

PATRICIA ANNE COLLINS, PhD

Curriculum Vitae

CURRENT POSITIONS

Professor, Department of Geography and Planning, Queen's University (primary appt)
Professor, School of Kinesiology and Health Studies, Queen's University (cross-appt)

ACADEMIC QUALIFICATIONS

- | | |
|-------------|---|
| 2010 – 2011 | Postdoctoral Fellow, Health Aging & Society, McMaster University
Project title: Examining Community Health Centres' Initiatives to Address Upstream Health Determinants at the Neighbourhood Level in Ontario
Supervisor: Dr. James Dunn |
| 2005 – 2009 | PhD, Health Geography, Simon Fraser University
Dissertation title: Investigating the Roles of Urban Municipal Governments in Addressing Population Health Inequities: Prescriptions, Capacities, and Intentions
Supervisor: Dr. Michael Hayes |
| 2002 – 2004 | MSc, Health Research Methodology, McMaster University
Thesis title: Addressing the Social Determinants of Health: Understanding the Role of Values as Facilitators and Barriers to Action
Supervisor: Dr. Julia Abelson |
| 1997 – 2002 | BSc with distinction, Honours Biochemistry (Coop), McMaster University
Undergraduate Report title: Investigating the Impact of Protein-Enriched Formulas on Protein Statuses in Preterm Infants by Measuring Total Protein, Protein Excess and Protein Accretion
Supervisor: Dr. Stephanie Atkinson |

AREAS OF INTEREST

Research

Healthy communities
Healthy built environments
Social and environmental health determinants
Socio-spatial health inequities
Sustainable mobility and automobility
Population health intervention research

Teaching

Healthy community planning
Health and the built environment
Health geography
Qualitative methods
Quantitative methods
Planning studio

PROFESSIONAL EXPERIENCE

2026-present	Professor, Department of Geography and Planning, Queen's University, Kingston, ON
2026-present	Professor (cross-appointed), School of Kinesiology and Health Studies, Queen's University, Kingston, ON
2025-present	Admissions Coordinator, School of Urban and Regional Planning, Queen's University, Kingston, ON
2017-2026	Associate Professor, Department of Geography and Planning, Queen's University, Kingston, ON
2017-2026	Associate Professor (cross-appointed), School of Kinesiology and Health Studies, Queen's University, Kingston, ON
2022	Acting Director, School of Urban and Regional Planning, Queen's University, Kingston, ON
2015-2017	Assistant Professor, Department of Geography and Planning, Queen's University, Kingston, ON
2011-2017	Assistant Professor (cross-appointed), School of Kinesiology and Health Studies, Queen's University, Kingston, ON
2011-2015	Assistant Professor, School of Urban and Regional Planning, Queen's University, Kingston, ON
2010-2011	Postdoctoral Fellow, Department of Health Aging & Society, McMaster University, Hamilton, ON
2006-2008	Research Assistant (media and health policy), Centre for Health Economics and Policy Analysis, McMaster University, Hamilton ON
2005-2007	Research Assistant (urban structures and population health), Institute for Health Research and Education, Simon Fraser University, Burnaby BC
2001-2004	Research Assistant (health policy), Centre for Health Economics and Policy Analysis, McMaster University, Hamilton ON

CAREER INTERRUPTIONS

Parental Leave	Feb – July 2013; June – Dec 2009
----------------	----------------------------------

RESEARCH & SCHOLARSHIP

*** Denotes graduate students or graduate research assistants under my supervision**

**** Denotes undergraduate students under my supervision**

REFEREED CONTRIBUTIONS

 55. **Collins PA**, Abelson J, Eyles J. "Exploring Ideological Barriers to Addressing Health Inequalities at the Local Level." Oral presentation at 4th International Conference on Urban Health, Westin Harbour Castle, Toronto, ON, 26-28 October 2005.
 56. **Collins PA**, Abelson J, Dornan C, Pyman H. "Informing the public or representing stakeholder interests? Print media coverage of Canada's 2002 health reform debate." Oral presentation at 1st Conference of the Canadian Association for Health Services and Policy Research, Hyatt Regency Hotel, Montreal, QC, 25-28 May 2004.
 57. **Collins PA**, Abelson J, Eyles J. "Citizens' Rankings of the Social Determinants of Health: A Pilot Study in Brantford, Ontario." Poster presentation at 11th Biennial Social Welfare Policy Conference, Ottawa, ON, 15-17 June 2003.
 58. **Collins PA** (co-presenter), Abelson J (co-presenter). "The role of values in governing the community care sector." Oral presentation at 2nd Annual Clinical Epidemiology and Biostatistics Research Day, McMaster University, Hamilton, ON, 24 September 2003.
 59. **Collins PA**, Abelson J, Eyles J. "Citizens' Rankings of the Social Determinants of Health: A Pilot Study in Brantford, Ontario." Poster presentation at Social Determinants of Health Across the Life-Span Conference, Toronto, ON, 29 November to 1 December 2002.
 60. Abelson J, Forest PG, Eyles J, **Collins PA** (co-presenter), Gauvin FP (co-presenter), McMullan C, Perreault C, MacIntyre E. "Using Citizens' Panels to Inform Resource Allocation and Health Priority Decisions: Results from Pilot Experiments in Ontario and Quebec." Poster presentation at 10th Canadian Conference on Health Economics: Stability and Change in the Canadian Health Care System, Halifax, Nova Scotia, 22-25 May 2002.

INVITED PRESENTATIONS

Invited Panels

1. Sones M, **Collins P**, Rothman L. 2025. "Science, policy, and politics: Bridging the divide for healthier cities." Panel for The Fourth Annual Healthy Cities Virtual Conference, 12-13 November, 2025.
2. **Collins PA**, Healey R, Norris C, Schofield J, Sinclair S, Stephen W. "Micromobility and Queen Street Possibilities Workshop." Workshop hosted by Kingston Coalition for Active Transportation, Kingston, ON, 21 October 2024.
3. Fuselli P, Clark A, McLaughlin K, **Collins PA**. "Our Stories - The Impact of Equitable Access to Public Spaces." Data Driven Decisions for Healthy, Equitable Mid-Sized Cities, Oshawa, ON, 17 June 2024.

4. **Collins PA**, Rodrigues M, Kent C, Taylor S. "Responding to School Closures: A Discussion on the Shifting Paradigm." Ontario Professional Planners Institute Annual Meeting (Virtual), 23 September 2020.
5. Rappolt R, **Collins PA**, Rodrigues M. "School Closures: From Crisis to Opportunity." Ontario Professional Planners Institute Annual Meeting, Toronto, ON, 1-4 October 2019.
6. **Collins PA**. "Pondering the Social and Economic Implications of Road-Tripping in Canada." Agnes Etherington Philosopher's Café, Queen's University, 11 May 2017.
7. **Collins PA**. "Healthy Commuting: Archiving Longitudinal Journey-to-Work and Health Data from a Localized Population." Data Day, Queen's University, 11 May 2017.
8. **Collins PA**, Kosny M. "The Role of Education in Fostering Health/Planning Partnerships." Canadian Institute of Planners Annual Meeting, Fredericton, NB, 12 July, 2014.

Invited Presentations

9. **Collins PA** (presenter), Irwin B, Caldwell W. "What happens when schools close? What can planners do?" Oral presentation at the PlanEd meeting hosted by Thames Valley District School Board, London, ON, 23 August, 2019.
10. **Collins PA** (presenter), Agarwal A, Healey R. "A Longitudinal Examination of the Impacts of Public Transit Improvements on Commute Patterns of Queen's University Employees." Oral presentation to City of Kingston Transit Department, Kingston, ON, May 2 2016.
11. **Collins PA** (presenter), Agarwal A. "The Public Health Potential of Transit Ridership in a Midsized Canadian City: A Longitudinal Analysis of Commute Pattern Changes among Employees at Queen's University." Oral presentation at KFL&A Public Health Red Hot Topics. Kingston ON, 4 November 2015.
12. Wood J* (co-presenter), **Collins PA** (co-presenter). "Shaping Active, Healthy Communities in Loyalist Township." Co-presented and co-facilitated *SAHC Community Workshop*. Loyalist Township, ON, 4 May 2012.
13. **Collins PA** (presenter), Mayer D, Banaszewska A. "Examining the Scope, Patterns, and Barriers to Active Transportation in Kingston, Ontario." Oral presentation at *Kingston Coalition for Active Transportation Forum*. Kingston, ON, 7 March 2012.
14. **Collins PA** (presenter), Abelson J, Giacomini M, Brazil K, Eyles J, Ploeg J, Hutchison B. "Analysis of Organizational and Community Values about Community Care in Hamilton." Poster presentation at *Community Care Research Centre Knowledge Exchange*. Hamilton ON, 7 May 2003.

Departmental Seminars

15. **Collins PA**. "Reclaiming Children's 'Right to the City' through Street Rebalancing: Contrasting Stakeholder Perspectives from Kingston, Ontario." Seminar presentation for School of Environmental Studies. April 2024.
16. **Collins PA**. "Designing and Planning for Healthy Built Environments." Presentation for the Global Health Academic Day, Department of Family Medicine, Queen's University, December 2023.

17. **Collins PA.** “Reclaiming Children’s ‘Right to the City’ through Street Rebalancing: Contrasting Stakeholder Perspectives from Kingston, Ontario.” Seminar presentation for Department of Geography and Planning. November 2023.
18. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2019.
19. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2018.
20. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2016.
21. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2015.
22. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2014.
23. **Collins PA.** “Making Cities Healthy for All: Tales from a Healthy Communities Researcher.” Presentation for the School of Urban and Regional Planning Seminar Series, Queen’s University, January 2014.
24. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2013.
25. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Seminar, Department of Family Medicine, Queen’s University, January 2013.
26. **Collins PA.** “Healthy Communities through Governance, Planning, and Service Delivery.” Presentation for the School of Urban and Regional Planning, Queen’s University, 9 November 2010.
27. **Collins PA.** “Investigating the of urban municipal governments in addressing population health inequities: prescriptions, capacities, and intentions.” Presentation for the Department of Health Aging & Society Seminar Series, McMaster University, 22 September 2010.
28. **Collins PA.** “Patricia Collins: A Population Health Policy & Intervention Researcher.” Presentation for the Propel Centre for Population Health Impact, University of Waterloo, 12 April 2010.
29. **Collins PA.** “Reducing Health Inequities and Creating Healthy Public Policy: Experiences and Interests of a Health Policy and Social Justice Researcher.” Presentation for the Department of Health Studies, Wilfrid Laurier University Brantford, 12 July 2010.
30. **Collins PA.** “Addressing Health Inequities: Experiences and Intentions of a Community Health Researcher.” Presentation for the Department of Community Health and Epidemiology, University of Saskatchewan, 9 April 2009.
31. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequities.” Presentation for the Department of Sociology, University of Manitoba, 12 January 2009.

32. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequities.” Presentation for the Johnson Shoyama Graduate School of Public Policy, University of Regina, 9 January 2009.
33. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequalities.” Presentation for Centre for Health Services & Policy Research, University of British Columbia, 23 June 2008.

MEETING PARTICIPANT

Academic Meetings

1. “CapaCITY/CITÉ Summit, Year 3.” INRS, Montreal, QC, May 28-30, 2025.
2. “Building CapaCITY/CITÉ for Sustainable Transportation: Project Kick-Off Meeting.” Simon Fraser University Harbour Centre Campus, Vancouver, BC, March 2-3, 2023.
3. “The Future of eBike Mobility in Ontario.” Waterloo, ON, 23 May 2018.
4. “Strengthening Organizational Capacity for Public Health Equity Action (OC-PHEA): Developing a Research Agenda.” Winnipeg, MB, 13-15 July, 2014.
5. “Strengthening a community of practice in PHIR.” PHIRNET Summer Institute 2010. Winnipeg, MB, 27-30 June, 2010.
6. International Society for Physical Activity and Health 3rd International Conference. Toronto, ON, 5-8 May, 2010.
7. “Toward a Canadian Agenda for Knowledge Production, Translation, and Capacity-Building.” McMaster Institute for Environment and Health Environment, Health, and Social Equity Workshop. Hamilton, ON, 24-25 May, 2007.
8. “Voices and Choices: Public Engagement in Health Care Policy.” Centre for Health Services and Policy Research Annual Conference. Vancouver, ON, 22 February, 2007.
9. “What Determines the Public’s Health?” Canadian Public Health Association 97th Annual Conference. Vancouver, BC, 28-31 May, 2006.
10. “Finding a Place for Place in Health Research and Policy.” Canadian Population Health Initiative Research and Policy Workshop. Val David, QC, 27-29 April, 2005.
11. CHEPA Roundtable on Policy Issues for New and Emerging Genetic Technologies. Toronto, ON, 17 February, 2003.

Non-Academic Meetings & Workshops

12. “Walkable Streets.” Hosted by City Lab Discovery, Barcelona, Spain, 3-4 November 2024.
13. “Complete Streets Forum.” Hosted by Toronto Centre for Active Transportation, Toronto, ON, 23 April 2012.
14. “Planning for a Healthier Toronto Roundtable.” Hosted by City of Toronto Public Health, Toronto, ON, 30 March 2012.
15. “Sustainable Kingston Community Forum.” Hosted by Kingston Coalition for Active Transportation, Kingston, ON, 28 January 2012.
16. “Health Equity: Pushing the Boundaries.” Association of Ontario Health Centres 2010 Conference. Niagara Falls, ON, 10-11 June, 2010.

MEDIA INTERVIEWS AND ARTICLES

WORKSHOP ORGANIZER AND CONVENOR

1. “Advancing Healthy Public Policy in Kingston, Ontario.” CIHR-funded workshop with over 50 participants representing the City of Kingston, South East Public Health, Cataraqui Region Conservation Authority, Queen’s University, and various non-profit sector groups. Hosted in-person at Queen’s University, Kingston, ON, 18 June 2025.
2. “Communities left behind? A timely examination of school closure controversies for justice-informed decision-making on the fate of public schools in Ontario.” SSHRC-funded workshop with 21 participants representing the Association of Municipalities of Ontario, Ontario Professional Planners Institute, Community Schools Alliance, Ontario Association of School Board Officials, Council of Senior Business Officials, Council of Directors of Education, Ontario Catholic School Trustees Association, and Ontario Public School Boards Association. Hosted virtually through Queen’s University, 30 November 2023.
3. “Interactive Webinar on Public School Closures in Ontario.” SSHRC-funded workshop with 115 participants representing municipal staff and elected officials, school board trustees, school board staff, provincial government staff, and university researchers. Hosted virtually through Queen’s University, 9 November 2023.

FUNDED GRANTS**Total Grants as Principal or Sole Investigator = \$872,929****Total Grants as Co-Investigator = \$8,348,494**

- 2025-2026 Healthy Cities Research Initiative, Planning & Dissemination Grant, CIHR. *Integrating Land Use and Transportation Planning as Healthy Urban Policy in Kingston, Ontario: Adapting Insights from a Model City for YG220K. Role: Principal Investigator. Amount awarded: \$66,409.*
- 2024-2028 Healthy Cities and Communities Fund, PHAC. *National Active School Streets Initiative. Role: Co-Investigator + Lead for Evaluation Team + Lead for Kingston study site. Amount awarded: \$3,000,000 from PHAC + \$3,000,000 in matched funding.*
- 2023-2028 Healthy Cities Implementation Science Team Grants, CIHR. *Building CapaCITY/CITÉ for Sustainable Transportation. Role: Co-Investigator. Amount awarded: \$3,000,000.*
- 2022-2023 Accelerate, MITACS. *Implementing and Evaluating School Street Initiatives in Ontario: Pilot Testing Street Reallocation Initiatives in Kingston, Markham, Hamilton, and Mississauga. Role: Principal Investigator. Amount awarded: \$15,000.*
- 2022-2023 Healthy Cities Implementation Science Team Grants, CIHR. *PROACTIVE Optimizing real world interventions for older adults: Community tailored implementation of person valued interventions through continual evaluation. Role: Co-Investigator. Amount awarded: \$24,680.*
- 2022-2023 Healthy Cities Implementation Science Team Grants, CIHR. *INTERventions, Research, and Action in Cities Team for Implementation Science. Role: Co-Investigator. Amount awarded: \$25,000.*
- 2021-2022 Accelerate, MITACS. *Levelling the Playing Fields: An Evaluation of Play Street and School Street Initiatives in Kingston, Ontario. Role: Principal Investigator. Amount awarded: \$15,000.*
- 2021-2023 Insight Development Grant, SSHRC. *“Everybody bikes!” Lived experiences of cycling in the Netherlands and Canada and their insights for planning in Canadian cities.” Role: Collaborator. Amount awarded: \$73,453.*
- 2021-2023 Insight Development Grant, SSHRC. *“It’s too risky to let my child play on the street!” Pilot testing the effects of ‘Play Streets’ on parental allowances for children’s outdoor free play in two Canadian cities. Role: Principal Investigator. Amount awarded: \$73,798.*

- 2021-2024 Project Grant, CIHR. *Levelling the Playing Fields: Creating the conditions for free play to emerge in cities.* **Role: Co-Principal Investigator. Amount awarded: \$359,549.**
- 2018-2022 Insight Grant, SSHRC. *Communities left behind? A timely examination of school closure controversies for justice-informed decision-making on the fate of public schools in Ontario.* **Role: Principal Investigator. Amount awarded: \$236,327.**
- 2018-2019 CIHR-IPPH Planning and Dissemination Grant on Healthy Cities. *Towards healthy mid-sized cities: Assessing the potential for electric-bicycles to facilitate transportation reform using big-data.* **Role: Co-Investigator. Amount awarded: \$10,000.**
- 2016-2018 Insight Grant, SSHRC. *Best practices for Canadian municipalities to promote the right to food for all.* **Role: Co-Investigator. Amount awarded: \$180,500.**
- 2016-2017 Programmatic Grants in Intersectoral Prevention Research, Grant Development Funds, CIHR. *Building a PROACTIVE Team to assess drivers and impacts of intersectoral action for urban environmental health equity.* **Role: Co-Investigator and Site Lead. Amount awarded: \$50,000.**
- 2015-2017 Insight Development Grant, SSHRC. *Will Millenials be the Sustainable Generation? Policy Implications of Millenials' Travel Patterns in Metropolitan Canada.* **Role: Co-Investigator. Amount awarded: \$70,000.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Examining Commute Patterns and Health of Queen's Employees.* **Role: Principal Investigator. Amount awarded: \$6,500.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Best practices for Canadian municipalities to promote the right to food for all.* **Role: Co-Investigator. Amount awarded: \$3,500.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Communities Left Behind? A Longitudinal Analysis of the Sustainability Impacts of Permanent Public School Closures in Four Ontario Cities.* **Role: Principal Investigator. Amount awarded: \$3,500.**
- 2014-2015 Partnerships for Health System Improvement, Institute of Health Services and Policy Research, CIHR. *Strengthening organizational capacity for public health equity action: Developing a research agenda.* **Role: Co-**

Investigator. Amount awarded: \$25,000. Principal Investigator: Dr. Benita Cohen.

- 2013-2016 Health Services Research Fund, Ontario Ministry of Health and Long-Term Care. *Healthier Built Environments Ontario: An Opportunity for Innovation in Mental Health & Obesity Policy.* **Role: Co-Investigator. Amount awarded: \$1,886,361.** Principal Investigator: Dr. Jim Dunn.
- 2013-2014 Senate Advisory Research Committee Grant, Queen's University. *Examining media discourses on municipalities' roles in addressing household food insecurity: An analysis of newspaper coverage in Ontario.* **Role: Sole Investigator. Amount awarded: \$7,000.**
- 2012-2014 Insight Development Grant, SSHRC. *Examining Integrated Community Sustainability Planning by Municipalities from an Organizational Learning Perspective: A Comparative Case Study of Four Mid-Sized Municipalities in Ontario.* **Role: Principal Investigator. Amount awarded: \$71,846.**
- 2012-2013 Grant Development Funds, Programmatic Grants in Food and Health, CIHR. *The buck stops here? A critical and comprehensive pan-Canadian analysis of the prescriptions, scope, impacts, and costs of municipal-level interventions to reduce household food insecurity.* **Role: Principal Investigator. Amount awarded: \$10,000.**
- 2012-2013 Senate Advisory Research Committee Grant, Queen's University, *Examining Integrated Community Sustainability Planning from an Organizational Learning Perspective: An In-Depth Analysis of the City of Kingston, Ontario.* **Role: Sole Investigator. Amount awarded: \$8,000.**

HONOURS, AWARDS & DISTINCTIONS

2011, 2012, 2015	Travel Award, Queen's University, Kingston, ON (\$1500, \$1500, \$900)
2012	Certificates of Appreciation, Kingston Coalition for Active Transportation, and Kingston Mission, Heart & Stroke Foundation of Ontario
2010	Postdoctoral Fellowship Award, Population Health Intervention Research Network (\$36,750/year; 2 years)
2008, 2008	Graduate Fellowship, Simon Fraser University, Burnaby, BC (\$6250 each)
2008	Summer Institute on Innovation in Knowledge Translation Research, Canadian Institutes of Health Research, Ottawa, ON (accepted participant; invitation declined)
2008	Cross Government Research Policy and Practice Branch Travel Award, Simon Fraser University, Burnaby, BC (\$1500)
2008	President's Research Stipend, Simon Fraser University, Burnaby, BC (\$6250)
2007	Social Sciences and Humanities Research Council Doctoral Award (\$20,000/year; 2 years)
2006	Canadian Association for Health Services and Policy Research Conference Third Place Poster Forum Award (\$400)
2005	Michael Smith Foundation for Health Research/British Columbia Medical Services Foundation Senior Graduate Studentship (\$22,500/year; 3 years)
2005	Special Graduate Entrance Scholarship, Simon Fraser University, Burnaby BC (\$5000)
2004	Ontario Graduate Scholarship, Ontario Ministry of Training, Colleges and Universities (\$15,000; award declined)
2003	CHEPA Studentship Award, McMaster University, Hamilton ON (\$4000)
2002	Graduate with distinction, <i>Summa cum laude</i> , Hamilton ON

TEACHING & SUPERVISION

COURSES TAUGHT

Department of Geography and Planning, Queen's University, Assistant/Associate Professor, 2011-present

- SURP 800 – *Master's Research Report* (methodology module) Methods: weekly group-based meetings or one-on-one meetings. Every year.
- SURP 801 – *Survey Research Methods* (methodology module) Methods: lectures; computer-assisted workshops. 2013-2014; 2021-present
- SURP 811 – *Methods for Planning* (core course) Methods: lectures; in-class activities; field work. 2025-present.
- SURP 812 – *Qualitative Research Methods* (core course) Methods: lectures; in-class activities; field work. 2021-2025.
- SURP 814 – *Planning for Sustainability* (core course) Methods: lectures; in-class activities; guest lectures; field trip. 2015-2022.
- SURP 819 – *Quantitative Methods* (core course) Methods: lectures; computer-assisted workshops; tutorials. 2011-2020; 2023, 2025.
- SURP 823 – *Health and Social Planning Project Course* (core course) Methods: studio-based course; weekly coaching in small groups; field trips. Every year.
- SURP 824 – *Land Use Planning Project Course* (core course) Methods: workshop; new project every year; weekly coaching in small groups; field trips. 2012
- SURP 861 – *Healthy Community Planning* (area of concentration elective) Methods: instructor and guest lectures; seminars; small group projects. 2012-present.
- GEOG 336 – *Geography, the Environment, and Human Health* (elective) Methods: instructor and guest lectures; small group projects; student-led presentations. Taught several times from 2015-present.

School of Kinesiology & Health Studies, Queen's University, Assistant Professor, 2011-2015

- HLTH 497 – *Seminar in Health and the Built Environment* (upper year undergraduate elective) Methods: instructor and guest lectures; seminar discussions; field work; debates; small group projects. W12, W15.

Department of Health Aging & Society, McMaster University, Instructor, 2010-2011

- HLTH AGE 3AA3 – *State, Civil Society & Health* (undergraduate core course) Methods: lectures; small group discussions. F10
- HLTH AGE 3B03 – *Research Methods in Health & Aging II* (undergraduate core course) Methods: lectures; small group projects. W11
- HLTH AGE 704 – *Policies, Systems & Services* (graduate elective) Methods: seminar discussions; student-led discussions; student-led presentations. W10

Faculty of Health Sciences, Simon Fraser University, Sessional Instructor, 2008

- HSCI 403 – *Health and the Built Environment* (undergraduate elective) Methods: instructor and guest lectures; large and small group discussions; debates; small group projects. SS08

Department of Geography, Simon Fraser University, Teaching Assistant, 2005-2009

- GEOG 162 – *Geography of Canada* (undergraduate elective). 2007, 2009
- GEOG 386 – *Geography of Health and Health Care* (undergraduate elective). 2005

Department of Biochemistry, McMaster University, Teaching Assistant, 2003-2004

- BIOCHEM 3N03 – *Nutrition and Human Metabolism* (upper year undergraduate elective course). 2003, 2004

GUEST LECTURES FOR COURSES

- “Healthy Cities and Transportation.” Guest lecture for GEG 4306, University of Ottawa. March 2023.
- “Approaches to Research in Geography.” Panel discussion for GPHY 801/857, Department of Geography and Planning, November 2019.
- “The Public Health Potential of Transit Ridership in a Midsized Canadian City: A Longitudinal Analysis of Commute Pattern Changes among Employees at Queen’s University.” Guest lecture for GPHY 370, Department of Geography and Planning, Queen’s University, February 2016.
- “Designing and Planning for Healthy and Supportive Environments.” Guest lecture for EPID 825, Department of Public Health Sciences, Queen’s University, February 2015.
- “Conceptualizing and Addressing Health Inequities in Health and Well-Being.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2014.
- “Conceptualizing and Addressing Health Inequities in Health and Well-Being.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2013.
- “Conceptualizing and Addressing Health Inequities: Presentation for SURP 870.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2012.

STUDENT SUPERVISION & ADVISING

***Denotes students (n=16) who have been co-authors on publications and/or conference presentations.**

Doctoral Dissertations

1. Alexandra Overvelde. Health, Precarity, and the Workplace: Canadian Grocery Store Workers in the Post-COVID-19 Era. 2023-present. SSHRC Doctoral Award Recipient.

Master of Planning Reports, Department of Geography & Planning, Queen's University (3 active; 38 completed)

Active supervisions

1. [Cardwell, Dianne](#). Title TBD. 2025-present.
2. [Maxwell, Robert](#). Title TBD. 2025-present.
3. [Petracca, Alex](#). Title TBD. 2025-present.
4. [Sasaki, Shiho](#). Title TBD. 2025-present.

Completed supervisions

1. *[Adeola, Damilare](#). "The Effects of Provincial and Municipal Sustainability Policies on Development Patterns in Ontario: A case study of Markham." 2013-2014. **Current role:** Sales Director, Omnivex Corporation.
2. [Aghabozorgafjeh, Saharsadat](#). "Redesign of Shannon and Headway Parks; Improving Their Accessibility, Amenities, and Facilities." 2012-2013 (Supervision transferred to Prof. Leela Viswanathan in Feb 2013). **Current role:** Intern Architect, DF Architecture Inc.
3. *[Allman, Lindsay](#). "Reacting to change: Exploring the potential impacts of school closures on households and neighbourhoods in Kingston, Ontario." 2017-2018. **Current role:** Planner III, Westbank First Nation.
4. [Archibald, Brandon](#). "Active Mobility Planning in Ontario's Rural Communities: A Case Study of Haliburton and Prince Edward County." 2021-2022. **Current role:** Policy Planner, UPLAND Planning + Design.
5. [Beaty, Angus](#). "Evaluating the Walkability of Transit Oriented Development in a Future Transportation Corridor in Metro Vancouver's Northeast Sector." 2013-2014. **Current role:** Senior Planner, TransLink.
6. [Cantlay, Stephanie](#). "Fresh Ideas: Pop-ups and Planning for the City of Calgary Farm Stand Program." 2022-2023. Recipient of the 2023 Dillon Consulting Limited Scholarship. **Current role:** Planner I, City of Calgary.
7. [Coates, Victoria](#). "Planning Age-Friendly Neighbourhoods: An Evaluation of Two Neighbourhoods in Hamilton, ON." 2014-2015. **Current role:** Senior Planner – Special Projects, City of Burlington.
8. *[Cranston, Sarah](#). "School Closures & Community Hubs: Examining Livability in Ontario through School Closures and the Community Hubs Framework." 2016. **Current role:** Planner II – rezoning, City of Vancouver.

9. [Cruceru, Ana](#). “An Evaluation of the Pedestrian Environment of Princess Street in Kingston, Ontario, From the Perspective of the ‘Great Street’ Concept.” 2012-2013 (Supervision transferred to Prof. Carl Bray in Feb 2013). **Current role:** SPM – Heritage and Urban Design, City of Hamilton.
10. [Culley, Christina](#). “Anaerobic Digestion as a Residential Food Waste Management Method.” 2019-2020. **Current role:** Planner I, City of Ottawa.
11. [Fewer, Jacob](#). “Moving Differently: Exploring Neurodivergent Mobility through Scholarship, Lived Experience, and Urban Policy.” 2024-2025. **Current role:** Researcher, Queen’s University.
12. [Fotino, Anthony](#). “Education, One Step at a Time: A Walkability Assessment of Three Southern Ontario Inner City Campus Thoroughfare Streets.” 2014-2015. **Current role:** Senior Land Use TOD Planner, BC Ministry of Transportation and Transit.
13. [*Fraser, Carling](#). “Students and Seniors: Intergenerational Homesharing in Kingston, Ontario.” 2018-2019. **Current role:** Proposal Manager, RDH Architects Inc.
14. [*Holmes, Keith](#). “COVID Commuting: Examining the Commute Patterns of Queen’s University Employees Throughout the COVID-19 Pandemic.” 2022-2023. **Current role:** Urban Planner, O2 Planning & Design.
15. [Hopkins, Hunter](#). “Public Spaces, Public Life in Montreal: Assessing Differences in the Utilization of Urban Parks in Two Contrasting Boroughs.” 2023-2024.
16. [Hube, Laura](#). “A Built Environment Analysis for Fostering Active and Safe Routes to School for Four Elementary Public Schools in Kingston, Ontario.” 2011-2012. **Current role:** Planning Assistant, Capital Regional District, Victoria, BC.
17. [Hynes, Michaela](#). “Exploring eco-gentrification as a result of urban linear park redevelopments: A case study of The Meadoway in the City of Toronto.” 2021-2022. **Current role:** Planner, City of London.
18. [Jamal, Shairoz](#). “Programming and Services for Youth in North Kingston Parks.” 2012-2013 (Supervision transferred to Prof. Patricia Streich in Feb 2013). **Current role:** Senior Planner, Ontario Municipal Affairs and Housing.
19. [Koenig, Nico](#). “Reconstruction Ahead: School Streets and Street Reclamation in Ontario.” 2022-2023. **Current role:** Transportation Safety Specialist, City of Guelph.
20. [*Lee, Claire](#). “Making Space for Physical Distancing in Canada’s Urban Centers: A Case Study of Vancouver’s *Slow Streets*.” 2020-2021. Recipient of the 2021 Dillon Consulting Limited Scholarship. **Current role:** Planner, Canada Mortgage and Housing Corporation.
21. [*MacFarlane, Robert](#). “Attitudinal Variables Influencing Transit Ridership: Measuring the Impact of Express Bus Service in Kingston, Ontario.” 2016-2017. **Current role:** Senior Associate, Zelinka Priamo Ltd.
22. [McDonnell, Heather](#). “Improving Community Health Through Collaboration Between Public Health And Urban Planning: A Case Study In The Region Of Peel.” 2013-2014. **Current role:** Senior Transportation Planner, City of Toronto.
23. [Mulhern, Brittany](#). “Municipal Promotion of Small-Scale Renewable Energy Projects.” 2011-2012.” **Current role:** Associate, Fotenn Planning + Design.
24. [Nabuurs, Hayley](#). “Making Heritage Community Centres Accessible for an Aging Population in Peterborough, ON.” 2019-2020. **Current role:** Teacher, Ottawa Catholic School Board.

25. [Pillitteri, Cristina](#). “Transforming Suburban Public Spaces: A Case Study of the Woodbridge Avenue Streetscape in Urban Design & Public Realm Activation.” 2024-2025.
26. [Neilsen, Sarah](#). “Get moving to school: Comparing influences on the potential for active school travel in four school neighbourhoods in Calgary, Alberta.” 2013-2014. **Current role:** Senior Planner, City of Calgary.
27. *[O’Neill-Kizoff, Cian](#). “Potential for Application of Conservation Development in York Region.” 2014-2015. **Current role:** Project Manager – Flood Mapping, Government of Yukon.
28. *[Pakeman, Kyle](#). “Checking Kingston’s Equity Pulse: An application and critical evaluation of the Urban HEART@Toronto Methodology to investigate the intra-city social and health inequities of Kingston, ON.” 2015-2017. **Current role:** Senior Planner, City of Toronto.
29. [Rees, Joanna](#). “Exploring the Reasons Why Queen’s Employees Have and Have Not Shifted to Commuting by Public Transit in Kingston.” 2017-2018. **Current role:** Policy Planner, Resort Municipality of Whistler.
30. [Schneider, Jaclyn](#). “An Exploratory Comparative Case Study of Repurposed Elementary Schools in Highly Deprived Communities in Ontario.” 2019-2020. **Current role:** Planner – Development Review, City of Burlington.
31. *[Smith, Laura](#). “Exploring the planning, implementation, and uptake of a School Street initiative in Canada: A pilot study in Kingston, Ontario.” 2021-2022. **Current role:** Toronto Urban Fellow – Research Associate, City of Toronto.
32. *[Snow, Gabrielle](#). “A Socio-Spatial Analysis of Communities Affected by Public School Closures in Ontario.” 2018-2019. **Current role:** Coordinator – Real Property Management, Defence Construction Canada.
33. [Spessot, Miranda](#). “Pathways to Walkability: Examining the Influence of Neighbourhood SES and Urban Form on Walkability in Ottawa, Ontario.” 2014-2015. **Current role:** Senior Policy Advisor – Integrated Regional Planning, Infrastructure Canada.
34. *[Stuart, John](#). “Planning for Urban Biodiversity: An Examination of the relationship between ICSP Principles and Novel Ecosystem Formation.” 2012-2013 (Jointly supervised with Graham Whitelaw). **Current role:** Senior Planner, City of Burlington.
35. [Thibault, Jenna](#). “How Age-Friendly are Kingston’s Suburban Streets? A Comparative Analysis of Two Developments in the City of Kingston.” 2014-2015. **Current role:** Associate, Weston Consulting.
36. [Tootoonchian, Pegah](#). “Park It: an examination of 6 urban parks and user needs in Downtown City of Toronto.” 2014-2015. **Current role:** Senior Transportation Planner, WSP.
37. *Williams, Brandon. “Integrated Community Sustainability Planning: A Comparative Case Study.” 2012-2013.
38. [Wood, Jennifer](#). “Planning for Healthy Communities.” Winner of the 2012 OPPI Susan Cumming Scholarship. 2011-2012. **Current role:** Principal, Fotenn Consultants Inc.

Undergraduate Honour's Thesis, School of Kinesiology & Health Studies, Queen's University (2 completed)

1. *Chadwick, Kathryn. "Examining disparities in the mental health and social support availability of Canadian immigrants between small and large urban centers." 2013-2014. (BA)
2. *Tait, Justin. "Ontario Movers Study." 2016-2017. (BSc)

Undergraduate Honour's Thesis, Department of Health Aging & Society, McMaster University (2 completed)

1. *Alberghetti, Alessandra. "A Passion for Gambling: Gambling Behaviours Among the Older Adult Population." 2010-2011.
2. De Nobile, Megan. "The Relationship between Alcohol Consumption and Social Context in Older Individuals." 2010-2011.

Master of Planning Advising, School of Urban and Regional Planning, Queen's University

- 2025-2026: Dianne Cardwell, Ava Cesarano, Ava Fiorino, Rob Maxwell, Elizabeth McDougall, Jorja Mcleod, Alex Petracco, Gabriel Poon, Nicholas Rodd, Shiho Sasaki, Joel Satre, Liam White
- 2024-2025: Jacob Fewer, Tara McInnes, Cristina Pillitteri
- 2023-2024: Kenneth Blouin, Nick Burnie, Hunter Hopkins, Karanpreet Kaur, Ilias Kokoros, Sarah Mallen, Tara McInnes, Emily Pitt, Jennifer Rodriguez, Homa Jalili Safarian, Sara Wehbi
- 2022-2023: Kenneth Blouin, Nick Burnie, Stephanie Cantlay, Keith Holmes, Makenna Humes, Karanpreet Kaur, Safia Khan, Nico Koenig, Aidan MacFarlane, Victoria McCutcheon, Emily Pitt, Homa Jalili Safarian, Graydon Simpson, Joyce Tshiyoyo, Sara Wehbi
- 2021-2022: Brandon Archibald, Holly Crawford, Mark Fishman, Michaela Hynes, Aidan MacFarlane, Safia Khan, Graydon Simpson, Laura Smith, Joyce Tshiyoyo
- 2020-2021: Brandon Archibald, Daniel Borrelli, Michel Carrier, Jaeten Gosal, Claire Lee, Megan Meldrum, Kyle Peel, Travis Moriarity, Cam Smith, Laura Smith, Jeffrey White
- 2019-2020: Ruhie Chohan, Christina Culley, Leah Curtis, Faith Ford, Jasmine Goodman, Jaeten Gosal, Ryan Klemencic, Stephan Kukkonen, Travis Moriarity, Victoria Ruck, Jaclyn Schneider, Arjan Soor, Jennifer Sutton, Victoria Webster
- 2018-2019: Elysia Ackroyd, Ruhie Chohan, Leah Curtis, Vincent Deforges, MacLean Fitzgerald, Carling Fraser, Katherine Janota-Bzowska, Hayley Nabuurs, Mark Ong, Victoria Ruck, Gabrielle Snow, Jennifer Sutton, Victoria Webster
- 2017-2018: Lindsay Allman, Joanna Rees
- 2016-2017: Olivia Fortenbacher, Emilie Coyle, Sarah Libera, Michael Franzolini, Abu Naser Hoque, Chanti Birdi, Lindsay Allman, Andrew Eberhard
- 2015-2016: Anthony Clements-Haines, Emilie Coyle, Olivia Fortenbacher, Michael Franzolini, Michael Giallonardo, Abu Naser Hoque, Madushi Seneviratne, Tyler Venable
- 2014-2015: Michael Ayalew, Andrew Carr, Tyler Duval, Kirsten Eaton, Ali Meghani, Asia Pineau, Danna See-Har, Amy Shanks, Ashley Taylor
- 2013-2014: Andrew Misiak, Dhilan Gunasekara, Ibrahim Dia, Molly Smith, Pegah Tootoonchian

- 2012-2013: Ermias Amayu, Nancy Cornish, Farhad Javidi Parsjani, Mattson Meere, Jason Sands, David Westbrook
- 2011-2012: Morgan Alger, Tony Gkotsis

SUMMARY OF STUDENT TRAINING

Training of Research Assistants, Queen's University

- 09/2021 – present: Carise Thompson
- 05/2025 – 09/2025: Sabrina Volpato
- 05/2024 – 08/2025: Vineeth Jarabana
- 02/2025 – 04/2025: Myles Fox
- 05/2023 – 12/2023: Regan Zink
- 09/2022 – 12/2022: Makenna Humes
- 05/2022 – 08/2022: Rachel Barber
- 09/2021 – 06/2022: Daniel Frangione, Mikaela Coon, Gabrielle Scollon
- 05/2021 – 08/2022: Laura Smith
- 05/2020 – 08/2020: Faith Ford, Stefanie Kaminski
- 01/2020 – 04/2020: Tori Ruck
- 05/2019 – 08/2019: Carling Fraser
- 10/2018 – 06/2020: Alexa Bowie
- 09/2018 – 08/2019: Gabrielle Snow
- 01/2017 – 04/2017: Janine Jivani
- 04/2015 – 08/2015: Uwsetina Yousif; Brandon Henderson; Allison Murray
- 11/2014 – 03/2015: Elizabeth Bang
- 01/2014 – 08/2014: Damilare Adeola; Jesse Cranin
- 09/2013 – 12/2013: Damilare Adeola
- 05/2013 – 08/2013: Morgan Alger; Megan Gaucher; John Stuart; Brandon Williams
- 01/2013 – 04/2013: Morgan Alger; Mike Dror; John Stuart; Brandon Williams
- 09/2012 – 12/2012: Lisa Alton; Philomene Kocher (research coordinator); Sarah Nielsen
- 05/2012 – 09/2012: Saharsadat Aghabozorgafjeh; Morgan Alger; Erin Murphy-Mills; Will Robinson-Mushkat
- 01/2012 – 04/2012: Michael Lee

Training of Teaching Assistants, Queen's University

- 09/2023 – 12/2023: Williams Agyemang-Duah, Hunter Hopkins, Alexander Overvelde
- 05/2021 – 06/2021: Laura Smith
- 09/2019 – 12/2019: Nichol Kaiser, Lorraine Hutton
- 09/2018 – 12/2018: Joseph Braimah, Prince Amegbor, Christina Frendo
- 09/2016 – 12/2016: Nicole Raymer, Julia Sjaarda, Nanor Momejian
- 09/2015 – 12/2015: Oscar Kuffour; Alexandra Pedersen

Training of Research Assistants, McMaster University

- 03/2011 – 06/2011: Sarah Resendes

Training of Teaching Assistants, Simon Fraser University

- 05/2008 – 08/2008: Gary Mallach

GRADUATE STUDENT EXAMINATIONS

Graduate Student Proposal Examinations – Internal to Queen’s

MA, Kinesiology & Health Studies	1
MSc, Kinesiology & Health Studies	2
PhD, Geography and Planning	4
Total	7

1. Megan Clemens. “Utilization of active transportation related to sociodemographic factors among Queen’s University employees.” **Internal Examiner**, MSc Thesis Proposal, School of Kinesiology & Health Studies, 21 November, 2022.
2. Williams Agyemang-Duah. “Understanding Informal Caregiving Architecture in Ghana: Normative Values, Health and Healthcare.” **Head’s Delegate**, PhD Qualifying Examination, Department of Geography and Planning, 25 March 2022.
3. Sue Collis. “Law and (Dis)Continuity in the Settler-Colonial Formation: A Genealogy of Anomaly and its Effects.” **Chair**, PhD Qualifying Examination, 31 October 2019.
4. Yuan Li. “The Role of Community in Supporting Aging Well: Aging in Community and the Use of Community-Based Services.” **Head’s Delegate**, PhD Qualifying Examination, Department of Geography and Planning, Queen’s University, 1 August 2019.
5. Nicole Goodbrand. “De dwa da dehs nye>s (we’re taking care of each other amongst ourselves): Implementing A Collaborative Urban Indigenous Wellness Study in Brantford, Ontario.” **Internal Examiner**, PhD Qualifying Examination, Department of Geography and Planning, Queen’s University, 23 July 2019.
6. Madison Hainstock. “Exploring shifting foodscapes of tenants enrolled in permanent supportive housing in Kingston, Ontario.” **Internal Examiner**, MA Proposal Defense, School of Kinesiology & Health Studies, Queen’s University, 15 June 2016.
7. Darran Atrooshi. “A Multi-Faceted Approach to Active Transportation to School in Rural Elementary School Students.” **Internal Examiner**, MSc Proposal Defense, School of Kinesiology & Health Studies, Queen’s University, 4 September 2015.

Graduate Student Thesis Examinations – Internal to Queen’s

PhD, Aging & Health	1
MES, Environmental Studies	2
PhD, Environmental Studies	1
PhD, Economics	1
PhD, Education	1
MA, Geography & Planning	5
MPl, Geography & Planning	5
PhD, Geography & Planning	3
MA, Kinesiology & Health Studies	3
MSc, Kinesiology & Health Studies	7
PhD, Kinesiology & Health Studies	3
PhD, Political Studies	1
MSc, Public Health Sciences	3
PhD, Public Health Sciences	1
Total	37

1. Alyssa Comfort. “Understanding Gendered 24-Hour Movement Behaviours in Mexican Adolescents: A Mixed-Methods Examination of Physical Activity, Sleep, and Sedentary Time.” **Internal-External Examiner**, PhD Thesis Defense, School of Kinesiology and Health Studies, 23 January 2026.
2. Maeve Beckett. “Facilitating Aging in Place for Older Women: Assessing the Influence of Gender and Living Arrangements on Older Adult Travel Behaviour in Kingston, Ontario.” **Internal Examiner**, MPl Thesis Defense, Department of Geography and Planning, 17 April 2025.
3. Caley Savage. “Studentification Unveiled: Navigating Socioeconomic Shifts, Housing Pressures, and Community Cohesion in Aging Communities.” **Chair and Head’s Delegate**, MPl Thesis Defense, Department of Geography and Planning, 7 April 2025.
4. Sam Mishos. “Relationships, Rights, and Land: A Thematic Analysis of Policies for Ethical Research in Indigenous Contexts Across Canada.” **Chair**, MA Thesis Defense, Department of Geography and Planning, 7 March 2025.
5. Giorgia Reeves. “Exploring Farm Succession and Transition Challenges and Opportunities on Wolfe Island.” **External Examiner**, MA Thesis Defense, School of Environmental Studies, 20 January 2025.
6. Williams Agyemang-Duah. “Caregiving, Health-Related Quality of Life and Healthcare-Seeking Behaviour: A Study of Informal Caregivers of Older Adults in Ghana.” **Internal Examiner**, PhD Thesis Defense, Department of Geography and Planning, 9 April 2024.
7. Megan Clemens. “Utilization of active transportation related to sociodemographic factors among Queen’s University employees.” **Internal Examiner**, MSc Thesis Defense, School of Kinesiology and Health Studies, 7 June 2023.
8. Aaron Bailey. “Historicizing Vancouver’s Liquor License Moratorium for the Downtown Eastside as Dispossessionary Public Health Practice.” **Head’s Delegate**, MSc Defense, School of Kinesiology and Health Studies, Queen’s University, 28 February 2023.

9. Yuan Li. "The Role of Community in Supporting Aging Well: Aging in Community and the Use of Community-Based Services." **Head's Delegate**, PhD Defense, Department of Geography and Planning, Queen's University, 16 September 2022.
10. Julia Isabella Lapena. "Es-paces on Mexican campuses: Cultural adaptation of the physical activity campus environmental supports audit. **External Examiner**, MSc Defense, School of Kinesiology and Health Studies, 28 July 2022.
11. Shahida Easmin Hoque. "Organic Growth: Sustainable Settlement Planning for Displaced Populations in Developing Countries." **Chair**, MPI Defense, Department of Geography and Planning, 13 May 2022.
12. Jodi Lynne Webber. "Exploring how policy, practice and regional perspectives of caregiving combine to mitigate unpaid caregiver distress: A case study of the former south west local health integration network of Ontario." **Internal-External Examiner**, PhD Defense, Aging & Health, 18 February 2022.
13. Danielle Gionnas. "Is service provision always equitable? Analyzing access to dental services and oral health outcomes of older adults in Ontario." **Internal Examiner**, MA Defense, Department of Geography and Planning, 24 September 2021.
14. Abigail Wilson. "Participatory Community Asset Mapping for Rural Youth Mental Health in Wellington County, Ontario." **Chair**, MSc Defense, School of Kinesiology and Health Studies, 22 September 2021.
15. Cassandra Kuyvenhoven. "Moving waste around: Unpacking how socio-political decision are made about municipal solid waste and its transportation." **Internal-External Examiner**, PhD Defense, School of Environmental Studies, 28 April 2021.
16. Erica Phipps. "Building a foundation for Equity-focused Intersectoral Practice (EquIP) - An exploratory intervention in intersectoral action on housing inadequacy in Owen Sound, Ontario." **Chair**, PhD Defense, School of Kinesiology and Health Studies, Queen's University, 29 May 2020.
17. Heather Nesbitt. "More Than Just Getting By: Understanding and Supporting Student Thriving in the Ontario Kindergarten Classroom." **Chair**, PhD Defense, Department of Education, Queen's University, 1 April 2019.
18. Jeremy Ladd. "Winning At All Costs: Explaining Opposition Party Success and Failure in Hybrid Regimes." **Chair**, PhD Defense, Department of Political Studies, Queen's University, 12 September 2018.
19. Rachel Iacoe. "Putting Food Back into the Curriculum: Key Informants' Perspectives on Implementing a Mandatory Food Literacy Component in Ontario Secondary School Curriculum." **External Examiner**, MA Defense, School of Kinesiology and Health Studies, Queen's University, 20 August 2018.
20. Alexandra Reid. "Physical activity and usage patterns in community sport and recreation spaces in Guadalajara, Mexico." **External Examiner**, MSc Defense, School of Kinesiology and Health Studies, Queen's University, 13 June 2018.
21. Madison Hainstock. "'We Have a Roof Over Our Head, But We Have to Eat Too': The Impact Of Shifting Foodscapes On Health And Wellbeing During The Transition From Homelessness Into Supportive Housing." **Internal-External Examiner**, MA Defense, School of Kinesiology and Health Studies, Queen's University, 26 September 2017.
22. Afshin Vafaei. "The Impact of Community Social Capital on the Occurrence of Injuries in Adolescents, and Falls in Older Adults: Population-Based Studies Conducted in

- Canadian Samples.” **Internal-External Examiner**, PhD Defense, Department of Public Health Sciences, Queen’s University, 24 November 2016.
23. Madison Koekkoek. ““Come and live in my Shoes”: Food Access and social isolation for People living in poverty in Gananoque, Ontario. **Head’s Delegate**, MA Defense, School of Kinesiology & Health Studies, Queen’s University, 18 October 2016.
 24. Darran Atrooshi. “Exploring Parental Perceptions of a Walking-School-Bus Initiative in Northern Ontario.” **Internal-External Examiner**, MSc Defense, School of Kinesiology & Health Studies, Queen’s University, 11 October 2016.
 25. Justine McLeod. “Neighborhood Perception of Safety and the Mobility Gap between Men and Women in Old Age.” **External Examiner**, MSc Defense, Department of Public Health Sciences, Queen’s University, 2 August 2016.
 26. Rajendra Subedi. “Healthy Immigrants? Healthy Workers? High-Skilled Immigrants Working in Low-Skilled Jobs in Ottawa, Canada.” **Head’s Delegate**, PhD Dissertation Defense, Department of Geography and Planning, Queen’s University, 22 April 2016.
 27. Trevor Wideman. “(Re)assembling “Japantown”: A critical toponymy of planning and resistance in Vancouver’s Downtown Eastside.” **Internal Examiner**, MA Defense, Department of Geography and Planning, Queen’s University, 25 September 2015.
 28. Michael Kottelenberg. “Six Essays Evaluating the Impact of Universal Childcare on Developmental Outcomes in Quebec.” **Internal-External Examiner**, PhD Defense, Department of Economics, Queen’s University, 12 August 2015.
 29. Andrei Rosu. “A new approach for geocoding postal code-based data in health related studies.” **External Examiner**, MA Defense, Department of Geography, Queen’s University, 28 August 2014.
