CONGRATULATIONS!

On June 21, 2022, Geography and Planning graduates from the classes of 2020, 2021, and 2022 attended Convocation Ceremonies at the Leon's Centre, followed by a drop-in reception at the University Club. Congratulations to all on the achievement of your degrees! To view a gallery of photos from the reception event, please visit the [In the News](#) page of the Geography and Planning website.

HANNAH HUNTER'S PORTFOLIO PhD

Hannah Hunter, a PhD student in Geography and Planning, has recently been awarded funding by Queen's University to support development of her "Portfolio PhD," a unique, multimedia approach to structuring and sharing her doctoral research.

To learn more about Hannah's learning journey and what has motivated her to choose this innovative format for her dissertation, please read the full article at the [In the News](#) page of the Geography and Planning website.

IN THE NEWS

From *Plan Canada*, the journal of the Canadian Institute of Planners: The Summer 2022 special issue on Suburban Transformations features two articles by **David Gordon** with **Megan Smythe** (MPL'22) and **Miranda Virginillo** (MPL'22). See the entire issue [here](#).

Warren Mabee (Arts and Science, Department of Geography and Planning, School of Policy Studies):

Global News: [Expert says climate change affecting maple syrup production](#)

Dr. Mabee talks about how climate change is having an effect on the process of making maple syrup.
