

# PATRICIA A. COLLINS, PhD

## Curriculum Vitae

### CURRENT POSITIONS

Associate Professor, Department of Geography and Planning, Queen's University (primary appt)  
Associate Professor, School of Kinesiology and Health Studies, Queen's University (cross-appt)

### ACADEMIC QUALIFICATIONS

- 2010 – 2011            Postdoctoral Fellow, Health Aging & Society, McMaster University  
**Project title:** Examining Community Health Centres' Initiatives to Address Upstream Health Determinants at the Neighbourhood Level in Ontario  
**Supervisor:** Dr. James Dunn  
<https://healthagingandsociety.mcmaster.ca/faculty/dunnjam>
- 2005 – 2009            PhD, Health Geography, Simon Fraser University  
**Dissertation title:** Investigating the Roles of Urban Municipal Governments in Addressing Population Health Inequities: Prescriptions, Capacities, and Intentions  
**Supervisor:** Dr. Michael Hayes  
<https://www.uvic.ca/socialsciences/geography/people/faculty/hayesmichael.php>
- 2002 – 2004            MSc, Health Research Methodology, McMaster University  
**Thesis title:** Addressing the Social Determinants of Health: Understanding the Role of Values as Facilitators and Barriers to Action  
**Supervisor:** Dr. Julia Abelson  
[http://fhs.mcmaster.ca/ceb/faculty\\_member\\_abelson.htm](http://fhs.mcmaster.ca/ceb/faculty_member_abelson.htm)
- 1997 – 2002            BSc with distinction, Honours Biochemistry (Coop), McMaster University  
**Undergraduate Report title:** Investigating the Impact of Protein-Enriched Formulas on Protein Statuses in Preterm Infants by Measuring Total Protein, Protein Excess and Protein Accretion  
**Supervisor:** Dr. Stephanie Atkinson  
[http://fhs.mcmaster.ca/biochem/atkinson\\_stephanie.html](http://fhs.mcmaster.ca/biochem/atkinson_stephanie.html)

### CAREER INTERRUPTIONS

- Feb – July 2013        Parental Leave  
June – Dec 2009       Parental Leave

**HONOURS, AWARDS & DISTINCTIONS**

- 2011, 2012, 2015      Travel Award, Queen's University, Kingston, ON (\$1500, \$1500, \$900)
- 2012                      Certificates of Appreciation, Kingston Coalition for Active Transportation, and Kingston Mission, Heart & Stroke Foundation of Ontario
- 2010                      Postdoctoral Fellowship Award, Population Health Intervention Research Network (\$36,750/year; 2 years)
- 2008, 2008              Graduate Fellowship, Simon Fraser University, Burnaby, BC (\$6250 each)
- 2008                      Summer Institute on Innovation in Knowledge Translation Research, Canadian Institutes of Health Research, Ottawa, ON (accepted participant; invitation declined)
- 2008                      Cross Government Research Policy and Practice Branch Travel Award, Simon Fraser University, Burnaby, BC (\$1500)
- 2008                      President's Research Stipend, Simon Fraser University, Burnaby, BC (\$6250)
- 2007                      Social Sciences and Humanities Research Council Doctoral Award (\$20,000/year; 2 years)
- 2006                      Canadian Association for Health Services and Policy Research Conference Third Place Poster Forum Award (\$400)
- 2005                      Michael Smith Foundation for Health Research/British Columbia Medical Services Foundation Senior Graduate Studentship (\$22,500/year; 3 years)
- 2005                      Special Graduate Entrance Scholarship, Simon Fraser University, Burnaby BC (\$5000)
- 2004                      Ontario Graduate Scholarship, Ontario Ministry of Training, Colleges and Universities (\$15,000; award declined)
- 2003                      CHEPA Studentship Award, McMaster University, Hamilton ON (\$4000)
- 2002                      Graduate with distinction, *Summa cum laude*, Hamilton ON
- 1998-2002              Dean's Honour List, McMaster University, Hamilton ON

## **PROFESSIONAL EXPERIENCE**

2017-present	Associate Professor, Department of Geography and Planning, Queen's University, Kingston, ON
2017-present	Associate Professor (cross-appointed), School of Kinesiology and Health Studies, Queen's University, Kingston, ON
2015-2017	Assistant Professor, Department of Geography and Planning, Queen's University, Kingston, ON
2011-2017	Assistant Professor (cross-appointed), School of Kinesiology and Health Studies, Queen's University, Kingston, ON
2011-2015	Assistant Professor, School of Urban and Regional Planning, Queen's University, Kingston, ON
2010-2011	Postdoctoral Fellow, Department of Health Aging & Society, McMaster University, Hamilton, ON
2006-2008	Research Assistant (media and health policy), Centre for Health Economics and Policy Analysis, McMaster University, Hamilton ON
2005-2007	Research Assistant (urban structures and population health), Institute for Health Research and Education, Simon Fraser University, Burnaby BC
2001-2004	Research Assistant (health policy), Centre for Health Economics and Policy Analysis, McMaster University, Hamilton ON
2000	Research Assistant (biomedical laboratory), Department of Pathology & Molecular Medicine, Hamilton Regional Cancer Centre, Hamilton ON

## **AREAS OF INTEREST**

### **Research**

- Livability in urban settings
- Healthy community planning
- Sustainability planning
- Commuting and health
- Local-level actions on health inequities

### **Teaching**

- Healthy community planning
- Health and the built environment
- Quantitative methods
- Survey methods

## RESEARCH & SCHOLARSHIP

(\* Denotes graduate student supervisees; \*\* Denotes undergraduate student supervisees)

### REFEREED JOURNAL ARTICLES

#### Published or Forthcoming

Poster presentation for the 2012 American Public Health Association Annual Meeting. San Francisco, CA, 27-31 October 2012.
  18. Mayer D (presenter), **Collins PA**. "Examining the Scope, Facilitators, and Barriers to Active Transportation Patterns in Kingston, Ontario: A Seasonal Analysis." Oral presentation for the Canadian Public Health Association 2012 Conference. Edmonton, AB, 11-14 June 2012.
  19. **Collins PA** (presenter), Mayer D. "Examining the relationship between active transportation and neighbourhood deprivation in Kingston, Ontario: A spatial analysis". Oral presentation at Canadian Association of Geographers Annual Meeting, Waterloo, ON, 28 May – 2 June 2012.
  20. **Collins PA** (co-presenter), Resendes S\*\* (co-presenter). "Exploring CHCs' Initiatives to Address Upstream Health Determinants in Ontario." Oral presentation at Association of Ontario Health Centres Conference. Toronto, ON, 8-10 June 2011.
  21. **Collins PA**. "Exploring the roles of urban municipal governments in addressing population health inequities: Prescriptions, capacities, and intentions." Oral presentation at 9th International Conference on Urban Health. New York City, NY, 27-29 October 2010.
  22. **Collins PA** (presenter), Hayes M. "Exploring the roles of urban municipal governments in addressing population health inequalities: A census of opinions of politicians and senior-level staff." Poster presentation at 7<sup>th</sup> International Conference on Urban Health, Vancouver, BC, 29-31 October 2008.
  23. **Collins PA** (presenter), Hayes M. "Exploring the roles of urban municipal governments in addressing population health disparities: A census of opinions of politicians and senior-level staff." Poster presentation at 136th American Public Health Association Annual Meeting & Exposition, San Diego, CA, 25-29 October 2008.

24. **Collins PA** (presenter), Hayes M. “Exploring the roles of urban municipal governments in addressing population health inequalities: Review of four contrasting bodies of literature.” Oral presentation at Canadian Association of Geographers Annual Meeting, Laval University, Quebec City, QC, 20-24 May 2008.
25. **Collins PA** (presenter), Hayes M. “The 20th Anniversary of the Ottawa Charter: Challenges and Prospects for Reducing Health Inequities in Canada.” Oral presentation at 19<sup>th</sup> IUHPE World Conference on Health Promotion and Health Education, Pan-Pacific Hotel, Vancouver, BC, 10-15 June 2007.
26. **Collins PA** (presenter), Hayes M. “The 20th Anniversary of the Ottawa Charter: Challenges, Gains, and Future Prospects.” Oral presentation at 1<sup>st</sup> Conference of the journal *Public Health: Social, Cultural and Economic Determinants of Health*, Sana Lisboa Hotel, Lisbon, Portugal, 9-11 May 2007.
27. **Collins PA** (presenter), Abelson J. “Exploring Media Framing of Herceptin Coverage Decisions for Early-Stage Breast Cancer: A Cross-National Comparison of Newspaper Coverage.” Poster presentation at 2006 Annual CAHSPR Conference, Four Seasons Hotel, Vancouver, BC, 17-19 September 2006.
28. **Collins PA** (presenter), Abelson J, Eyles J. “Exploring Ideological Barriers to Addressing Health Inequalities at the Local Level.” Oral presentation at 4<sup>th</sup> International Conference on Urban Health, Westin Harbour Castle, Toronto, ON, 26-28 October 2005.
29. **Collins PA** (presenter), Abelson J, Dornan C, Pyman H. “Informing the public or representing stakeholder interests? Print media coverage of Canada’s 2002 health reform debate.” Oral presentation at 1<sup>st</sup> Conference of the Canadian Association for Health Services and Policy Research, Hyatt Regency Hotel, Montreal, QC, 25-28 May 2004.
30. **Collins PA** (presenter), Abelson J, Eyles J. "Citizens' Rankings of the Social Determinants of Health: A Pilot Study in Brantford, Ontario." Poster presentation at 11<sup>th</sup> Biennial Social Welfare Policy Conference, Ottawa, ON, 15-17 June 2003.
31. **Collins PA** (co-presenter), Abelson J (co-presenter). “The role of values in governing the community care sector.” Oral presentation at 2<sup>nd</sup> Annual Clinical Epidemiology and Biostatistics Research Day, McMaster University, Hamilton, ON, 24 September 2003.
32. **Collins PA** (presenter), Abelson J, Eyles J. "Citizens' Rankings of the Social Determinants of Health: A Pilot Study in Brantford, Ontario." Poster presentation at Social Determinants of Health Across the Life-Span Conference, Toronto, ON, 29 November to 1 December 2002.
33. Abelson J, Forest PG, Eyles J, **Collins PA** (co-presenter), Gauvin FP (co-presenter), McMullan C, Perreault C, MacIntyre E. “Using Citizens' Panels to Inform Resource Allocation and Health Priority Decisions: Results from Pilot Experiments in Ontario and Quebec.” Poster presentation at 10<sup>th</sup> Canadian Conference on Health Economics: Stability and Change in the Canadian Health Care System, Halifax, Nova Scotia, 22-25 May 2002.

## INVITED PRESENTATIONS

### Panelist

1. **Collins PA.** “The Role of Education in Fostering Health/Planning Partnerships.” Canadian Institute of Planners Annual Meeting, Fredericton, NB, 12 July, 2014.

### Departmental Seminars

2. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2015.
3. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2014.
4. **Collins PA.** “Making Cities Healthy for All: Tales from a Healthy Communities Researcher.” Presentation for the School of Urban and Regional Planning Seminar Series, Queen’s University, January 2014.
5. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Academic Day, Department of Family Medicine, Queen’s University, November 2013.
6. **Collins PA.** “Designing and Planning for Healthy Built Environments.” Presentation for the Global Health Seminar, Department of Family Medicine, Queen’s University, January 2013.
7. **Collins PA.** “Healthy Communities through Governance, Planning, and Service Delivery.” Presentation for the School of Urban and Regional Planning, Queen’s University, 9 November 2010.
8. **Collins PA.** “Investigating the of urban municipal governments in addressing population health inequities: prescriptions, capacities, and intentions.” Presentation for the Department of Health Aging & Society Seminar Series, McMaster University, 22 September 2010.
9. **Collins PA.** “Patricia Collins: A Population Health Policy & Intervention Researcher.” Presentation for the Propel Centre for Population Health Impact, University of Waterloo, 12 April 2010.
10. **Collins PA.** “Reducing Health Inequities and Creating Healthy Public Policy: Experiences and Interests of a Health Policy and Social Justice Researcher.” Presentation for the Department of Health Studies, Wilfrid Laurier University Brantford, 12 July 2010.
11. **Collins PA.** “Addressing Health Inequities: Experiences and Intentions of a Community Health Researcher.” Presentation for the Department of Community Health and Epidemiology, University of Saskatchewan, 9 April 2009.

12. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequities.” Presentation for the Department of Sociology, University of Manitoba, 12 January 2009.
13. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequities.” Presentation for the Johnson Shoyama Graduate School of Public Policy, University of Regina, 9 January 2009.
14. **Collins PA.** “Exploring the roles of urban municipal governments in addressing population health inequalities.” Presentation for Centre for Health Services & Policy Research, University of British Columbia, 23 June 2008.

#### **Presentations to Non-Academic Audiences**

15. **Collins PA** (presenter), Agarwal A, Healey R. “A Longitudinal Examination of the Impacts of Public Transit Improvements on Commute Patterns of Queen’s University Employees.” Oral presentation to City of Kingston Transit Department, Kingston, ON, May 2 2016.
16. **Collins PA** (presenter), Agarwal A. “The Public Health Potential of Transit Ridership in a Midsized Canadian City: A Longitudinal Analysis of Commute Pattern Changes among Employees at Queen’s University.” Oral presentation at KFL&A Public Health Red Hot Topics. Kingston ON, 4 November 2015.
17. Wood J\* (co-presenter), **Collins PA** (co-presenter). “Shaping Active, Healthy Communities in Loyalist Township.” Co-presented and co-facilitated *SAHC Community Workshop*. Loyalist Township, ON, 4 May 2012.
18. **Collins PA** (presenter), Mayer D, Banaszewska A. “Examining the Scope, Patterns, and Barriers to Active Transportation in Kingston, Ontario.” Oral presentation at *Kingston Coalition for Active Transportation Forum*. Kingston, ON, 7 March 2012.
19. **Collins PA** (presenter), Abelson J, Giacomini M, Brazil K, Eyles J, Ploeg J, Hutchison B. “Analysis of Organizational and Community Values about Community Care in Hamilton.” Poster presentation at *Community Care Research Centre Knowledge Exchange*. Hamilton ON, 7 May 2003.

#### **REPORTS**

1. **Collins PA**, Agarwal A. “Survey of Commute Patterns of Queen’s Employees: Preliminary Summary Report.” Kingston, ON: Queen’s University. November 2013.
2. Miller FA, Hurley J, Morgan S, Goeree R, **Collins P**, Blackhouse G, O’Brien B, Giacomini M. “Predictive Genetic Tests and Health Care Costs: A Policy Framework and Illustrative Estimates.” CHEPA Working Paper Series. 02-03.
3. Miller F, Hurley J, Morgan S, Goeree R, **Collins P**, Blackhouse G, Giacomini M, O’Brien B. “Predictive Genetic Tests and Health Care Costs.” Report submitted to the Ontario Ministry of Health and Long Term Care, January 2002.

4. Abelson J, Eyles J, McMullan C, **Collins P.** “Community Views about Health Goals in Brant County: A Citizens Panel Study.” Report submitted to the Grand River District Health Council and Brant County Health Unit, September 2001.

## **MEETING PARTICIPANT**

### **Academic Meetings**

1. “Strengthening Organizational Capacity for Public Health Equity Action (OC-PHEA): Developing a Research Agenda.” Winnipeg, MB, 13-15 July, 2014.
2. “Strengthening a community of practice in PHIR.” PHIRNET Summer Institute 2010. Winnipeg, MB, 27-30 June, 2010.
3. International Society for Physical Activity and Health 3<sup>rd</sup> International Conference. Toronto, ON, 5-8 May, 2010.
4. “Toward a Canadian Agenda for Knowledge Production, Translation, and Capacity-Building.” McMaster Institute for Environment and Health Environment, Health, and Social Equity Workshop. Hamilton, ON, 24-25 May, 2007.
5. “Voices and Choices: Public Engagement in Health Care Policy.” Centre for Health Services and Policy Research Annual Conference. Vancouver, ON, 22 February, 2007.
6. “What Determines the Public’s Health?” Canadian Public Health Association 97<sup>th</sup> Annual Conference. Vancouver, BC, 28-31 May, 2006.
7. “Finding a Place for Place in Health Research and Policy.” Canadian Population Health Initiative Research and Policy Workshop. Val David, QC, 27-29 April, 2005.
8. CHEPA Roundtable on Policy Issues for New and Emerging Genetic Technologies. Toronto, ON, 17 February, 2003.

### **Non-Academic Meetings & Workshops**

9. “Complete Streets Forum.” Hosted by Toronto Centre for Active Transportation, Toronto, ON, 23 April 2012.
10. “Planning for a Healthier Toronto Roundtable.” Hosted by City of Toronto Public Health, Toronto, ON, 30 March 2012.
11. “Sustainable Kingston Community Forum.” Hosted by Kingston Coalition for Active Transportation, Kingston, ON, 28 January 2012.
12. “Health Equity: Pushing the Boundaries.” Association of Ontario Health Centres 2010 Conference. Niagara Falls, ON, 10-11 June, 2010.

**FUNDED GRANTS****Total Grants as Principal Investigator (PI) = \$106,846**

- 2018-2019 CIHR-IPPH Planning and Dissemination Grant on Healthy Cities. *Towards healthy mid-sized cities: Assessing the potential for electric-bicycles to facilitate transportation reform using big-data.* **Role: Co-Applicant.** Other team members: Jennifer Dean (Principal Applicant), Sara Edge, Alexander Crizzle, Jeff Casello, Lukasz Golab, Jane Law, Leia Minaker, Tor Oiamo, Srinivasan Keshav. **Amount: \$10,000.**
- 2016-2018 Insight Grant, SSHRC. *How can Canadian municipalities enhance the right to food?* **Role: Co-Investigator.** Other team members: Elaine Power (PI), Margaret Little, Jeffrey Hoch, Wanrudee Isaranuwachai, Sarah Wakefield, Sharon Kirkpatrick. **Amount: \$180,500.**
- 2016 Programmatic Grants in Intersectoral Prevention Research, Grant Development Funds, CIHR. *Building a PROACTIVE Team to assess drivers and impacts of intersectoral action for urban environmental health equity.* **Role: Co-Investigator and Site Lead.** Other team members: Jeffrey Masuda (PI), Louise Potvin, Eric Crighton, Blake Poland, Heather Castleden, et al. **Amount: \$50,000.**
- 2015-2017 Insight Development Grant, SSHRC. *Will Millenials be the Sustainable Generation? Policy Implications of Millenials' Travel Patterns in Metropolitan Canada.* **Role: Co-Investigator.** Other team members: Ajay Agarwal (PI), Markus Moos. **Amount: \$70,000.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Examining Commute Patterns and Health of Queen's Employees.* **Role: Principal Investigator.** Co-Investigator: Ajay Agarwal. **Amount: \$6,500.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Best practices for Canadian municipalities to promote the right to food for all.* **Role: Co-Investigator.** Other team members: Elaine Power (PI), Margaret Little, Jeffrey Hoch, Wanrudee Isaranuwachai, Sharon Kirkpatrick, Sarah Wakefield. **Amount: \$3,500.**
- 2015-2016 Senate Advisory Research Committee Grant, Queen's University. *Communities Left Behind? A Longitudinal Analysis of the Sustainability Impacts of Permanent Public School Closures in Four Ontario Cities.* **Role: Principal Investigator.** Other team members: Jeffrey Masuda, Jim Dunn, Jennifer Dean, Bill Irwin, Mark Seasons. **Amount: \$3,500.**
- 2014-2015 Partnerships for Health System Improvement, Institute of Health Services and Policy Research, CIHR. *Strengthening organizational capacity for*

- public health equity action: Developing a research agenda. Role: Co-Investigator.* Other team members: Benita Cohen (PI), Andrea Chircop, Elizabeth McGibbon, Annette Schultz, Madine VanderPlaat. **Amount: \$25,000.**
- 2013-2016 Health Services Research Fund, Ontario Ministry of Health and Long-Term Care. *Healthier Built Environments Ontario: An Opportunity for Innovation in Mental Health & Obesity Policy.* **Role: Co-Investigator.** Other team members: Jim Dunn (PI), Darren Scott, Erin Hobin, et al. **Amount: \$1,886,361.**
- 2013-2014 Senate Advisory Research Committee Grant, Queen's University. *Examining media discourses on municipalities' roles in addressing household food insecurity: An analysis of newspaper coverage in Ontario.* **Role: Sole Investigator. Amount: \$7000.**
- 2012-2014 Insight Development Grant, SSHRC. *Examining Integrated Community Sustainability Planning by Municipalities from an Organizational Learning Perspective: A Comparative Case Study of Four Mid-Sized Municipalities in Ontario.* **Role: Principal Investigator.** Co-Investigator: Graham Whitelaw. **Amount: \$71,846.**
- 2012-2013 Grant Development Funds, Programmatic Grants in Food and Health, CIHR. *The buck stops here? A critical and comprehensive pan-Canadian analysis of the prescriptions, scope, impacts, and costs of municipal-level interventions to reduce household food insecurity.* **Role: Nominated Principal Investigator.** Co-Principal Investigators: Elaine Power, Margaret Little. **Amount: \$10,000.**
- 2012-2013 Senate Advisory Research Committee Grant, Queen's University, *Examining Integrated Community Sustainability Planning from an Organizational Learning Perspective: An In-Depth Analysis of the City of Kingston, Ontario.* **Role: Sole Investigator. Amount: \$8000.**

#### GRANTS UNDER REVIEW

- 2018-2022 SSHRC Insight Grant. *Communities Left Behind? Lessons from School Closure Controversies for More Just Community Planning.* **Role: Principal Applicant.** Other team members: Jeffrey Masuda, Jennifer Dean, Bill Irwin, Mark Seasons. **Amount requested: \$295,409**

## UNFUNDED PROJECTS

2017-present      *Examining Commute Patterns and Health of Queen's Employees. Role: Sole Investigator.*

2015-present      *Examining the spatial distribution, quality, and utilization of urban  
playscapes in Kingston, Ontario. Role: Principal Investigator. Co-  
Principal Investigator: Jeffrey Masuda.*

## **TEACHING & SUPERVISION**

### **Department of Geography and Planning, Queen's University, Assistant Professor, 2011-present**

- SURP 800 – *Master's Research Report* (methodology module) Methods: weekly group-based meetings or one-on-one meetings. F11, F12, F13, F14, F15, SS16, F16, SS17.
- SURP 801 – *Survey Research Methods* (methodology module) Methods: lectures; computer-assisted workshops. F13, F14
- SURP 814 – *Planning for Sustainability* (core course) Methods: lectures; in-class activities; guest lectures; field trip. W15, W16, W17.
- SURP 819 – *Quantitative Methods* (core course) Methods: lectures; computer-assisted workshops; tutorials. F11, F12, W14, F14, W15, W16, W17.
- SURP 823 – *Health and Social Planning Project Course* (core course) Methods: workshop; new project every year; weekly coaching in small groups; field trips. F11, F13, F14, F15, F16.
- SURP 824 – *Land Use Planning Project Course* (core course) Methods: workshop; new project every year; weekly coaching in small groups; field trips. F2012
- SURP 861 – *Healthy Community Planning* (area of concentration elective) Methods: instructor and guest lectures; seminars; small group projects. W12, W15, W16, W17.
- GEOG 336 – *Geography, the Environment, and Human Health* (elective) Methods: instructor and guest lectures; small group projects; student-led presentations. F15, F16.

### **School of Kinesiology & Health Studies, Queen's University, Assistant Professor, 2011-2015**

- HLTH 497 – *Seminar in Health and the Built Environment* (upper year undergraduate elective) Methods: instructor and guest lectures; seminar discussions; field work; debates; small group projects. W12, W15.

### **Department of Health Aging & Society, McMaster University, Sessional Instructor, 2010-2011**

- HLTH AGE 3AA3 – *State, Civil Society & Health* (undergraduate core course) Methods: lectures; small group discussions. F10
- HLTH AGE 3B03 – *Research Methods in Health & Aging II* (undergraduate core course) Methods: lectures; small group projects. W11
- HLTH AGE 704 – *Policies, Systems & Services* (graduate elective) Methods: seminar discussions; student-led discussions; student-led presentations. W10

### **Faculty of Health Sciences, Simon Fraser University, Sessional Instructor, 2008**

- HSCI 403 – *Health and the Built Environment* (undergraduate elective) Methods: instructor and guest lectures; large and small group discussions; debates; small group projects. SS08

### **Department of Geography, Simon Fraser University, Teaching Assistant, 2005-2009**

- GEOG 162 – *Geography of Canada* (undergraduate elective). 2007, 2009
- GEOG 386 – *Geography of Health and Health Care* (undergraduate elective). 2005

**Department of Biochemistry, McMaster University, Teaching Assistant, 2003-2004**

- BIOCHEM 3N03 – *Nutrition and Human Metabolism* (upper year undergraduate elective course). 2003, 2004

**GUEST LECTURES FOR COURSES**

- “The Public Health Potential of Transit Ridership in a Midsized Canadian City: A Longitudinal Analysis of Commute Pattern Changes among Employees at Queen’s University.” Guest lecture for GPHY 370, Department of Geography and Planning, Queen’s University, February 2016.
- “Designing and Planning for Healthy and Supportive Environments.” Guest lecture for EPID 825, Department of Public Health Sciences, Queen’s University, February 2015.
- “Conceptualizing and Addressing Health Inequities in Health and Well-Being.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2014.
- “Conceptualizing and Addressing Health Inequities in Health and Well-Being.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2013.
- “Conceptualizing and Addressing Health Inequities: Presentation for SURP 870.” Guest lecture for SURP 870, School of Urban and Regional Planning, Queen’s University, January 2012.

**STUDENT SUPERVISION & ADVISING****Doctoral Dissertations, Program in Aging & Health, Queen’s University (1 active)**

1. Croxall, Lindsay. Title TBD. Expected completion: June 2022. Co-supervising with Dr. Heather Castleden.

**Master of Planning Reports, Department of Geography & Planning, Queen’s University (2 active; 21 completed)**Active supervisions

1. Allman, Lindsay. Title TBD. Expected completion: June 2018.
2. Rees, Joanna. Title TBD. Expected completion: June 2018.

Completed supervisions

1. Adeola, Damilare. “The Effects of Provincial and Municipal Sustainability Policies on Development Patterns in Ontario: A case study of Markham.” 2013-2014.
2. Aghabozorgafjeh, Saharsadat. “Redesign of Shannon and Headway Parks; Improving Their Accessibility, Amenities, and Facilities.” 2012-2013 (Supervision transferred to Prof. Leela Viswanathan in Feb 2013).
3. Beaty, Angus. “Evaluating the Walkability of Transit Oriented Development in a Future Transportation Corridor in Metro Vancouver’s Northeast Sector.” 2013-2014.
4. Chris, Laura. “A Built Environment Analysis for Fostering Active and Safe Routes to School for Four Elementary Public Schools in Kingston, Ontario.” 2011-2012.
5. Coates, Victoria. “Planning Age-Friendly Neighbourhoods: An Evaluation of Two Neighbourhoods in Hamilton, ON.” 2014-2015.

- 2016-2017: Olivia Fortenbacher, Emilie Coyle, Sarah Libera, Michael Franzolini, Abu Naser Hoque, Chanti Birdi, Lindsay Allman, Andrew Eberhard
- 2015-2016: Anthony Clements-Haines, Emilie Coyle, Olivia Fortenbacher, Michael Franzolini, Michael Giallonardo, Abu Naser Hoque, Madushi Seneviratne, Tyler Venable
- 2014-2015: Michael Ayalew, Andrew Carr, Tyler Duval, Kirsten Eaton, Ali Meghani, Asia Pineau, Danna See-Har, Amy Shanks, Ashley Taylor
- 2013-2014: Andrew Misiak, Dhilan Gunasekara, Ibrahim Dia, Molly Smith, Pegah Tootoonchian
- 2012-2013: Ermias Amayu, Nancy Cornish, Farhad Javidi Parsjani, Mattson Meere, Jason Sands, David Westbrook
- 2011-2012: Morgan Alger, Tony Gkotsis

**GRADUATE STUDENT COMMITTEE MEMBERSHIPS**

**Queen's University (2 active)**

- Atrooshi, Darran. Master of Science. School of Kinesiology and Health Studies. 2014-
- Hainstock, Madison. Master of Arts. School of Kinesiology and Health Studies. 2015-

**STUDENT TRAINING**

**Training of Research Assistants, Queen's University**

- 05/2015 – 08/2015: Brandon Henderson; Allison Murray
- 04/2015 – 08/2015: Uwsetina Yousif; Megan Gaucher
- 11/2014 – 03/2015: Elizabeth Bang
- 01/2014 – 08/2014: Damilare Adeola; Jesse Cranin
- 09/2013 – 12/2013: Damilare Adeola
- 05/2013 – 08/2013: Morgan Alger; Megan Gaucher; John Stuart; Brandon Williams
- 01/2013 – 04/2013: Morgan Alger; Mike Dror; John Stuart; Brandon Williams
- 09/2012 – 12/2012: Lisa Alton; Philomene Kocher (research coordinator); Sarah Nielsen
- 05/2012 – 09/2012: Saharsadat Aghabozorgafjeh; Morgan Alger; Erin Murphy-Mills; Will Robinson-Mushkat
- 01/2012 – 04/2012: Michael Lee

**Training of Teaching Assistants, Queen's University**

- 09/2015-12/2015: Oscar Kuffour; Alexandra Pedersen

**Training of Research Assistants, McMaster University**

- 03/2011 – 06/2011: Sarah Resendes

**Training of Teaching Assistants, Simon Fraser University**

- 05/2008 – 08/2008: Gary Mallach

**GRADUATE THESIS PROPOSAL EXAMINATIONS****Summary: Total of 2**

MA, Kinesiology & Health Studies	1
MSc, Kinesiology & Health Studies	1

1. Madison Hainstock. “Exploring shifting foodscapes of tenants enrolled in permanent supportive housing in Kingston, Ontario.” MA Proposal Defense, School of Kinesiology & Health Studies, Queen’s University, 15 June 2016.
2. Darran Atrooshi. “A Multi-Faceted Approach to Active Transportation to School in Rural Elementary School Students.” MSc Proposal Defense, School of Kinesiology & Health Studies, Queen’s University, 4 September 2015.

**GRADUATE THESIS DEFENSE EXAMINATIONS****Summary: Total of 17**

MES, Environmental Studies	1
PhD, Economics	1
MA, Kinesiology & Health Studies	2
MSc, Kinesiology & Health Studies	2
PhD, Kinesiology & Health Studies	1
MA, Geography & Planning	3
MPl, Geography & Planning	2
PhD, Geography & Planning	1
MSc, Public Health Sciences	3
PhD, Public Health Sciences	1

1. Madison Hainstock. ““We Have a Roof Over Our Head, But We Have to Eat Too”: The Impact Of Shifting Foodscapes On Health And Wellbeing During The Transition From Homelessness Into Supportive Housing.” **Internal/External Examiner**, MA Defense, School of Kinesiology and Health Studies, Queen’s University, 26 September 2017.
2. Afshin Vafaei. “The Impact of Community Social Capital on the Occurrence of Injuries in Adolescents, and Falls in Older Adults: Population-Based Studies Conducted in Canadian Samples.” **Internal/External Examiner**, PhD Defense, Department of Public Health Sciences, Queen’s University, 24 November 2016.
3. Madison Koekkoek. ““Come and live in my Shoes”: Food Access and social isolation for People living in poverty in Gananoque, Ontario. **Head’s Delegate**, MA Defense, School of Kinesiology & Health Studies, Queen’s University, 18 October 2016.
4. Darran Atrooshi. “Exploring Parental Perceptions of a Walking-School-Bus Initiative in Northern Ontario.” **Internal/External Examiner**, MSc Defense, School of Kinesiology & Health Studies, Queen’s University, 11 October 2016.

5. Justine McLeod. "Neighborhood Perception of Safety and the Mobility Gap between Men and Women in Old Age." **External Examiner**, MSc Defense, Department of Public Health Sciences, Queen's University, 2 August 2016.
6. Rajendra Subedi. "Healthy Immigrants? Healthy Workers? High-Skilled Immigrants Working in Low-Skilled Jobs in Ottawa, Canada." **Head's Delegate**, PhD Dissertation Defense, Department of Geography and Planning, Queen's University, 22 April 2016.
7. Trevor Wideman. "(Re)assembling "Japantown": A critical toponymy of planning and resistance in Vancouver's Downtown Eastside." **Internal Examiner**, MA Defense, Department of Geography and Planning, Queen's University, 25 September 2015.
8. Michael Kottelenberg. "Six Essays Evaluating the Impact of Universal Childcare on Developmental Outcomes in Quebec." **Internal/External Examiner**, PhD Defense, Department of Economics, Queen's University, 12 August 2015.
9. Andrei Rosu. "A new approach for geocoding postal code-based data in health related studies." **External Examiner**, MA Defense, Department of Geography, Queen's University, 28 August 2014.
10. Natalia Harhaj. "'They come here because it's a place of refuge": Residential Care Facilities with Cultural Affiliations." **External Examiner**, MA Defense, Department of Geography, Queen's University, 3 June 2014.
11. Fran Willes. "A Study to Examine Land Development in Kingston and Area from a Legal and Land Perspective with Emphasis on the 1988 Municipal Expansion and the Role of Government." **Chair**, MPI Defense, School of Urban and Regional Planning, Queen's University, 17 December 2013.
12. Ariel Pulver. "Recreational Use of Prescription Medications among Canadian Young People: Identifying Demographic and Geographic Disparities." **External Examiner**, MSc Defense, Department of Public Health Sciences, Queen's University, 18 September 2013.
13. Simon Smith. "Planning and Management in Eastern Ontario's Protected Spaces: How do science and public participation guide policy?" **Chair**, MES Defense, School of Environmental Studies, Queen's University, 6 September 2012.
14. Chris Callahan. "Examining the Existence of Collaborative Planning and Sustainable Development in a First Nation Community-Based Planning Context." **Chair**, MPI Defense, School of Urban and Regional Planning, Queen's University, 23 August 2012.
15. Emma Bassett. **External Examiner**, MSc Defense, School of Kinesiology & Health Studies, Queen's University, 8 August 2012.
16. Kim Bergeron. "An Exploration of Language, Policies, and Collaborative Actions by Planning and Public Health Professionals to Guide Active Community Design." **Internal/External Examiner**, PhD Defence, School of Kinesiology & Health Studies, Queen's University, 28 May 2012.
17. Kathleen Gropp. "Active Transportation to School Among Canadian Youth: An Exploration of Correlates and Associated Injury." **External Examiner**, MSc Defense, Department of Community Health & Epidemiology, Queen's University, 7 May 2012.

## **CURRICULUM & COURSE DEVELOPMENT**

- 2015            Redesigned GPHY 336 – *Geography, the Environment, and Human Health* to be more focussed on built environment effects on health and on the North American context
- 2014            Collaborated with Drs. Agarwal and Whitelaw to develop SURP 814 – *Planning for Sustainability*, School of Urban and Regional Planning, Queen’s
- 2012            Redesigned SURP 819 to involve more workshop-oriented activities
- 2011-2012      Redesigned SURP 888 to become SURP 861 – *Healthy Community Planning*, School of Urban and Regional Planning, Queen’s
- 2011-2012      Developed HLTH 497 – *Seminar in Health and the Built Environment*, School of Kinesiology & Health Studies, Queen’s
- 2011-2013      Collaborated with Dr. Leela Viswanathan to redevelop area of concentration for MPI program, from *Housing and Human Services* to *Health and Social Planning*
- 2008            Developed HSCI 403 – *Health and the Built Environment* (special topics), Faculty of Health Sciences, Simon Fraser University

## **TEACHING-RELATED PROFESSIONAL DEVELOPMENT**

- 2008            Completion of Instructional Skills Workshop, Learning and Instructional Development Centre, Simon Fraser University

**UNIVERSITY, ACADEMIC, & COMMUNITY SERVICE**

**DEPARTMENT OF GEOGRAPHY AND PLANNING, QUEEN'S UNIVERSITY**

2015-2017 Member, Graduate Committee for Planning

2015-2017 Member, Unit Research Ethics Board

**SCHOOL OF URBAN AND REGIONAL PLANNING, QUEEN'S UNIVERSITY**

2012- Coordinator for Health Studies & Planning coordinated degree program

2011- Cross-appointment to the School of Kinesiology & Health Studies

2011- Liaison to Queen's Master of Public Health program

2014-2015 Member, Renewal, Tenure & Promotion Committee

2013-2015 Chair, Unit Research Ethics Board

2011-2015 Unit Representative for Library Committee

2011-2015 Member, Academic Committee

2011-2012 Member, Renewal, Tenure & Promotion Committee

2012 Coordinated guest presentation by Gil Penalosa, internationally renowned leader in healthy community design

**SERVICE TO QUEEN'S UNIVERSITY**

2016, 2017 Faculty Reviewer for Queen's University Chancellor's Scholarship

2014-2015 Member of Queen's Aging & Health Program Development Committee

2012-2013 Member of Queen's University Initiative in Numeracy (QUIN)

**REVIEWS FOR SCHOLARLY JOURNALS**

- *American Journal of Preventive Medicine*
- *Canadian Journal of Public Health*
- *Canadian Medical Association Journal*
- *Health & Place*
- *Health Education Research*
- *Health Policy*

- *Health Promotion International*
- *International Journal for Equity in Health*
- *Journal of Toxicology & Environmental Health*
- *PLOS One*
- *Social Science & Medicine*
- *Urban Studies*

## REVIEWS FOR ACADEMIC CONFERENCES

- “Health, Equity and Sustainable Development.” Abstract reviewer for 20<sup>th</sup> IUHPE World Conference on Health Promotion. Geneva 2010

## PROFESSIONAL MEMBERSHIPS

- American Public Health Association
- American Planners Association
- Canadian Association of Geographers (active member)
- Canadian Public Health Association (active member)
- International Society for Urban Health

## SERVICE TO THE COMMUNITY

2017-present	Member, Technical Advisory Group, Active Transportation Master Plan, City of Kingston, ON
2011-present	City Cycling Working Group, Kingston Coalition for Active Transportation, Kingston, ON
2011-present	Board Member, Kingston Coalition for Active Transportation, Kingston, ON
2015	Waterfront Advisory Committee Member, City of Kingston, ON
2013-2014	Age-Friendly Advisory Committee Member, City of Kingston, ON
2013-2014	Pedestrian Transit Working Group, Kingston Coalition for Active Transportation, Kingston, ON
2011-2012	Community Volunteer, Community Mission for Heart & Stroke Foundation of Canada, Kingston, ON
2008	Population and Public Health Initiatives, Provincial Health Services Authority, Vancouver BC
