

William E. White Post-Doctoral Fellowship in Geological Sciences and Geological Engineering

Faculty of Arts and Science
Queen's University, Kingston, Ontario, Canada

One of Canada's leading universities, Queen's has a long-standing reputation for academic excellence, research, and a diverse and vibrant learning environment. With its strong tradition of public service, the University has helped to shape Canadian values and policies, educating notable political and cultural figures.

Queen's University is located in the heart of the community in historic Kingston, midpoint between Montreal, Toronto, and the nation's capital.

Posting Date: September 29, 2025

Job Title: William E. White Post-Doctoral Fellowship in Geological Sciences and Geological Engineering

The position is funded by the Department of Geological Sciences and Geological Engineering at Queen's University, Kingston, Ontario, Canada.

The William E. White Postdoctoral Fellowship, created from a fund endowed by the estate of William E. White, will be awarded to an outstanding scientist who has completed a Ph.D. degree, normally within (and up to) a five-year period preceding the time of the appointment.

The area of research is open, but the scholar's research must be complementary to that being pursued in the Department of Geological Sciences and Geological Engineering. The research program to be undertaken and the level of support of research costs and moving expenses will be negotiated with a faculty member at the time the award is made. Potential applicants may obtain an outline of current research interests on the Departmental website <https://www.queensu.ca/geol/> and are required to initiate contact with a potential faculty supervisor in advance of applying. Fit with the research interests of the Department and the research excellence of the candidate will be the primary considerations in the selection process.

The supervisor will be a Faculty member in the Department of Geological Sciences and Geological Engineering at Queen's University.

Remuneration: No less than \$70,000 annually

Start Date and Duration of Appointment: As early as January 1st, 2025 (2-year appointment)

Required Qualifications: Applicants must hold a PhD or equivalent. A strong record of peer-reviewed publications in the applicant's research field and presentations at international research conferences is expected.

Required Documentation: Applicants should submit (1) a cover letter, (2) a curriculum vitae, (3) a 2-page proposed research statement, (4) two samples of research writing, and (5) names and contact information of three references.

Application Deadline: December 1, 2025 or until filled

Application Procedure: Submit applications to the Departmental Manager, Sarah Bernard (bernards@queensu.ca), with

"**Application for the William E White Postdoc**" in the subject line. Inquiries about the William E. White Postdoctoral Fellowship or details about the position can also be sent to Sarah Bernard.

Employment Equity: The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQ+ persons.

Accommodation in the Workplace: The University has policies in place to support its employees with disabilities, including an Accommodation in the Workplace Policy and a policy on the provision of job accommodations that take into account an employee's accessibility needs due to disability. The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact Ms. Sarah Bernard (bernards@queensu.ca)
