CONGRATULATIONS

Congratulations to Johnathan Rose who successfully passed his PhD Oral Thesis Examination on Thursday, November 28th. Thesis title: Liberal Order and Climate Control: Ontario Parks as Environmental Settler Colonialism. Supervisor: Dr. Anne Godlewska.

IN THE NEWS

John S Andrew (Arts and Science, School of Environmental Studies, Smith School of Business, School of Graduate Studies). Business News Network (BNN): Signs of real estate innovation after Supreme Court decision opens housing data. Dr. Andrew says even as the openness of information increases and new companies enter the market, the overall market does not look to have changed all that much.

STUDENT INTERNSHIP PROGRAM

The McDonald Institute has just launched a new program. The Cross-Disciplinary Internship Program is intended for students with non-physics degrees to collaborate with astroparticle physics labs. Geographers and planners are welcomed and encouraged to apply. Students get $10,000 for the summer term. For details, application guidelines, and resources to help you develop your proposal, visit: www.McDonaldInstitute.ca/cdinternship.
