." 2019-2020.
11. Fotino, Anthony. "Education, One Step at a Time: A Walkability Assessment of Three Southern Ontario Inner City Campus Thoroughfare Streets." 2014-2015.
12. *Fraser, Carling. "Students and Seniors: Intergenerational Homesharing in Kingston, Ontario." 2018-2019.
13. Hasler, Brittany. "Municipal Promotion of Small-Scale Renewable Energy Projects." 2011-2012.
14. Hynes, Michaella. "Exploring eco-gentrification as a result of urban linear park redevelopments: A case study of The Meadoway in the City of Toronto." 2021-2022.
15. Jamal, Shairoz. "Programming and Services for Youth in North Kingston Parks." 2012-2013 (Supervision transferred to Prof. Patricia Streich in Feb 2013).
16. *Lee, Claire. "Making Space for Physical Distancing in Canada's Urban Centers: A Case Study of Vancouver's *Slow Streets*." 2020-2021. Recipient of the 2021 Dillon Consulting Limited Scholarship
17. *MacFarlane, Robert. "Attitudinal Variables Influencing Transit Ridership: Measuring the Impact of Express Bus Service in Kingston, Ontario." 2016-2017.
18. McDonell, Heather. "Improving Community Health Through Collaboration Between Public Health And Urban Planning: A Case Study In The Region Of Peel." 2013-2014.
19. Nabuurs, Hayley. "Making Heritage Community Centres Accessible for an Aging Population in Peterborough, ON." 2019-2020.

25. *Smith, Laura. “Exploring the planning, implementation, and uptake of a School Street initiative in Canada: A pilot study in Kingston, Ontario.” 2021-2022.
26. Snow, Gabrielle. “A Socio-Spatial Analysis of Communities Affected by Public School Closures in Ontario.” 2018-2019.
27. Spessot, Miranda. “Pathways to Walkability: Examining the Influence of Neighbourhood SES and Urban Form on Walkability in Ottawa, Ontario.” 2014-2015.
28. *Stuart, John. “Planning for Urban Biodiversity: An Examination of the relationship between ICSP Principles and Novel Ecosystem Formation.” 2012-2013 (Jointly supervised with Graham Whitelaw).
29. Thibault, Jenna. “How Age-Friendly are Kingston’s Suburban Streets? A Comparative Analysis of Two Developments in the City of Kingston.” 2014-2015.
30. Tootoonchian, Pegah. “Park It: an examination of 6 urban parks and user needs in Downtown City of Toronto.” 2014-2015.
31. *Williams, Brandon. “Integrated Community Sustainability Planning: A Comparative Case Study.” 2012-2013
32. Wood, Jennifer. “Planning for Healthy Communities.” Winner of the 2012 OPPI Susan Cumming Scholarship. 2011-2012.

Undergraduate Honour’s Thesis, School of Kinesiology & Health Studies, Queen’s University (2 completed)

- *Chadwick, Kathryn. “Examining disparities in the mental health and social support availability of Canadian immigrants between small and large urban centers.” 2013-2014. (BA)
- *Tait, Justin. “Ontario Movers Study.” 2016-2017. (BSc)

Undergraduate Honour’s Thesis, Department of Health Aging & Society, McMaster University (2 completed)

- *Alberghetti, Alessandra. “A Passion for Gambling: Gambling Behaviours Among the Older Adult Population.” 2010-2011.
- De Nobile, Megan. “The Relationship between Alcohol Consumption and Social Context in Older Individuals.” 2010-2011.

Master of Planning Advising, School of Urban and Regional Planning, Queen’s University

- 2019-2020: Ruhie Chohan, Christina Culley, Leah Curtis, Faith Ford, Jasmine Goodman, Jaeten Gosal, Ryan Klemencic, Stephan Kukkonen, Travis Moriarity, Victoria Ruck, Jaelyn Schneider, Arjan Soor, Jennifer Sutton, Victoria Webster
- 2018-2019: Elysia Ackroyd, Ruhie Chohan, Leah Curtis, Vincent Deforges, MacLean Fitzgerald, Carling Fraser, Katherine Janota-Bzowska, Hayley Nabuurs, Mark Ong, Victoria Ruck, Gabrielle Snow, Jennifer Sutton, Victoria Webster
- 2017-2018: Lindsay Allman, Joanna Rees
- 2016-2017: Olivia Fortenbacher, Emilie Coyle, Sarah Libera, Michael Franzolini, Abu Naser Hoque, Chanti Birdi, Lindsay Allman, Andrew Eberhard

- 2015-2016: Anthony Clements-Haines, Emilie Coyle, Olivia Fortenbacher, Michael Franzolini, Michael Giallonardo, Abu Naser Hoque, Madushi Seneviratne, Tyler Venable
- 2014-2015: Michael Ayalew, Andrew Carr, Tyler Duval, Kirsten Eaton, Ali Meghani, Asia Pineau, Danna See-Har, Amy Shanks, Ashley Taylor
- 2013-2014: Andrew Misiak, Dhilan Gunasekara, Ibrahim Dia, Molly Smith, Pegah Tootoonchian
- 2012-2013: Ermias Amayu, Nancy Cornish, Farhad Javidi Parsjani, Mattson Meere, Jason Sands, David Westbrook
- 2011-2012: Morgan Alger, Tony Gkotsis

GRADUATE THESIS PROPOSAL EXAMINATIONS

Summary: Total of 6

MA, Kinesiology & Health Studies	1
MSc, Kinesiology & Health Studies	1
PhD, Geography and Planning	4

1. Williams Agyemang-Duah. “Understanding Informal Caregiving Architecture in Ghana: Normative Values, Health and Healthcare.” **Head’s Delegate**, PhD Qualifying Examination, 25 March 2022.
2. Sue Collis. “Law and (Dis)Continuity in the Settler-Colonial Formation: A Genealogy of Anomaly and its Effects.” **Chair**, PhD Qualifying Examination, 31 October 2019.
3. Yuan Li. “The Role of Community in Supporting Aging Well: Aging in Community and the Use of Community-Based Services.” **Head’s Delegate**, PhD Qualifying Examination, Department of Geography and Planning, Queen’s University, 1 August 2019.
4. Nicole Goodbrand. “De dwa da dehs nye>s (we’re taking care of each other amongst ourselves): Implementing A Collaborative Urban Indigenous Wellness Study in Brantford, Ontario.” **Internal Examiner**, PhD Qualifying Examination, Department of Geography and Planning, Queen’s University, 23 July 2019.
5. Madison Hainstock. “Exploring shifting foodscapes of tenants enrolled in permanent supportive housing in Kingston, Ontario.” **Internal Examiner**, MA Proposal Defense, School of Kinesiology & Health Studies, Queen’s University, 15 June 2016.
6. Darran Atrooshi. “A Multi-Faceted Approach to Active Transportation to School in Rural Elementary School Students.” **Internal Examiner**, MSc Proposal Defense, School of Kinesiology & Health Studies, Queen’s University, 4 September 2015.

GRADUATE STUDENT EXAMINATIONS – EXTERNAL TO QUEEN’S

1. Kara Terese Lilly. **External Examiner**, PhD Dissertation Examination, Curtin University, Australia, February 2022.
2. Keely Stenberg. **External Examiner**, PhD Comprehensive Examination, School of Planning, University of Waterloo, 14 December 2020.

GRADUATE STUDENT EXAMINATIONS – INTERNAL TO QUEEN’S**Summary: Total of 28**

PhD, Aging & Health	1
MES, Environmental Studies	1
PhD, Environmental Studies	1
PhD, Economics	1
PhD, Education	1
MA, Geography & Planning	4
MPI, Geography & Planning	3
PhD, Geography & Planning	1
MA, Kinesiology & Health Studies	3
MSc, Kinesiology & Health Studies	5
PhD, Kinesiology & Health Studies	2
PhD, Political Studies	1
MSc, Public Health Sciences	3
PhD, Public Health Sciences	1

1. Julia Isabella Lapena. “Es-paces on Mexican campuses: Cultural adaptation of the physical activity campus environmental supports audit. **External Examine**, MSc Defense, School of Kinesiology and Health Studies, 28 July 2022.
2. Shahida Easmin Hoque. “Organic Growth: Sustainable Settlement Planning for Displaced Populations in Developing Countries.” **Chair**, MPI Defense, Department of Geography and Planning, 13 May 2022.
3. Jodi Lynne Webber. “Exploring how policy, practice and regional perspectives of caregiving combine to mitigate unpaid caregiver distress: A case study of the former south west local health integration network of Ontario.” **Internal-External Examiner**, PhD Defense, Aging & Health, 18 February 2022.
4. Danielle Gionnas. “Is service provision always equitable? Analyzing access to dental services and oral health outcomes of older adults in Ontario.” **Internal Examiner**, MA Defense, Department of Geography and Planning, 24 September 2021.
5. Abigail Wilson. “Participatory Community Asset Mapping for Rural Youth Mental Health in Wellington County, Ontario.” **Chair**, MSc Defense, School of Kinesiology and Health Studies, 22 September 2021.
6. Cassandra Kuyvenhoven. “Moving waste around: Unpacking how socio-political decision are made about municipal solid waste and its transportation.” **Internal-External Examiner**, PhD Defense, School of Environmental Studies, 28 April 2021.
7. Erica Phipps. “Building a foundation for Equity-focused Intersectoral Practice (EquIP) - An exploratory intervention in intersectoral action on housing inadequacy in Owen Sound, Ontario.” **Chair**, PhD Defense, School of Kinesiology and Health Studies, Queen’s University, 29 May 2020.
8. Heather Nesbitt. “More Than Just Getting By: Understanding and Supporting Student Thriving in the Ontario Kindergarten Classroom.” **Chair**, PhD Defense, Department of Education, Queen’s University, 1 April 2019.

9. Jeremy Ladd. "Winning At All Costs: Explaining Opposition Party Success and Failure in Hybrid Regimes." **Chair**, PhD Defense, Department of Political Studies, Queen's University, 12 September 2018.
10. Rachel Iacoe. "Putting Food Back into the Curriculum: Key Informants' Perspectives on Implementing a Mandatory Food Literacy Component in Ontario Secondary School Curriculum." **External Examiner**, MA Defense, School of Kinesiology and Health Studies, Queen's University, 20 August 2018.
11. Alexandra Reid. "Physical activity and usage patterns in community sport and recreation spaces in Guadalajara, Mexico." **External Examiner**, MSc Defense, School of Kinesiology and Health Studies, Queen's University, 13 June 2018.
12. Madison Hainstock. "'We Have a Roof Over Our Head, But We Have to Eat Too': The Impact Of Shifting Foodscapes On Health And Wellbeing During The Transition From Homelessness Into Supportive Housing." **Internal-External Examiner**, MA Defense, School of Kinesiology and Health Studies, Queen's University, 26 September 2017.
13. Afshin Vafaei. "The Impact of Community Social Capital on the Occurrence of Injuries in Adolescents, and Falls in Older Adults: Population-Based Studies Conducted in Canadian Samples." **Internal-External Examiner**, PhD Defense, Department of Public Health Sciences, Queen's University, 24 November 2016.
14. Madison Koekkoek. "'Come and live in my Shoes': Food Access and social isolation for People living in poverty in Gananoque, Ontario." **Head's Delegate**, MA Defense, School of Kinesiology & Health Studies, Queen's University, 18 October 2016.
15. Darran Atrooshi. "Exploring Parental Perceptions of a Walking-School-Bus Initiative in Northern Ontario." **Internal-External Examiner**, MSc Defense, School of Kinesiology & Health Studies, Queen's University, 11 October 2016.
16. Justine McLeod. "Neighborhood Perception of Safety and the Mobility Gap between Men and Women in Old Age." **External Examiner**, MSc Defense, Department of Public Health Sciences, Queen's University, 2 August 2016.
17. Rajendra Subedi. "Healthy Immigrants? Healthy Workers? High-Skilled Immigrants Working in Low-Skilled Jobs in Ottawa, Canada." **Head's Delegate**, PhD Dissertation Defense, Department of Geography and Planning, Queen's University, 22 April 2016.
18. Trevor Wideman. "(Re)assembling 'Japantown': A critical toponymy of planning and resistance in Vancouver's Downtown Eastside." **Internal Examiner**, MA Defense, Department of Geography and Planning, Queen's University, 25 September 2015.
